retail and wholesale services in relation to common metals and their alloys, ores, metal materials for building and construction, structures and transportable buildings of metal, non-electric cables and wires of common metal, small items of metal hardware, metal containers for storage or transport, safes, building and construction materials and elements of metal, containers, and transportation and packaging articles, of metal, doors, gates, windows and window coverings of metal, metal hardware, unprocessed and semi-processed materials of metal, not specified for use; retail and wholesale services in relation to machine tools, power-operated tools, motors and engines, except for land vehicles, machine coupling and transmission components, except for land vehicles, agricultural implements, other than hand-operated hand tools, incubators for eggs, automatic vending machines, agricultural, earthmoving, construction, oil and gas extraction and mining equipment, wheels and tracks for machines, generators of electricity, industrial robots, machines and machine tools for treatment of materials and for manufacturing, moving and handling equipment, pumps, compressors and fans, steamrollers, parts, fittings and accessories for machines, machine tools and power-operated tools; retail and wholesale services in relation to hand tools and implements, hand-operated, cutlery, razors, food preparation implements, kitchen knives and cutting implements, hand-operated tools and implements for treatment of materials, and for construction, repair and maintenance, hygienic and beauty implements for humans and animals, lifting tools; retail and wholesale services in relation to scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, apparatus for recording, transmission or reproduction of sound or images, magnetic data carriers, recording discs, compact discs, DVDS and other digital recording media, mechanisms for coin-operated apparatus, cash registers, calculating machines, data processing equipment, computers, computer software, fire-extinguishing apparatus, apparatus, instruments and cables for electricity, diving equipment, information technology and audio-visual, multimedia and photographic devices, magnets, magnetizers and demagnetizers, measuring, detecting and monitoring instruments, indicators and controllers, navigation, guidance, tracking, targeting and map making devices, optical devices, enhancers and correctors, recorded content, safety, security, protection and signalling devices, scientific and laboratory devices for treatment using electricity, scientific research and laboratory apparatus, educational apparatus and simulators; retail and wholesale services in relation to apparatus and installations for lighting, heating, cooling, freezing, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, filters for industrial and household use, flues and installations for conveying exhaust gases, air conditioning and purification equipment (ambient), igniters, industrial treatment installations, lighting reflectors, regulating and safety accessories for water and gas installations; retail and wholesale services in relation to vehicles, apparatus for locomotion by land, air or water, conveyances and parts, fittings and accessories therefore; retail and wholesale services in relation to precious metals and their alloys,

jewellery, precious and semi-precious stones, horological and chronometric instruments, jewellery boxes and watch boxes, key rings and key chains, and charms therefor, ornaments, made of or coated with precious or semi-precious metals or stones, or imitations thereof, time instruments; retail and wholesale services in relation to paper and cardboard, printed matter, bookbinding material, photographs, stationery and office requisites, except furniture, adhesives for stationery or household purposes, drawing materials and materials for artists, paintbrushes, instructional and teaching materials, plastic sheets, films and bags for wrapping and packaging, printers' type, printing blocks, bags and articles for packaging, wrapping and storage of paper, cardboard or plastics, decoration and art materials and media, filtering materials of paper, stationery and educational supplies; retail and wholesale services in relation to unprocessed and semi-processed rubber, guttapercha, gum, asbestos, mica and substitutes for all these materials, plastics and resins in extruded form for use in manufacture, packing, stopping and insulating materials, flexible pipes, tubes and hoses and fittings therefor (including valves), and fittings for rigid pipes, all non-metallic, adhesive tapes, strips, bands and films, clutch and brake linings, insulation and barrier articles and materials, seals, sealants and fillers, elastomers, mineral fibers, polyester, semi-worked plastic substances, carbon fibre, cellulose acetate, glass fibre and glass wool; retail and wholesale services in relation to leather and imitations of leather, animal skins and hides, luggage and carrying bags, umbrellas and parasols, walking sticks, whips, harness and saddlery, collars, leashes and clothing for animals, pelts, wallets and other carriers; retail and wholesale services in relation to mirrors, picture frames, animal housing and beds, containers, and closures and holders therefor, non-metallic, displays, stands and signage, non-metallic, furnishings, ladders and movable steps, non-metallic, statues, figurines, works of art and ornaments and decorations, made of materials such as wood, wax, plaster or plastic, door, gate and window fittings, non-metallic, fasteners, non-metallic, locks and keys, nonmetallic, mooring buoys, non-metallic, valves, non-metallic; retail and wholesale services in relation to household or kitchen utensils and containers, cookware and tableware, except forks, knives and spoons, combs and sponges, brushes, except paintbrushes, articles for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, stoneware, articles for the care of clothing and footwear, cosmetic and toilet utensils and bathroom articles; retail and wholesale services in relation to ropes and string, nets, tents and tarpaulins, sails, sacks for the transport and storage of materials in bulk, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile materials and substitutes therefor, bags and sacks for packaging, storage and transport, slings and bands, unfitted coverings; retail and wholesale services in relation to textiles and substitutes for textiles, household linen, curtains of textile or plastic, fabrics, filtering materials of textile; retail and wholesale services in relation to clothing, footwear, headgear and belts; retail and wholesale services in relation to lace and embroidery, ribbons and braid, buttons, hooks and eyes, pins and needles, artificial flowers, hair decorations, accessories for apparel, sewing articles and decorative textile articles, charms [not jewellery or for keys, rings or chains], hair ornaments, hair rollers, hair fastening articles, needles and pins for entomology; retail and wholesale services in relation to carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings [non-textile], floor coverings and artificial ground coverings, wall and ceiling coverings; retail and wholesale services in relation to games, toys and playthings, scale model vehicles video game apparatus, gymnastic and sporting articles and equipment, golf balls, decorations for christmas trees, fairground and playground apparatus, festive decorations, party novelties and artificial christmas trees; online retail services related to cosmetics; online retail services related to clothing; online retail services related to toys; online retail services related to luggage; **36** insurance; warranty services; financing services; hire-purchase financing; lease-purchase financing; automobile lease-purchase financing; financing relating to automobiles; financial services relating to the maintenance of vehicles; warranty programme services relating to outboard motor engines; financial affairs; credit card services; issuing of debit and credit cards; monetary affairs; financial, monetary and banking services; fundraising and financial sponsorship; provision of prepaid cards and tokens; safe deposit services; valuation services; appraisal of used automobiles; real estate affairs; real estate investment; **37** alarm, lock and safe installation, maintenance and repair; cleaning and care of fabric, textile, leather, fur and goods made thereof; computer hardware and telecommunication apparatus installation, maintenance and repair; glazing, installation, maintenance and repair of glass, windows and blinds; HVAC (heating, ventilation and air conditioning) installation, maintenance and repair; tyre maintenance and repair; vehicle repair, maintenance, refuelling and recharging services for electric vehicles; servicing of machine tools; maintenance and repair of machines and machine tools for treating and processing metals; repair or maintenance of metalworking machines and tools; installation of parts for vehicles; installation of motors; installation, maintenance and repair of telecommunication equipment; vehicle service stations; maintenance and repair of engines; maintenance and repair of motors; vehicle repair services; repair of machines; inspection of vehicles and their parts prior to maintenance and repair; maintenance of vehicles; automobile reconditioning services; reconditioning of industrial machinery; reconditioning of vehicle engines; rebuilding and reconditioning of motors; reconditioning machines that are worn or partially destroyed; cleaning of vehicles; cleaning of electrical motors; cleaning of machines; vehicle painting; vehicle polishing; vehicle tyre fitting and repair; replacement of tyres; wheel repair; vehicle window replacement services; fitting of windows in motor vehicles; upholstering of vehicle seats; installation of theft prevention devices; electrical installation services; installation of electric and electronic equipment in automobiles; information and consultancy services relating to vehicle repair; vehicle breakdown assistance [repair]; roadside repair of automobiles; rental of tools; rental of plant and equipment for construction, demolition, cleaning and maintenance; vehicle maintenance equipment (rental of -); rental of car-washing apparatus; rental of construction machines and apparatus; excavating machines (rental of -); earthmoving machines (rental of -); rental of steamrollers; heavy plant hire; rental of mining machines and apparatus; cleaning machines (rental of -); rental of road sweeping machines; rental of industrial cleaning machines; ironing machines (rental of -); rental of abrasive cleaning apparatus; rental of cleaning and washing and drying machines and equipment; rental of cleaning apparatus; rental of underwater abrasive cleaning apparatus; rental of backhoes; rental of hammers; rental of drills; cranes (rental of -); rental of oil well drilling tools; rental of hand and power tools; rental and maintenance of work platforms; rental of construction machinery; leasing of building machinery; leasing of construction equipment; marine construction; shipbuilding.

