NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed on the 21st day of May 2026, by **LOVE ENTERTAINMENT LIMITED** (The Opponent), of 7145 Slaughterhouse Road, Belize City, Belize, C.A., against trademark Application No. 20083.25, filed on the 29th day of May, 2025, by **SADANI ORLANDO HARRISON, JEANELLE KARLENE HARRISON, ROCHELLE ALDINA HARRISON, ROBERTO CARLOS HARRISON** (The Applicants), of #1.5 Miles Bullet Tree Road, San Ignacio, Cayo District Belize C.A., for the registration of the following trademark, as proprietor thereof:

The grounds of opposition are as follows:

1. The application for registration of the trade mark was done in bad faith by the Applicants, which constitutes an absolute ground for refusal under section 35(6) of the Trade Marks Act ('the Act'). The Applicants are aware that, or if not aware then ought to know that, there exists a likelihood of the trade mark applied for and the intended usage of that trade mark taking unfair advantage of and being detrimental to the distinctive character and repute of the Opponent's earlier mark; yet, the Applicants filed and have persisted in their application for registration of the trade mark in Belize.

2. Additionally, the registration is liable to be prevented, under section 37 (4) (1) and (2) of the Act, by virtue of:

    a. the law of passing off, which protects the Opponent's identical unregistered trade mark which was contractually assigned to it in 2015, and used in the course of trade since that time; and

    b. the Opponent's earlier right to the trade mark, in particular by virtue of the law of copyright.

3. Further, the Applicants' trade mark should not be registered, as it is contrary to section 37 (2) and (3) of the Act, in that the trade mark being applied for is:

    a. identical to the Opponent's earlier trade mark which is entitled to protection under the Paris Convention as a well-known trademark; and, the services for which the Applicants have applied for are identical with or similar to those for which the earlier trade mark is protected. As a result, there exists a likelihood of confusion on the part of the public, which includes the likelihood of association with the Opponent's earlier trade mark;

    b. additionally or alternatively, identical with the Opponent's earlier trade mark, and the services for which the Applicants have applied are not similar to those for which the earlier trade mark is protected, but should be prevented from registration as the Opponent's earlier trade mark has a reputation in Belize and the use of the later mark without due cause will take unfair advantage of, and would be detrimental to, the distinctive character and the repute of the Opponent's earlier trade mark

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed on the 7th day of May 2026, by **CALVIN KLEIN TRADEMARK TRUST** (The Opponent), of 205 West 39th Street, New York, New York, 10018, U.S.A., against trademark Application No. 20424.26, filed on the 20th day of January, 2026, by **CK GIRLS** (The Applicant), of 113 Cemetry Road, Belize City, Belize, for the registration of the following trademark, as proprietor thereof:

The grounds of opposition are as follows:

1. Opposition founded by Section 16 of the Trade Marks Act of Belize Chapter 257, RE 2020, (the Act), is based on inter alia the fact that the Opponent's Well Known mark qualifies for protection under the Paris Convention for the protection of Industrial Property, in particular but not limited to Articles 6bis thereof, which is given full effect in the Act.

2. The Opponent, is also the registered owner of the mark CK, which is registered in Belize as Registration No. 8412 for Class 25. The Opponent's mark is well known for many goods, including for example, clothing, footwear, hats, gloves, perfumes, jewelry, watches, bags, and many other goods for men, women, boys and girls as per https://www.calvinklein.us/en. As such, Opponent asserts that its mark and namesake constitutes an "Earlier Mark" as per Section 38(1)(a) & (b) of the Act which defines "Earlier Mark" and therefore attracts any and all protection afforded by Section 37 of the Act, particularly, 37(2)(b) by virtue that the Applicant's mark,

, is similar to the Earlier Mark, CK, and is to be registered for goods similar to those for which the Earlier Mark is protected (i.e. the same class with all goods therein being naturally similar), further and especially considering the disclaimer of "GIRLS" in the Applicant's application that will leave only "CK" from the Applicant's logo, which makes the word element of the Applicant's Mark identical to the Opponent's Earlier Mark

3. A second and independent ground for refusal of registration under Section 37 is 37(3) contemplating an earlier mark that is similar to the Applicant's application and to be registered for "...goods and services which are not. similar to those for which the earlier mark is protected" and for which use of the later mark would be detrimental to the distinctive character or reputation of the Opponent's mark.

