NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed on the 8th day of May 2026, by **WACKER CHEMIE AG** (The Opponent), of Zielstattstrasse 20, 81379 Munich, Germany, against trademark Application No. 20348.25, filed on the 14th day of November, 2025, by **CHENLIANG MA** (The Applicant), of No. 864, Xinzhai Village, Xinzhai Town, Linq County, Shandong Province, China, for the registration of the following trademark, as proprietor thereof:

WACKER

The grounds of opposition are as follows:

1. The Opponent, Wacker Chemie AG, is a German multinational chemical company which was founded in 1914 by Alexander Wacker and is still under controlling ownership/interest of the Wacker family to this date. The company has continuously operated for more than one hundred years and is today an international specialty chemicals and materials group. The Opponent's group operates 27 production sites worldwide- ten in Europe, nine in the Americas and eight in Asia - within an integrated manufacturing network.
2. The trademark "WACKER" has been used continuously since the establishment of the Opponent's business in 1914 not only as a company name, but also as a mark used in trade to identify goods of the Opponent. The ownership of the "WACKER" trademark has remained continuously within the Opponent's corporate group since the founding of the Opponent's business in 1914, with no interruption in legal title. The WACKER trademark portfolio comprises more than 400 registered trademarks worldwide and is used and marketed worldwide by the Opponent and/or the Opponent's corporate group.
3. The Opponent's trade mark is entitled to protection under the Paris Convention as a well known trade mark and as an earlier trade mark pursuant section 38(1)(b) of the Trade Marks Act, Chapter 257 of the Laws of Belize, Revised Edition 2020.
4. The mark contained in the Applicant's said Application No. 20348.25 contravenes section 37(1) of the Trade Marks Act and amendments and should not be registered by virtue of the fact that it is identical with the Opponent's earlier trade mark and the goods or services for which the Applicant's trade mark is applied for are identical with the goods or services for which the Opponent's earlier trade mark is protected.

5. Further, and in the alternative, the mark contained in the Applicant's said Application No. 20348.25 contravenes section 37(2) of the Trade Marks Act and amendments and should not be registered by virtue of the fact that the Applicant's trade mark is identical with the Opponent's earlier trade mark and is to be registered for goods or services similar to those for which the Opponent's earlier trade mark is protected; or the Applicant's trade mark is similar to the Opponent's earlier trade mark and is to be registered for goods or services identical with or similar to those for which the Opponent's earlier trade mark is protected, as there would exist a likelihood of confusion on the part of the public, which includes the likelihood of association with the Opponent's earlier trade mark.
6. Further, and in the alternative, the mark contained in the Applicant's said Application No. 20348.25 contravenes section 37(3) of the Trade Marks Act and amendments and should not be registered by virtue of the fact that it is identical with or similar to the Opponent's trade mark as earlier trade mark and is to be registered for goods or services which are not similar to those for which the Opponent's trade mark as earlier trade mark is protected but the Opponent's trade mark as earlier trade mark has a reputation in Belize and the use of the mark contained in the Applicant's said Application without due cause would take unfair advantage of, or be detrimental to, the distinctive character or the repute of the Opponent's trade mark.
7. Further, and in the alternative, the mark contained in the Applicant's said Application No. 20348.25 contravenes section 35(6) of the Trade Marks Act and should not be registered by virtue of the fact that the Applicant's application for registration of the said mark is made in bad faith.