STATEMENT OF USE: The applicant claims that it has a bona fide intention to use the mark.

PRIORITY: Priority Claim is on the basis of an application filed on the 25th October, 2021 under number 018563573 in the European Union.

AGENT: Arguelles & Company of Suite 401, The Matalon, Coney Drive, Belize City, Belize.

MARK: **MARINE RESERVE** FISHERIES DEPARTMENT AMBERGRIS CAYE, BELIZE CFE(9): 27.3.3; 29.1.4

APPLICATION NUMBER: 18108.22 FILING DATE: 2nd August, 2022

APPLICANT: HOL CHAN MARINE RESERVE of Caribena Street, San Pedro Town, Belize

INTERNATIONAL CLASS(ES): **41** educational and training services; recreational services; **42** scientific research; advisory services relating to environmental protection; environmental surveys; environmental monitoring services; compilation of environmental information.

STATEMENT OF USE: The applicant claims that the mark is being used.

DISCLAIMER: Registration of this mark shall give no exclusive right to the use of the words "MARINE RESERVE", "FISHERIES DEPARTMENT", "AMBERGRIS CAYE", "BELIZE" and "HOL CHAN", separately and apart from the mark as shown.

TRANSLATION: The applicant claims that the words "HOL CHAN", when translated to the English language is "LITTLE CHANNEL".

MARK: REALITY PRO

APPLICATION NUMBER: 18181.22 FILING DATE: 22nd August, 2022

APPLICANT: Immersive Health Solutions LLC. of 1209 Orange Street, Wilmington Delaware 19801, United States of America

INTERNATIONAL CLASS(ES): **9** scientific, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus for recording, transmission or reproduction of sound or images; data processing equipment; data communication apparatus that transmit data and information to databases; data storage apparatus; measuring apparatus for values concerning fitness and exercise; chemistry apparatus and instruments; cameras; optical lenses; contact lenses; smart glasses; eyewear; eyeglasses; optical goods; optical apparatus and instruments; computer chips; integrated circuits; telecommunication apparatus for mobile networks for the sending, receiving and storing of digital data; computers, computer hardware, computer peripherals, interfaces [for computers]; smartphones; smartwatches; headphones; headsets; virtual and augmented reality headsets, goggles, and glasses; wearable computer hardware; computer peripheral devices; wearable computer peripherals; remote controls for use with computers; computer hardware; telecommunications apparatus and instruments; smartphones; smartwatches; headphones; headsets; digital media

streaming devices; portable media players; cameras; headsets; virtual reality headsets; augmented reality computer hardware; head mounted augmented reality displays; goggles; glasses; smart glasses; computer software; software for accessing, browsing and searching downloadable audio and video files, information and commentary available online from databases or the Internet; virtual and augmented reality software; digital recording media; downloadable application software, namely, audio files, image files, video files, music files; **10** surgical and medical apparatus and instruments; health, fitness, exercise, and wellness sensors, monitors, measuring apparatus, medical apparatus and equipment for diagnostics and therapy; **42** scientific and technological services in the field of medicine and surgery; design and development of computer hardware; design and development of medical diagnostic apparatus; design, development, maintenance and updating of computer software; computer programming; creating and maintaining web sites; design and maintenance of computer databases; electronic data storage; cloud computing services; providing online, non-downloadable software; computer consultation services, namely, developing computer systems, databases and applications; computer security and data security consultancy; data encryption services; providing information about the design and development of computer hardware and software maintenance and updating of computer software, namely peripherals and applications; technical support services relating to computer software and applications; providing search engines for obtaining data via the internet and other electronic communications networks; industrial analysis and research services; medical research; medical laboratories; **44** educational and training services for medical and healthcare professionals using virtual and augmented reality; Medical, health, fitness, exercise, and wellness testing, imaging, diagnostic, screening, assessment, evaluation, monitoring, and counseling services using virtual and augmented reality; providing information in the fields of medical care, health, fitness, exercise, and wellness; providing a website featuring information on medical care, health, fitness, exercise, and wellness.

STATEMENT OF USE: The applicant claims that it has a bona fide intention to use the mark.

PRIORITY: Priority Claim is on the basis of an application filed on the 24th February, 2022 under number 2168959 in Canada.

AGENT: BARROW & WILLIAMS LLP of Equity House, 84 Albert Street, Belize City, Belize.

MARK: DYNAMIC ISLAND

APPLICATION NUMBER: 18221.22

FILING DATE: 9th September, 2022

APPLICANT: Apple Inc. of One Apple Park Way, Cupertino, California, 95014, United States of America

INTERNATIONAL CLASS(ES): 9 computers; handheld computers; tablet computers; computer hardware; telecommunications apparatus and instruments; mobile telephones; smartphones; wireless communication devices for providing access to the internet and sending, receiving, and transmitting data, images, audio, video, and multimedia content; software related to handheld digital electronic devices; computer software for use on handheld mobile digital electronic devices and other consumer electronics; handheld communication devices; wearable computer hardware; wearable computers; wearable activity trackers; smartwatches; smart rings; smartglasses; telecommunication apparatus in the form of jewelry; connected bracelets [measuring instruments]; protective helmets; safety helmets; sound transmission and reproducing apparatus; audio speakers; smart speakers; home automation hubs; smart home hubs; voice recognition software; microphones; personal digital assistants; earbuds; earphones for smartphones; earphones for use with mobile telecommunication devices; headphones; headsets; earpieces for remote communication; ear pads for headphones; digital media streaming devices; set top boxes; computer hardware for transmitting and enabling the viewing of audio, video, television, movies, digital images and other multimedia content; electronic book readers; network communication apparatus; portable media players; computer peripheral devices; peripheral devices for data reproduction; wearable computer peripheral devices; wearable digital electronic devices capable of providing access to the internet; virtual reality headsets, goggles, glasses; remote controls for controlling electronic products; display screens; augmented reality computer hardware; 3d spectacles; eyewear; eyeglasses; sunglasses; optical glass; optical goods; optical apparatus and instruments; optical lenses; eyeglass cases; eyeglass cords; eyeglass frames; eyeglass lenses; contact lenses; containers for contact lenses; correcting lenses [optics]; eyepieces; optical devices, enhancers and correctors; eyepieces; video monitors; computer monitors; display screens; head-mounted displays; wearable displays; wearable video display monitors; televisions; television receivers and monitors; touchscreen monitors; touchscreen sensors; computer touchscreens; interactive touchscreen terminals; interfaces for computers; electronic display screens for computers, smartphones, smartwatches, smartglasses, televisions, handheld digital electronic devices, and audio and video players; keyboards; computer mice; mouse pads; printers for computers; computer stylus; electronic pens; personnel tracking devices; electronic tracking apparatus and instruments; electronic tags for goods; electronic tags; encoded cards for use in relation to the electronic transfer of funds; smart cards; encoded identification bracelets, magnetic; encoded key cards; electronic key fobs being remote control apparatus; computer peripherals used to locate, monitor, and track items; cameras; cameras for smartphones; smartphone camera lenses; camera flashes for smartphone; computer chips; integrated circuits; biometric identification and authentication apparatus; computer software for interpreting fingerprints or palm prints; face recognition apparatus; facial recognition software; fingerprint scanners; biometric scanners; biometric iris scanners; biometric locks; remote controls for controlling computers, mobile telephones, wearable peripherals, smartwatches, smart speakers, smartglasses, earphones, headphones, headsets, audio and video players, televisions, set top boxes, handheld digital electronic devices, audio and video players, and home entertainment systems; disk drives; hard drives; computer memory devices; data storage apparatus; data processing apparatus; magnets; humanoid robots having communication and learning functions for assisting and entertaining people; analog-to-digital converters; internet servers; encoding and decoding devices; security tokens [encryption devices]; 3d scanners; digital input and output

