The mark shall remain valid for a period of ten years until the 27th day of May, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):3.4.1,4,23;29.1.1

THE MARK shown above, Registration No. 11860.15, has been renewed in the name of **Red Bull GmbH, of Am Brunnen 1, A-5330 Fuschl am See, Austria**, as of the 27th day of May, 2025, in respect of **International Class 33** for alcoholic beverages [except beers]; hot and mixed alcoholic drinks; namely, alcoholic energy drinks, mulled wine and mixed drinks containing milk; distilled beverages; pre-mixed alcoholic beverages, other than beer-based; alcoholic beverages containing fruit and alcoholic fruit extracts; wine; cider; spirits [beverages] and liqueurs, namely gin, rum, vodka, whisky, brandy; alcoholic essences and extracts for making beverages; spirit or wine-based cocktails and aperitifs; bitters; **International Class 34** for tobacco; smoking tobacco; snuff and chewing tobacco; cigars; cigarillos and cigarettes; smokers' articles, namely tobacco jars and pouches, cigar and cigarette holders, cigar and cigarette cases, ashtrays for smokers, humidors, pipe racks and cleaners for tobacco pipes, cigar cutters, tobacco pipes, lighters for smokers, pocket machines for rolling cigarettes, cigarette paper; cigarette tips, cigarette filters; matches; electronic cigarettes; **International Class 41** for education, namely, providing, arranging and conducting classes, courses, conferences and workshops in the field of sports, art, culture, entertainment, travel, music and photography; teaching; tuition, namely, tutoring in the field of sports, art, culture, entertainment, travel, music and photography; academies [education]; recreational parks and amusement parks; providing of training, namely practical training [demonstration]; entertainment; presentation of live performances; radio, music, cinema and television entertainment; circuses; sporting and cultural activities, namely, the staging of sports competitions and organizing community sporting and cultural events; training and coaching of sporting teams, in particular in the motorsport; operating racing and sporting teams, in particular in the motorsport sector, namely sports facility services for racing and sport teams, in particular in the motorsport sector; providing sports facilities for racing and sport teams, in particular in the motorsport sector, organization of sports competitions with racing and sport teams, in particular in the motorsport sector; organization of sports competitions with racing and sport teams, in particular in the motorsport sector; night clubs and discotheque services; organization of exhibitions for cultural, sporting or educational purposes; rental of videotapes, motion pictures, games equipment and sound recordings; motion picture film, movie and video film production, other than advertising films; videotaping and microfilming; publication of books, texts [other than publicity texts], electronic books and journals on-line; electronic desktop publishing; providing on-line electronic publications, not downloadable; game services provided on-line from a computer network; providing karaoke services; music composition and production services; layout services, other than for advertising purposes; animal training; health club services [health and fitness training]; lending libraries; operating lotteries; language interpreter services; arranging and conducting of seminars, symposiums, congresses, beauty contests, wrestling contests and concerts; dubbing; gambling; photography; recording studio and television studio services, namely production of television programs; rental of sports grounds and stadium facilities; subtitling; **International Class 43** for services for providing food and drink; bar services; cafes; cafeterias; canteens; snack bars; restaurants; self-service restaurants; food and drink catering; hotels, boarding houses, holiday camp services [lodging], tourist homes and motels; boarding for animals; rental of transportable bars and tents; rental of chairs, tables, table linen, glass ware, cooking apparatus and bar equipment, of which it has been used. The mark shall remain valid for a period of ten years until the 27th day of May, 2035, upon which it can be renewed for further periods of ten years.

KIMPTON

THE MARK shown above, Registration No. 11878.15, has been renewed in the name of **Kimpton Hotel & Restaurant Group, LLC, of Three Ravinia Drive, Suite 100, Atlanta, Georgia 30346-2149, United States of America**, as of the 4th day of June, 2025, in respect of **International Class 35** for advertising consulting; business management advisory services; providing office functions for hotels in the nature of maintaining records of guest stays, records of sales, and records related to incentive and rewards programs; business management of hotels; business administration services for hotels, namely, services for managing guest stays, processing sales, and operating incentive and rewards programs; advertising and publicity services, namely, promotion of goods, services, brand identity, commercial information, and news through print, audio, video, digital, and online media; business advisory and business consultancy services relating to franchising; advertising, marketing, publicity and information services relating thereto, all such services also being provided on line from a computer data base or from the Internet; business administration services for the processing of sales made on the Internet; personnel recruitment, employment and personnel management services; public relations; operation and supervision of loyalty schemes and incentive schemes for commercial and promotional

purposes; business information consultancy services relating to hotel management and to hotel franchising; hotel management services for others; information consultancy relating to all the aforesaid services; incentive programs providing special guest services, amenities and awards to frequent hotel guest members; **International Class 36** for real estate consulting; vacation real estate time share exchange services; **International Class 43** for hotel services, motel services, rental of temporary accommodation; resort hotel services; temporary hotel accommodation services; reservation services for hotel accommodation services and for other accommodation; vacation information and planning relating to accommodation; bar services, cocktail lounge services; cafe services, restaurant and snack bar services; restaurant reservations; catering services for the provision of food and drink; provision of conference, meeting, event, convention and exhibition facilities; hotel check-in and check-out services; providing banquet and social function facilities for special occasions; travel agency services for the reservation of hotel accommodations; electronic information services relating to hotels; hospitality advisory and consultancy services relating to the aforesaid, of which it has been used. The mark shall remain valid for a period of ten years until the 4th day of June, 2035, upon which it can be renewed for further periods of ten years.