4. The use of the mark contained in the Applicant's said Application No. 20424.26, if registered, would cause a likelihood of confusion on the part of the public, which includes the likelihood of association with the Opponent's mark.

5. The mark contained in the Applicant's said Application No. 20424.26 is similar to the Opponent's Earlier Mark to the point where the word element is identical, that if registered, it could diminish the public's perception of the Opponent's Earlier Mark thereby weakening or diluting the distinctiveness of the Opponent's brand.

6. Opponent respectfully requests that the subject application for the Applicant's mark be refused for registration on the above absolute ground, the above relative grounds, and the well-known mark ground. The Opponent reserves the right to adduce further grounds in support of its Opposition at a later date and to supply the appropriate Affidavit in support of the claims made herein, and to provide further details of registrations and prior use in other jurisdictions.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

NOTICE OF INVALIDATION

TAKE NOTICE THAT THE REGISTRAR IS IN RECEIPT OF A NOTICE OF INVALIDATION FILED ON THE 21ST DAY OF MAY, 2026, BY **LOVE ENTERTAINMENT LIMITED** OF 7145 SLAUGHTERHOUSE ROAD, BELIZE CITY, BELIZE, C.A., AGAINST REGISTERED TRADEMARK NO. 18907.23 –

, FILED ON THE 20TH DAY OF JULY, 2023, BY **SADANI HARRISON, JEANELLE HARRISON, ROCHELLE HARRISON, ROBERTO HARRISON** OF #1.5 MILES BULLET TREE ROAD, SAN IGNACIO, CAYO DISTRICT, BELIZE C.A., FOR THE INVALIDATION OF THE FOLLOWING TRADEMARK, AS PROPRIETOR THEREOF:

The Claimant invalidates the above trademark on the grounds that:

1. The trade mark was registered in breach of section 35(6) of the Trade Marks Act ('the Act') as the application was made in bad faith by the Registered Proprietors. The Registered Proprietors were aware that, or if not aware then ought to have known that, there existed a likelihood of the trade mark taking unfair advantage of and being detrimental to the distinctive character and repute of the Applicant's earlier mark; yet, the Registered Proprietors filed and gained registration of the trade mark in Belize.

2. Additionally, at the time of registration of the trade mark, the registration was liable to be prevented, under section 37 (4) (1) and (2) of the Act, by virtue of:

    a. the law of passing off, which would have protected the Applicant's identical unregistered trade mark which was contractually assigned to it in 2015, and used in the course of trade since that time; and

    b. the Applicant's earlier right to the trade mark, in particular by virtue of the law of copyright.

3. Further, the Registered Proprietors' trade mark registration breached section 37 (2) and (3) of the Act, in that the registered trade mark is:

    a. identical to the Applicant's earlier trade mark which at the date of registration, was entitled to protection under the Paris Convention as a well-known trademark; and, the services for which the Registered Proprietors registered the trade mark are identical with or similar to those for which the earlier trade mark is protected. As a result, there exists a likelihood of confusion on the part of the public, which includes the likelihood of association with the Applicant's earlier trade mark;

    b. additionally or alternatively, identical with the Applicant's earlier trade mark, and is registered for services which are not similar to those for which the earlier trade mark is protected, but should not have been so registered as the Applicant's earlier trade mark has a reputation in Belize and the use of the later mark without due cause takes unfair advantage of, and is detrimental to, the distinctive character and the repute of the Applicant's earlier trade mark.

The Owner is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.