scanners; radio transmitters; radio receivers; global positioning system [GPS] apparatus; computer interfaces; access interfaces for managed private circuit networks; navigation apparatus for vehicles [on-board computers]; hands-free kits for telephones; head-up display apparatus for vehicles; in-car telephone handset cradles; dashboard mats adapted for holding mobile telephones and smartphones; power sources connected to audio apparatus for use in motor vehicles; audio speakers for vehicles; audio speaker systems for vehicles; voice command devices; voice recognition software; satellite navigational apparatus; satellite communication apparatus; transmitting and receiving apparatus for radio broadcasting; transmitting and receiving apparatus for television broadcasting; transmitting and receiving apparatus for long-distance transmission; intercommunication satellites; electric batteries for vehicles; charging stations for electric vehicles; electric apparatus for remote ignition; computer components and parts; audio-visual apparatus; batteries; solar batteries; rechargeable batteries; battery chargers; portable power chargers; wireless battery chargers; wireless chargers for computers, computer peripherals, mobile phones, smartphones, smartwatches, smartglasses, smart speakers, smart home hubs, earphones, earbuds, headphones, headsets, handheld digital electronic devices, and audio and visual players; charging appliances for rechargeable equipment; battery chargers for laptop computers; battery chargers for tablet computers; smartphone battery chargers; power adapters; electrical components; electronic connectors; couplers [data processing equipment]; power wires; electrical wires; data wires; computer cables; communications cables; electrical cables; chargers; charging docks; speaker docks; portable speaker docks; docking stations; computer card adapter; computer network adapters; computer peripherals; mobile telephones; smartphones; smartwatches; smartglasses; smart home hubs; headphones; headsets; audio players; video players; televisions; set top boxes; chargers for electric batteries; chargers for electronic cigarettes; stands for computer equipment; stands adapted for mobile phones; stands for televisions; covers (shaped-) for computers; protective covers for smartphones; covers for music storage devices; covers for data storage devices; covers for personal digital assistants; covers for portable media players; cases for mobile phones; computer cases; cases for digital media players; protective cases for portable media players; electrical coupling sleeves; camera straps; cell phone straps; straps for telephone handsets; smart rings; smart speakers; earbuds; handheld computing devices; handheld communication devices; computer software for use on handheld mobile digital electronic devices and other consumer electronics; mobile phone screen protectors; tempered glass screen protectors for smartphones; mobile phone display screen protectors in the nature of films; display screen protectors in the nature of films for mobile phones; protective films adapted for smartphones; protective films for tablet computers; selfie sticks; selfie lenses; selfie ring lights for smartphones; cooling pads for laptop computers; computer hardware for use in controlling home automation systems, including lighting, appliances, heating and air conditioning, door bells and security alarms; voice command devices; voice recognisers; climate control digital thermostats; electric control devices for heating management; thermostats; monitors; sensors; remote controls for air-conditioning apparatus; lighting control apparatus; electrical outlets; electrical and electronic switches; alarm; alarm sensors; alarm monitoring systems; smoke detectors; carbon monoxide detectors; electric and electronic locks for doors and windows; keypads for security alarms; video surveillance systems; security surveillance apparatus; computer software; computer software for setting up, configuring, operating, and controlling computers, computer peripherals, smartphones, smartwatches, smartglasses, smart rings, smart speakers, smart home hubs, earbuds, headphones, headsets, handheld digital electronic devices, televisions, set top boxes, audio and video players, and home entertainment systems; gesture recognition software; voice recognition software; image recognition software; facial recognition software; biometric identification system; application development software; computer software for use as an application programming interface [API] for building software applications; software for processing, transmitting and displaying text, data, images, audio, audio visual content, and other multimedia content; software for sending and receiving electronic messages, alerts, notifications and reminders; computer game software; video game programs; virtual reality software; augmented reality software; software for navigating virtual reality and augmented reality environments; software for use in enabling computers, mobile devices, and mobile telephones to provide virtual reality and augmented reality experiences; downloadable computer programs; downloadable computer software; virtual reality software; computer software for providing geographic information, interactive maps and satellite and aerial images; downloadable e-wallets; computer software for facilitating commercial transactions through mobile telecommunication devices; downloadable video files; downloadable music files; downloadable image files; downloadable multimedia files; downloadable podcasts; downloadable e-books; downloadable musical sound recordings; downloadable films; downloadable screen savers for computers, phones; downloadable emoticons; downloadable computer graphics; downloadable ring tones; downloadable printing fonts; electronic agendas; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; holograms; facsimile machines; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; wafers [silicon slices]; light conducting filaments [optical fibers]; lightning arresters; ionization apparatus not for the treatment of air or water; fire extinguishers; radiological apparatus for industrial purposes; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; sports whistles; **42** design and development of computer hardware, software, and peripherals; design and development of virtual reality software; consultancy in the design and development of computer hardware; design and development of video and computer games software; design and development of computer databases; design and development of computer game software and virtual reality software; computer programming; computer programming services for creating virtual and augmented reality videos and games; computer programming services, namely, content creation for virtual worlds and three dimensional platforms; computer software design; computer system analysis; computer system design; computer graphics design services; computer programming services for data processing; development of computer platforms; software development in the framework of software publishing; software engineering services for data processing; writing of computer code; artificial intelligence consultancy; computer security consultancy; computer software consultancy; computer technology consultancy; consultancy in the field of energy-saving; design and development of databases; technological consultancy; technological research; telecommunication network security consultancy; telecommunications technology consultancy; website design consultancy; data security consultancy; information technology consultancy; internet security consultancy; creating and designing website-based indexes of information for others [information technology services]; creating and maintaining websites for others; providing online, non-downloadable software; software as a service [SaaS]; platform as a service [PaaS]; infrastructure as a service [IaaS]; application service provider [ASP]; providing on-line non-downloadable software for database management; providing online non downloadable software for use in communication; providing temporary use of non-downloadable software applications accessible via a web site; providing

online, non-downloadable software used in developing other software applications; providing online, non-downloadable software for setting up, configuring, operating, and controlling computers, computer peripherals, smartphones, smartwatches, smartglasses, smart rings, smart speakers, smart home hubs, earbuds, headphones, headsets, handheld digital electronic devices, televisions, set top boxes, audio and video players, and home entertainment systems; providing online, non-downloadable software used to process voice commands and create audio responses to voice commands; providing non-downloadable software for enabling hands-free use of a mobile phone through voice recognition; providing online, non-downloadable software for gesture recognition; providing online, non-downloadable software for fingerprint identity; providing online, non-downloadable software for voice recognition; providing online, non-downloadable software for image recognition; providing online, non-downloadable software for facial recognition; providing online, non-downloadable software for biometric identification; providing online, non-downloadable software for processing, transmitting and displaying text, data, images, audio, audio visual content, and other multimedia content; providing online, non-downloadable software for sending and receiving electronic messages, alerts, notifications and reminders; providing online, non-downloadable software for computer game and video game; providing online, non-downloadable software for virtual reality; providing online, non-downloadable software for augmented reality; providing online, non-downloadable software for use in enabling computers, mobile devices, and mobile telephones to provide virtual reality and augmented reality experiences; providing temporary use of non-downloadable computer software for providing geographic information, interactive maps and satellite and aerial images; providing temporary use of non-downloadable computer software for facilitating commercial transactions; providing online, non-downloadable software for e-wallet; providing online, non-downloadable software for users to electronically transfer money; providing temporary use of on-line non-downloadable software for importing and managing data; providing temporary use of on-line non-downloadable software for the transmission of data; providing temporary use of non-downloadable software to enable content providers to track multimedia content; providing temporary use of non-downloadable software to enable sharing of multimedia content and comments among users; providing virtual computer systems through cloud computing; cloud computing services; duplication of computer programs; conversion of computer programs and data (other than physical conversion); data encryption services; electronic data storage; off-site data backup; hosting of multimedia and interactive applications; installation of computer software; maintenance of computer software; updating of computer software; computer software technical support services; technical support services relating to computer software and applications; monitoring of computer systems by remote access; monitoring of computer systems for detecting unauthorized access or data breach; monitoring of computer systems to detect breakdowns; computer virus protection services; recovery of computer data; server hosting; hosting computer websites; unlocking of mobile phones; user authentication services using blockchain technology; user authentication services using technology for e-commerce transactions; user authentication services using single sign-on technology for online software applications; weather forecasting; creating electronically stored web pages for online services and the internet; hosting an online website for creating and hosting micro websites for businesses; providing scientific information, advice and consultancy relating to carbon offsetting; providing information relating to computer technology via a website; providing information relating to computer programming via a website; providing information relating to computer technology and programming via a website; providing information about the design and development of computer hardware and software; scientific and technological services; industrial analysis and research services; medical research; cartography services; providing geographic information; providing online geographic maps, not downloadable; computer rental; rental of computer hardware and peripherals; rental of computer software; rental of data centre facilities; rental of web servers; cryptomining; electronic monitoring of credit card activity to detect fraud via the internet; electronic monitoring of personally identifying information to detect identity theft via the internet; research and development of new products for others; research in the field of telecommunications technology; research in the field of artificial intelligence technology; providing search engines for the internet; user authentication services using blockchain technology; vehicle roadworthiness testing; quality control; chemical research; clinical trials; industrial design; interior design; dress designing; authenticating works of art; graphic arts designing; cloud seeding; handwriting analysis [graphology]; rental of meters for the recording of energy consumption; weighing goods for others.

STATEMENT OF USE: The applicant claims that it has a bona fide intention to use the mark.

PRIORITY: Priority Claim is on the basis of an application filed on the 12th July, 2022 under number 86948 in Jamaica.

AGENT: Balderamos Arthurs LLP of Charter House, Suite 6, 3½ Miles Philip Goldson Highway, Belize City, Belize.

MARK: KINDERSURE

APPLICATION NUMBER: 18308.22

FILING DATE: 13th October, 2022

APPLICANT: Abott Laboratories of 100 Abbott Park Road, Abbott Park, Illinois 60064, United States of America

INTERNATIONAL CLASS(ES): 5 dietetic substances adapted for medical use; dietetic preparations for children; dietary and nutritional supplements for children; 29 powdered milk; milk; milk products.

STATEMENT OF USE: The applicant claims that it has a bona fide intention to use the mark.

PRIORITY: Priority Claim is on the basis of an application filed on the 31st August, 2022 under number SD2022/0089658 in Colombia.

AGENT: Arguelles & Company of Suite 401, The Matalon, Coney Drive, Belize City, Belize.

MARK: TUDN

APPLICATION NUMBER: 18357.22

FILING DATE: 8th November, 2022

APPLICANT: Televisa, S. de R.L. de C.V., of Av. Vasco de Quiroga #2000, Colonia Santa Fe, Alcaldía Álvaro Obregón, Ciudad de México, C.P. 01210.

INTERNATIONAL CLASS(ES): 38 telecommunications; communication by fiber-optic networks; communications by computer terminals; on-line information services relating to telecommunications; provision of telecommunication channels for teleshopping services; radio communication; radio broadcasting; news agency services; wireless broadcasting; television broadcasting; cablecasting services; transmission of digital files; data streaming; broadcasting of television programs using video-on-demand and pay-per-view television services; satellite transmission; telecommunications routing and junction services; voice over internet protocol [VoIP] services; providing access to multimedia content online; providing telecommunications connections to a global computer network or databases; broadcast services through internet protocol; mobile telecommunications services; broadcasting services relating to internet protocol TV; streaming of video material on the internet; communications services through computer networks; digital communications services; online communications services; communications services by electronic means; radio, telephone, and telegraphic communications services; telematic communications services; providing on-line chat rooms; broadcasting services; cablecasting services, namely, cablecasting television services; providing information in the field of telecommunications; electronic data interchange services; online messaging services; radio broadcasting services; broadcasting services through internet; internet based telecommunication services; interactive telecommunications services; telecommunications services for the distribution of data; telecommunications services for air passengers; providing telecommunications connections to the internet or databases; news agencies; telematics services accessible through a password; cable television services; computer-aided transmission of messages and images; transmission of pay-per-view television programs; computer transmission services; videotext services, namely, interactive video text services; on-line services, namely, message sending; electronic and telecommunication transmission services; electronic transmission of images; telematics services; electronic data communications; computer data transmission services; communication services over computer networks; providing online chatrooms for the transmission of messages, comments and multimedia content among users; information telecommunications, namely, web pages, teleconferencing services; cable television broadcasting; electronic transmission of written communications; data transmission via satellite through a global computer network online; broadcast of information by means of television; television broadcasting through pay subscription; dissemination of television programmes relayed by cable link to television receivers; dissemination of television programmes relayed by microwave link to television receivers; streaming of audio material on the internet; transmission of video films; radio and television broadcasting, also via cable networks; delivery of messages by audiovisual media; telematic data transmission and file transfer; providing access to weblogs; providing access to the internet; transmission of images through interactive multimedia networks; transmission of vision via satellite; transmission of database information via telecommunications networks; information transmission by telematic codes; transmission of messages and images; transmission of messages and images by means of computers; transmission of coded messages and images; computer-aided transmission of data; music broadcasting; cable and satellite transmission of programmes; transmission of interactive entertainment software; providing access to websites on the internet; providing access to a global computer information network; providing computer access to communication networks; providing internet chatrooms; provision of communication facilities for the interchange of data by electronic means; provision of telecommunication facilities; providing virtual facilities for real-time interaction among computer users; providing chat lines utilising the internet; providing on-line forums for transmission of messages among computer users; electronic data transmission; remote transmission of audio signals by means of telecommunications; transmission and reception [transmission] of database information via the telecommunication network; operating of electronic communications systems; provision of communications facilities via radio; providing communication services through the use of phone cards or debit cards; relaying of television programmes by extra-terrestrial satellite; communication service through computer network; broadcasting service; news agency services for electronic transmission; communication services through a computer network; communication services for the purpose of video conferencing; data communication services accessible through access code; communication services of computer networks; digital communication services; electronic communication services for the transmission via antennas; electronic communication services for the transmission by cables; communication services in electronic media; communication services between computer terminals; communication services for the purposes of video conferencing; communication services for the electric transmission of images; communication services by electronic means; communication services via computer networks; communication services electronically provided; audiovisual transmission services; transmission of radio and television programmes by satellite; cable transmission of sounds, images, signals and data; computer-aided transmission of information and images; communication by hertzian wave; distribution of audiovisual data or images via a global computer network or the internet; retransmission of images via satellite; telecommunications by computer terminals, satellites, and radios; data transmission services through telecommunications networks; communication services for the transmission of information by electronic means; teleconferencing and video conferencing services; delivery of messages and data by electronic transmission; exchange of messages through computerized transmission; providing online chat rooms for social networks; digital transmission services; satellite video conferencing services; communications through global networks or the internet; provision of communications via television transmissions; transmission of information in the audiovisual field; transmission of information by teletypewriter, by satellite; sending of messages [by electronic means]; transmission of messages by telephone; electronic transmission of mail and messages; electronic transmission of computer programs via internet; telecommunications

services of digital networks; relaying of messages [electronic]; communication of information through electronic means; messaging services; broadcasting of cable television programmes; broadcast of cable television programs; transmission and reception of messages through global networks; dissemination of cinematographic films; wireless transmission and broadcasting of television programs; supply of electronic video links; transmission of data via communication satellite; transmission of data via electronic means; transmission of sound, image, signals and data through networks; television communications for meetings; communication services online; facilitation of access to sites of an electronic information network; provision of access to sites on an electronic information network; provision of electronic data links; broadband radio communication services; satellite broadcasting services in relation to business; television screen based text transmission services; data communication by electronic means; providing access to computer networks; data transmission through a network of remote data processing and global, including internet; transmission of sound by electronic means; communication services for the electronic data transmission; transmission of sound via satellite; electronic message sending and receiving services; cable and satellite transmission services; cable and satellite broadcasting services; satellite and cable broadcast; electronic transmission of data and documents via computer terminals and electronic devices; rental of broadcasting time by satellite; transmission of information by electronic communications networks; transmission of information on optical telecommunication networks; telecommunications services, in particular, ISDN services; telematic sending of information; transmission of data, sound and images via satellite; operation of earth-to-satellite television transmitters; transmission of digital information; satellite television broadcasting; electronic exchange of data stored in databases accessible through telecommunications networks; information transmission services via digital networks; interactive broadcasting and communications services; online document delivery via a global computer network; telematic communications by computer terminals; communication via computer terminals, by digital transmission or by satellite; telematic [data communication] services; telecommunications services; data transmission through ISDN lines; transmission of audio and video content via ISDN lines; transmission of audio and video content via computer networks; data transmission by satellite; transmission of audio and video content via satellite; broadcasting services by radio, television and cable; provision of access to internet platforms for the purpose of exchanging digital photographs; providing access to internet portals for third parties; providing access to e-commerce platforms on the internet; transmission of information via computers connected to the same telematics network; electronic communications services; information services relating to broadcasting radio communication network services; satellite broadcasting; providing access to computer databases; telecommunications access services; providing access to data in computer networks; providing access to an internet discussion website; transmission of sound or visual recordings over networks; interactive transmission of video over digital networks; interactive communication services; electronic transmission of instant messages and data; electronic transmission of images, photographs, graphic images and illustrations over a global computer network; transmission of data files, audio, video and multimedia, including downloadable files and files distributed in continuous flow in global computer networks; digital audio broadcasting; transmission of encrypted communications; communication services provided over the internet; broadcasting and transmission of pay-per-view television programs; broadcasting of television programs via cable; broadcasting of radio and television programs via cable or wireless networks; teleconferencing services; data transmission services between networked computer systems; electronic file transfer; air to ground telecommunications services; audiovisual communication services; communication services by radio; electronic transmission of messages and data; data transmission through microwaves technology; wireless communication services; wireless communications services; data transmission and data broadcasting; transmission of data or audio visual images via a global computer network or the internet; satellite broadcasting services related to sports events; wireless electronic transmission of data; wireless electronic transmission of images; video messaging services; satellite transmission services; satellite broadcasting services; broadcasting of programmes by satellite; electronic transmission services; cable television broadcasting services; data transmission through audio-visual appliances; data transmission by cable; satellite transmission of sounds, images, signals and data; communications by electronic mail systems; communication through electronic means; audio, video and multimedia broadcasting via the internet and other communications networks; wireless transfer of data using wireless application protocols [wap]; wireless transfer of data over the internet; telecommunication services provided via internet platforms and portals; providing telecommunications connections to databases; providing online chat rooms for the transmission of messages, comments, and multimedia content between users; podcasting; digital transmission services of audio and video data; interactive teletext services; message sending via a website; message sending, receiving and forwarding; virtual chatrooms established via text messaging; video streaming services on demand; reception of television programmes for onward transmission to subscribers; remote transmission of data by means of telecommunications; communications by electronic means; communication by radio; radio communication services; provision of access to web pages; voice and data transmission services; providing online forums; secure transmission of data, sound or images; delivery of messages by electronic means; provision of access to television via decoding apparatus; electronic communication services through chat rooms, chat lines and internet forums; digital transmission of data over the internet; provision of access to data on communication networks; digital transmission of data; communication services by computer intended to convey information; transmission of data and information by computer and electronic communication means; provision of telecommunication access to video content provided via the internet; provision of telecommunication access to television programs provided via an on-demand service; provision of telecommunication access to audio content provided via the internet; provision of telecommunication access to video and audio content provided via an online video-on-demand service; provision of telecommunication access to films and television programs provided via a video-on-demand service; broadcasting of audiovisual and multimedia content via the internet; broadcasting of television programs via the internet; broadcasting and transmission of television programs; broadcasting and transmission of radio programs; automatic transfer of digital data using telecommunications channels; broadcasting of video and audio programming over the internet; transmission of information through video communication systems; transmission of information via national and international networks; providing access to global computer networks for the transfer and dissemination of information; radio information services; data transmission; transmission of news and current affairs information; live transmissions accessible via home pages on the internet [webcam]; transfer of data by telecommunications; transmission and reception of database information via telecommunication networks; communication via analogue and digital computer terminals; broadcasting of motion pictures by television; data communication services by means of telecommunications; communication of information by satellite; instant messaging services; delivery of digital audio and/or video by telecommunications; news agency services for

telecommunications; providing access to electronic communications networks; services for the electronic transmission of information; electronic transmission of documents; data communications services; data broadcasting services; transmission of information by electronic means; radio communications; provision of access to content, websites and portals; narrowband radio communication services; streaming audio and video material on the internet; provision of access to an internet portal featuring video-on-demand programs; transmission of video data via the internet; transmission of audio data via the internet; providing telecommunication channels for teleshopping services; transmission of information via wireless or cable networks; transferring and disseminating information and data via computer networks and the internet; telecommunication services through platforms and internet portals and by other media: access services to internet portals; telecommunications services provided via the internet, intranets and extranet; transmission of digital audio and video broadcasts over a global computer network; transmission of user-generated content via the internet; transmission of videos, movies, pictures, images, text, photos, games, user-generated content, audio content, and information via the internet; transmission of multimedia content via the internet; data transmission services; transmission of information online; communication of data by means of radio; transfer of information by radio; transmission of data by radio; transmission of information via radio broadcasts; transfer of data by radio; communication of information by television; providing multiple-user access to a global computer information network for the transfer and dissemination of a wide range of information; audio communications services; videotext services; communication services by cable; transmission of data by cable; cable radio broadcasting; transmission of computerised data by means of television; transmission of data by laser beam; providing on-line electronic bulletin boards for transmission of messages among computer users; provision of telecommunications access to databases and the internet; transmission of sound and vision via satellite or interactive multimedia networks; transmission of sound, picture and data signals; transmission of sound, video and information; electronic messaging; computer communication services; communication by computer; providing access to portals on the internet for the exchange of videos; providing access to databases in computer networks; electronic transmission and retransmission of sounds, images, documents, messages and data; providing access to information via the internet; electronic exchange of messages through chat lines, chat rooms and internet forums; video-on-demand transmission; provision of voice-chat services; providing access to online computer databases; electronic transmission of news; communications services; providing access to gambling and gaming websites on the internet; packet transmission of data and images; provision of access to data or documents stored electronically in central files for remote consultation; access to data or documents stored by electronic means in central files for remote queries; radio broadcasting of information and other programs; broadcasting programs via a global computer network; communications via multinational telecommunication networks; computer transmission of information accessed via a code or a terminal; providing access to MP3 websites on the internet; transmission of sound and images by satellite; electronic news agency services; communications services for the transmission of information; provision of electronic communication links; communication services, namely, electronic transmission of data and documents between users of computers; video communication services; video streaming services; broadcasting of television programs by extraterrestrial satellite; electronic communications services by computer; sending [transmission] of news; communication of information by computer; transmission of information by computer; broadcasting of radio and television programs; transmission of radio and television programs; sending of telegrams; televisual communication services; transmission of sound via interactive multimedia networks; communication services to access a database; broadcasting of teleshopping programmes; operating of electronic communications networks; telecommunications services between computer networks; telecommunication services to facilitate access to databases; telecommunications services provided by means of fiber-optic networks; providing videoconferencing facilities; satellite telecommunications services; satellite communications services; transmission of interactive TV guides; television broadcast on the internet; communication by online blogs; transmission and distribution of data or audiovisual images via a global computer network or the internet; electronic message sending, receiving and forwarding; collection and transmission of electronic messages; providing internet forums; video, audio and television streaming services; video transmission via digital networks; transmission of messages, data and content on the internet and other communication networks; telecommunications services by fiber-optic networks, wireless and cable; **41** education; training; entertainment services; sporting and cultural activities; academies [education]; modeling for artists; rental of indoor aquaria; rental of cinematographic apparatus; rental of radio and television sets; rental of video cassette recorders; rental of video cameras; rental of sports grounds; rental of video tapes; rental of stage scenery; rental of show scenery; rental of audio equipment; rental of skin diving equipment; rental of lighting equipment for theater stage or television studios; rental of sports equipment, except vehicles; rental of stadium facilities; rental of sound recordings; rental of toys; games equipment rental; rental of artwork; rental of films; rental of tennis courts; conducting fitness classes; health club services [health and fitness training]; coaching [training]; timing of sports events; correspondence courses; film distribution; dubbing; animal dressage; animal training; boarding school education; religious education; gymnastics instruction; judo instruction; aikido instruction; cinema presentations; providing golf facilities; providing sports facilities; practical training [demonstration]; videotaping; entertainment information; recreation information; information on education; sign language interpretation; nursery schools; electronic desktop publishing; microfilming; videotape editing; organization of balls; organization of sports competitions; organization of competitions [education or entertainment]; arranging of beauty contests; organization of fashion shows for entertainment purposes; organization of shows [impresario services]; organization of cosplay entertainment events; organization of exhibitions for cultural or educational purposes; party planning [entertainment]; organization of lotteries; arranging and conducting of colloquiums; organization and management of concerts; arranging and conducting of conferences; arranging and conducting of congresses; arranging and conducting of in-person educational forums; arranging and conducting of seminars; arranging and conducting of symposia; arranging and conducting of workshops [training]; vocational guidance [education or training advice]; production of shows; film production, other than advertising films; production of radio and television programs; production of music; radio entertainment; television entertainment; book publishing; publication of texts, other than publicity texts; online publication of electronic books and journals; providing recreation facilities; conducting guided climbing tours; scriptwriting services, other than advertising; screenplay writing; photographic reporting; presentation of circus performances; presentation of variety shows; presentation of live performances; theatrical performances; booking of seats for shows; sado instruction [tea ceremony instruction]; cultural, educational or entertainment services provided by art galleries; entertainer services; educational services provided by special needs assistants; mobile library services; lending library services; calligraphy services; sport camp services; holiday camp services [entertainment];

casino services [games]; provision of club entertainment services; nightclub services [entertainment]; layout services, other than for advertising purposes; music composition services; composition of music for others; disc-jockey services; discotheque services; physical education; movie studio services; recording studio services; educational examination for users to qualify to pilot drones; training services provided via simulators; conducting guided tours; sound engineering services for events; interpreter services; gambling services; game services provided online from a computer network; karaoke services; video editing services for events; providing museum facilities [presentation, exhibitions]; orchestra services; amusement park services; zoological garden services; personal trainer services [fitness training]; educational testing services; news reporters services; providing amusement arcade services; ticket agency services [entertainment]; lighting technician services for events; translation services; tutoring; education services provided by schools; photography; subtitling; providing films, not downloadable, via video-on-demand services; providing television programmes, not downloadable, via video-on-demand services; providing online electronic publications, not downloadable; providing on-line music, not downloadable; providing on-line videos, not downloadable; know-how transfer [training]; electric balloon inflator pump rental; rental of photo booths; rental of costumes [theatrical or masquerade]; providing facilities for sporting events; computer and video game amusement services; rental of fish tanks for educational purposes; rental of theater arts facilities; providing training and educational examination for certification purposes; provision of educational examinations and tests; production of entertainment shows featuring dancers; cabarets; entertainment services performed by singers; fan clubs; social clubs services for entertainment purposes; conducting of horse races; directing of plays; organisation of entertainment events; production of audiovisual recordings; showing of cinematographic films; photo editing; edition of images; editing of texts (except publicity texts); education services with distribution of educational materials; physical education services; sports training for charitable purposes; writing of texts [other than publicity texts]; boarding schools; electronic games services for entertainment purposes for cell phones; games library services; providing online music, not downloadable; rental of audio-visual recordings; training services for employees; educational services through the tasting of drinks; publication of electronic journals on-line; entertainment services through television programs by web camera; entertainment services through interactive television programs; provision of multimedia entertainment programs by television, broadband wireless and on-line services; television entertainment services by mobile telephony; provision of non-downloadable films and television programs via pay-per-view television channels; online entertainment services in the form of game shows; production of television programs; production of television programs for broadcast on mobile devices; production of audio programs; production of television game shows; production of television and cinema films; production of films for entertainment purposes; services for the production of radio programmes; production of radio programs; radio program production; preparation of radio programs; preparation of radio and television programmes; production of cable television programs; provision of information relating to television programmes; production of television entertainment programmes; presentation of television programs; editing of television programmes; production of television programmes; production of live television programmes; production of animation for use in television and cable; preparation of documentary programmes for broadcasting; rental of television programs; entertainment programs on television; recreational services in the form of television programs; publication of books related to television programs; entertainment services in the form of television news programs; showing of pre-recorded entertainment; entertainment of the type of series of television programs in the field of variety shows; provision of television news shows; preparation of news programmes for broadcasting; production of animated and live action programmes; television program syndication; rental of facilities for the production of television programmes; preparation of entertainment programmes for broadcasting; production of a continuous series of animated adventure shows; production of live television programs for entertainment; cinematographic adaptation and editing; rental of radio and television sets; rental of recorded entertainment: auditioning for TV talent contests; auditioning for TV game shows; amusement centers; music concerts; live music concerts; music concerts through the radio; music concerts through the TV; sports entertainment services; entertainment of the type of wrestling competitions; live entertainment services; entertainment in the nature of football games; entertainment through concerts; entertainment through the radio; entertainment through the TV; interactive entertainment; provision of on-line entertainment; music-halls; organization of sporting events; arranging and conducting of soccer training programs; provision of entertainment services through the media of television; audio, video and multimedia production, and photography; film production; production of entertainment in the form of a television series; production of live shows; production of sound and video recordings; production of cinematographic films; production of television programs for broadcasting on mobile devices; television production; radio, film and television production; television programming [scheduling]; entertainment in the nature of mobile phone television; electronic publishing online of books and periodicals; multimedia publishing of electronic publications; online casino services; entertainment services through portable audio files; entertainment services in the form of interactive television programs; entertainment services in the form of a television program by web camera; online entertainment services; entertainment services provided by radio broadcasting; entertainment services provided by global communication networks; entertainment services provided by TV broadcasting; entertainment services provided by internet protocol television (IPTV); providing entertainment in the nature of film clips via a website; providing video entertainment via a website; providing multi-media entertainment via a website; provision of non-downloadable films and television programs via pay television.

STATEMENT OF USE: The applicant claims that it has a bona fide intention to use the mark.

AGENT: Arguelles & Company of Suite 401, The Matalon, Coney Drive, Belize City, Belize.

MARK:

CFE(9): 27.5.1, 2

APPLICATION NUMBER: 18358.22

FILING DATE: 8th November, 2022

APPLICANT: Televisa, S. de R.L. de C.V., of Av. Vasco de Quiroga #2000, Colonia Santa Fe, Alcaldía Álvaro Obregón, Ciudad de México, C.P. 01210.

INTERNATIONAL CLASS(ES): 38 telecommunications; communication by fiber-optic networks; communications by computer terminals; on-line information services relating to telecommunications; provision of telecommunication channels for teleshopping services; radio communication; radio broadcasting; news agency services; wireless broadcasting; television broadcasting; cablecasting services; transmission of digital files; data streaming; broadcasting of television programs using video-on-demand and pay-per-view television services; satellite transmission; telecommunications routing and junction services; voice over internet protocol [VoIP] services; providing access to multimedia content online; providing telecommunications connections to a global computer network or databases; broadcast services through internet protocol; mobile telecommunications services; broadcasting services relating to internet protocol TV; streaming of video material on the internet; communications services through computer networks; digital communications services; online communications services; communications services by electronic means; radio, telephone, and telegraphic communications services; telematic communications services; providing on-line chat rooms; broadcasting services; cablecasting services, namely, cablecasting television services; providing information in the field of telecommunications; electronic data interchange services; online messaging services; radio broadcasting services; broadcasting services through internet; internet based telecommunication services; interactive telecommunications services; telecommunications services for the distribution of data; telecommunications services for air passengers; providing telecommunications connections to the internet or databases; news agencies; telematics services accessible through a password; cable television services; computer-aided transmission of messages and images; transmission of pay-per-view television programs; computer transmission services; videotext services, namely, interactive video text services; on-line services, namely, message sending; electronic and telecommunication transmission services; electronic transmission of images; telematics services; electronic data communications; computer data transmission services; communication services over computer networks; providing online chatrooms for the transmission of messages, comments and multimedia content among users; information telecommunications, namely, web pages, teleconferencing services; cable television broadcasting; electronic transmission of written communications; data transmission via satellite through a global computer network online; broadcast of information by means of television; television broadcasting through pay subscription; dissemination of television programmes relayed by cable link to television receivers; dissemination of television programmes relayed by microwave link to television receivers; streaming of audio material on the internet; transmission of video films; radio and television broadcasting, also via cable networks; delivery of messages by audiovisual media; telematic data transmission and file transfer; providing access to weblogs; providing access to the internet; transmission of images through interactive multimedia networks; transmission of vision via satellite; transmission of database information via telecommunications networks; information transmission by telematic codes; transmission of messages and images; transmission of messages and images by means of computers; transmission of coded messages and images; computer-aided transmission of data; music broadcasting; cable and satellite transmission of programmes; transmission of interactive entertainment software; providing access to websites on the internet; providing access to a global computer information network; providing computer access to communication networks; providing internet chatrooms; provision of communication facilities for the interchange of data by electronic means; provision of telecommunication facilities; providing virtual facilities for real-time interaction among computer users; providing chat lines utilising the internet; providing on-line forums for transmission of messages among computer users; electronic data transmission; remote transmission of audio signals by means of telecommunications; transmission and reception [transmission] of database information via the telecommunication network; operating of electronic communications systems; provision of communications facilities via radio; providing communication services through the use of phone cards or debit cards; relaying of television programmes by extra-terrestrial satellite; communication service through computer network; broadcasting service; news agency services for electronic transmission; communication services through a computer network; communication services for the purpose of video conferencing; data communication services accessible through access code; communication services of computer networks; digital communication services; electronic communication services for the transmission via antennas; electronic communication services for the transmission by cables; communication services in electronic media; communication services between computer terminals; communication services for the purposes of video conferencing; communication services for the electric transmission of images; communication services by electronic means; communication services via computer networks; communication services electronically provided; audiovisual transmission services; transmission of radio and television programmes by satellite; cable transmission of sounds, images, signals and data; computer-aided transmission of information and images; communication by hertzian wave; distribution of audiovisual data or images via a global computer network or the internet; retransmission of images via satellite; telecommunications by computer terminals, satellites, and radios; data transmission services through telecommunications networks; communication services for the transmission of information by electronic means; teleconferencing and video conferencing services; delivery of messages and data by electronic transmission; exchange of messages through computerized transmission; providing online chat rooms for social networks; digital transmission services; satellite video conferencing services; communications through global networks or the internet; provision of communications via television transmissions; transmission of information in the audiovisual field; transmission of information by teletypewriter, by satellite; sending of messages [by electronic means]; transmission of messages by telephone; electronic transmission of mail and messages; electronic transmission of computer programs via internet; telecommunications services of digital networks; relaying of messages [electronic]; communication of information through electronic means; messaging services; broadcasting of cable television programmes; broadcast of cable television programs; transmission and reception of messages through global networks; dissemination of cinematographic films; wireless transmission and broadcasting of television programs; supply of electronic video links; transmission of data via communication satellite; transmission of data via electronic means; transmission of sound, image, signals and data through networks; television communications for meetings; communication services online; facilitation of access to sites of an electronic information network; provision of access to sites on an electronic information network; provision of electronic data links; broadband radio communication services; satellite broadcasting services in relation to business; television screen based text transmission

services; data communication by electronic means; providing access to computer networks; data transmission through a network of remote data processing and global, including internet; transmission of sound by electronic means; communication services for the electronic data transmission; transmission of sound via satellite; electronic message sending and receiving services; cable and satellite transmission services; cable and satellite broadcasting services; satellite and cable broadcast; electronic transmission of data and documents via computer terminals and electronic devices; rental of broadcasting time by satellite; transmission of information by electronic communications networks; transmission of information on optical telecommunication networks; telecommunications services, in particular, ISDN services; telematic sending of information; transmission of data, sound and images via satellite; operation of earth-to-satellite television transmitters; transmission of digital information; satellite television broadcasting; electronic exchange of data stored in databases accessible through telecommunications networks; information transmission services via digital networks; interactive broadcasting and communications services; online document delivery via a global computer network; telematic communications by computer terminals; communication via computer terminals, by digital transmission or by satellite; telematic [data communication] services; telecommunications services; data transmission through ISDN lines; transmission of audio and video content via ISDN lines; transmission of audio and video content via computer networks; data transmission by satellite; transmission of audio and video content via satellite; broadcasting services by radio, television and cable; provision of access to internet platforms for the purpose of exchanging digital photographs; providing access to internet portals for third parties; providing access to e-commerce platforms on the internet; transmission of information via computers connected to the same telematics network; electronic communications services; information services relating to broadcasting radio communication network services; satellite broadcasting; providing access to computer databases; telecommunications access services; providing access to data in computer networks; providing access to an internet discussion website; transmission of sound or visual recordings over networks; interactive transmission of video over digital networks; interactive communication services; electronic transmission of instant messages and data; electronic transmission of images, photographs, graphic images and illustrations over a global computer network; transmission of data files, audio, video and multimedia, including downloadable files and files distributed in continuous flow in global computer networks; digital audio broadcasting; transmission of encrypted communications; communication services provided over the internet; broadcasting and transmission of pay-per-view television programs; broadcasting of television programs via cable; broadcasting of radio and television programs via cable or wireless networks; teleconferencing services; data transmission services between networked computer systems; electronic file transfer; air to ground telecommunications services; audiovisual communication services; communication services by radio; electronic transmission of messages and data; data transmission through microwaves technology; wireless communication services; wireless communications services; data transmission and data broadcasting; transmission of data or audio visual images via a global computer network or the internet; satellite broadcasting services related to sports events; wireless electronic transmission of data; wireless electronic transmission of images; video messaging services; satellite transmission services; satellite broadcasting services; broadcasting of programmes by satellite; electronic transmission services; cable television broadcasting services; data transmission through audio-visual appliances; data transmission by cable; satellite transmission of sounds, images, signals and data; communications by electronic mail systems; communication through electronic means; audio, video and multimedia broadcasting via the internet and other communications networks; wireless transfer of data using wireless application protocols [wap]; wireless transfer of data over the internet; telecommunication services provided via internet platforms and portals; providing telecommunications connections to databases; providing online chat rooms for the transmission of messages, comments, and multimedia content between users; podcasting; digital transmission services of audio and video data; interactive teletext services; message sending via a website; message sending, receiving and forwarding; virtual chatrooms established via text messaging; video streaming services on demand; reception of television programmes for onward transmission to subscribers; remote transmission of data by means of telecommunications; communications by electronic means; communication by radio; radio communication services; provision of access to web pages; voice and data transmission services; providing online forums; secure transmission of data, sound or images; delivery of messages by electronic means; provision of access to television via decoding apparatus; electronic communication services through chat rooms, chat lines and internet forums; digital transmission of data over the internet; provision of access to data on communication networks; digital transmission of data; communication services by computer intended to convey information; transmission of data and information by computer and electronic communication means; provision of telecommunication access to video content provided via the internet; provision of telecommunication access to television programs provided via an on-demand service; provision of telecommunication access to audio content provided via the internet; provision of telecommunication access to video and audio content provided via an online video-on-demand service; provision of telecommunication access to films and television programs provided via a video-on-demand service; broadcasting of audiovisual and multimedia content via the internet; broadcasting of television programs via the internet; broadcasting and transmission of television programs; broadcasting and transmission of radio programs; automatic transfer of digital data using telecommunications channels; broadcasting of video and audio programming over the internet; transmission of information through video communication systems; transmission of information via national and international networks; providing access to global computer networks for the transfer and dissemination of information; radio information services; data transmission; transmission of news and current affairs information; live transmissions accessible via home pages on the internet [webcam]; transfer of data by telecommunications; transmission and reception of database information via telecommunication networks; communication via analogue and digital computer terminals; broadcasting of motion pictures by television; data communication services by means of telecommunications; communication of information by satellite; instant messaging services; delivery of digital audio and/or video by telecommunications; news agency services for telecommunications; providing access to electronic communications networks; services for the electronic transmission of information; electronic transmission of documents; data communications services; data broadcasting services; transmission of information by electronic means; radio communications; provision of access to content, websites and portals; narrowband radio communication services; streaming audio and video material on the internet; provision of access to an internet portal featuring video-on-demand programs; transmission of video data via the internet; transmission of audio data via the internet; providing telecommunication channels for teleshopping services; transmission of information via wireless or cable networks; transferring and disseminating information and data via computer networks and the internet; telecommunication services through platforms and internet portals and by other media: access services to internet portals;

telecommunications services provided via the internet, intranets and extranet; transmission of digital audio and video broadcasts over a global computer network; transmission of user-generated content via the internet; transmission of videos, movies, pictures, images, text, photos, games, user-generated content, audio content, and information via the internet; transmission of multimedia content via the internet; data transmission services; transmission of information online; communication of data by means of radio; transfer of information by radio; transmission of data by radio; transmission of information via radio broadcasts; transfer of data by radio; communication of information by television; providing multiple-user access to a global computer information network for the transfer and dissemination of a wide range of information; audio communications services; videotext services; communication services by cable; transmission of data by cable; cable radio broadcasting; transmission of computerised data by means of television; transmission of data by laser beam; providing on-line electronic bulletin boards for transmission of messages among computer users; provision of telecommunications access to databases and the internet; transmission of sound and vision via satellite or interactive multimedia networks; transmission of sound, picture and data signals; transmission of sound, video and information; electronic messaging; computer communication services; communication by computer; providing access to portals on the internet for the exchange of videos; providing access to databases in computer networks; electronic transmission and retransmission of sounds, images, documents, messages and data; providing access to information via the internet; electronic exchange of messages through chat lines, chat rooms and internet forums; video-on-demand transmission; provision of voice-chat services; providing access to online computer databases; electronic transmission of news; communications services; providing access to gambling and gaming websites on the internet; packet transmission of data and images; provision of access to data or documents stored electronically in central files for remote consultation; access to data or documents stored by electronic means in central files for remote queries; radio broadcasting of information and other programs; broadcasting programs via a global computer network; communications via multinational telecommunication networks; computer transmission of information accessed via a code or a terminal; providing access to MP3 websites on the internet; transmission of sound and images by satellite; electronic news agency services; communications services for the transmission of information; provision of electronic communication links; communication services, namely, electronic transmission of data and documents between users of computers; video communication services; video streaming services; broadcasting of television programs by extraterrestrial satellite; electronic communications services by computer; sending [transmission] of news; communication of information by computer; transmission of information by computer; broadcasting of radio and television programs; transmission of radio and television programs; sending of telegrams; televisual communication services; transmission of sound via interactive multimedia networks; communication services to access a database; broadcasting of teleshopping programmes; operating of electronic communications networks; telecommunications services between computer networks; telecommunication services to facilitate access to databases; telecommunications services provided by means of fiber-optic networks; providing videoconferencing facilities; satellite telecommunications services; satellite communications services; transmission of interactive TV guides; television broadcast on the internet; communication by online blogs; transmission and distribution of data or audiovisual images via a global computer network or the internet; electronic message sending, receiving and forwarding; collection and transmission of electronic messages; providing internet forums; video, audio and television streaming services; video transmission via digital networks; transmission of messages, data and content on the internet and other communication networks; telecommunications services by fiber-optic networks, wireless and cable; **41** education; training; entertainment services; sporting and cultural activities; academies [education]; modeling for artists; <p>Title:</p>	<p>4-AMINO-2-(1H-PYRAZOLO[3,4-B]PYRIDIN-3-YL)-6-OXO-6,7-DIHYDRO-5H-PYRROLO[2,3-D]PYRIMIDINE DERIVATIVES AND THE RESPECTIVE (1H-INDAZOL-3-YL) DERIVATIVES AS CGMP MODULATORS FOR TREATING CARDIOVASCULAR DISEASES</p>
<p>Abstract:</p>	<p>The invention provides compounds of the Formula (I) or a pharmaceutically acceptable salts thereof, wherein X, Y, Z, R¹, R², R⁴, R^a, and the subscripts m, p, and q are as described herein. The compounds or their pharmaceutically acceptable salts can modulate the body's production of cyclic guanosine monophosphate ("cGMP"), and are generally suitable for the therapy and prophylaxis of diseases which are associated with a disturbed cGMP balance, such as cardiovascular disease, endothelial dysfunction, diastolic dysfunction, atherosclerosis, hypertension, heart failure, pulmonary hypertension (WHO groups I, II, III, IV), angina pectoris, thrombosis, restenosis, myocardial infarction, stroke, cardiac insufficiency, fibrosis, pulmonary hypertonia, erectile dysfunction, asthma, acute respiratory distress syndrome (ARDS), chronic kidney disease, cystic fibrosis, sickle cell anemia, scleroderma, Raynaud's Syndrome, diabetes, diabetic retinopathy, cirrhosis of the liver, chronic obstructive pulmonary disease (COPD), acute lung injury, pulmonary fibrosis or interstitial lung disease. The invention also provides pharmaceutical compositions which comprise compounds of Formula (I) or pharmaceutically acceptable salts thereof. The invention also relates to the compounds or their pharmaceutically acceptable salts for use in the therapy and prophylaxis of the abovementioned diseases and for preparing pharmaceuticals for this purpose.</p>