PRAVANA

THE MARK shown above, Registration No. 11894.15, has been renewed in the name of **HENKEL CAPITAL, S.A. DE C.V., of Blvd., Magnocentro no. 8 Piso 2, Centro Urbano San Fernando La Herradura, Huixquilucan, Estado de México, 52760 MÉXICO**, as of the 12th day of June, 2025, in respect of **International Class 3** for hair care products, namely, shampoos, mousses, soap, gels, hot oil treatments for dry or brittle hair, hair wax, hair dyes; neutralizers for permanent waving; permanent wave preparations; hair conditioners; cosmetic creams; oil baths for hair care; oils for hair conditioning, of which it has not been used. The market conditions until now have not justified entry into the market but may change in the future. The mark shall remain valid for a period of ten years until the 12th day of June, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.1;29.1.3,4

THE MARK shown above, Registration No. 11950.15, has been renewed in the name of **Claudiel Roustang Galac, of 33 Avenue du Maine, Tour Maine Montparnasse, 75015 Paris, France**, as of the 8th day of July, 2025, in respect of **International Class 29** for meat, fish, poultry and game, not live; meat extracts; charcuterie; crustaceans, not live; preserved, dried, frozen and cooked fruit, mushrooms and vegetables; fruit pulp and fruit salads; vegetable salads; meat, fish, vegetables and fruit, tinned [canned (Am.)]; jams; marmalade; compotes; jellies for food; gelatin for food; pollen prepared as foodstuff; seaweed extracts for food; soya beans preserved for food; protein milk; bouillon; soups; vegetable juices for cooking; eggs for human consumption; milk; butter; cream [dairy products]; yogurt; dairy products excluding ice cream, ice milk and frozen yogurt; drinking yogurts; cheese; cheese and the aforesaid goods for use in cooking and food preparation; melted cheeses; milk beverages, milk predominating; soya milk [milk substitute]; edible oils and fats; cooked dish consisting wholly or substantially of the aforesaid goods; milk-based beverages with high milk content, of which it has not been used. The market conditions until now have not justified entry into the market but may change in the future. The mark shall remain valid for a period of ten years until the 8th day of July, 2035, upon which it can be renewed for further periods of ten years.

TIMBERLAND

THE MARK shown above, Registration No. 11954.15, has been renewed in the name of **TBL Licensing LLC., of 200 Domain Drive, Stratham, New Hampshire 03885, United States of America**, as of the 9th day of July, 2025, in respect of **International Class 14** for clocks, clock cases, hat ornaments of precious metal, jewelry, jewelry cases [caskets], key rings [trinkets or fobs], ornamental pins, tie clips, tie pins, straps for wristwatches, watch bands, watch chains, watch cases, watches, wristwatches, of which it has not been used, due to lack of a suitable distributor in Belize. The mark shall remain valid for a period of ten years until the 9th day of July, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):5.1.4;26.1.15

THE MARK shown above, Registration No. 11955.15, has been renewed in the name of **TBL Licensing LLC., of 200 Domain Drive, Stratham, New Hampshire 03885, United States of America**, as of the 9th day of July, 2025, in respect of **International Class 14** for clocks, clock cases, hat ornaments of precious metal, jewelry, jewelry cases [caskets], key rings [trinkets or fobs], ornamental pins, tie clips, tie pins, straps for wristwatches, watch bands, watch chains, watch cases, watches, wristwatches, of which it has not been used, due to lack of a suitable distributor in Belize. The mark shall remain valid for a period of ten years until the 9th day of July, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.1;27.5.1,4;29.1.4

THE MARK shown above, Registration No. 11956.15, has been renewed in the name of **PepsiCo, Inc., of 700 Anderson Hill Road, Purchase, New York 10577, U.S.A.**, as of the 10th day of July, 2025, in respect of **International Class 28** for toys; apparatus for games, of which it has been used. The mark shall remain valid for a period of ten years until the 10th day of July, 2035, upon which it can be renewed for further periods of ten years.

HUAWEI MATE

THE MARK shown above, Registration No. 12004.15, has been renewed in the name of **Huawei Technologies Co., Ltd., of Administration Building Huawei Technologies Co., Ltd. Bantian, Longgang District, Shenzhen, P.R. Chine**, as of the 31st day of July, 2025, in respect of **International Class 9** for mobile phones; protective covers for mobile phones; fitted plastic films known as skins for covering and protecting electronic apparatus, namely, mobile phones; tablet computers; protective covers for tablet computers; fitted plastic films known as skins for covering and protecting electronic apparatus, namely, tablet computers; smartwatches; wearable activity trackers; loudspeakers; cabinets for loudspeakers; ear phones; headphones; wireless network routers; gateway [telecommunications], of which it has been used. The mark shall remain valid for a period of ten years until the 31st day of July, 2035, upon which it can be renewed for further periods of ten years.

APOTHIC DARK

THE MARK shown above, Registration No. 12033.15, has been renewed in the name of **E. & J. Gallo Winery, of 600 Yosemite Boulevard, Modesto, California 95354, U.S.A.**, as of the 5th day of August, 2025, in respect of **International Class 33** for alcoholic beverages, except beer, of which it has been used. The mark shall remain valid for a period of ten years until the 5th day of August, 2035, upon which it can be renewed for further periods of ten years.

HEWLETT PACKARD

THE MARK shown above, Registration No. 12034.15, has been renewed in the name of **HP Hewlett Packard Group LLC, of 10300 Energy Drive, Spring, Texas 77389, United States of America**, as of the 5th day of August, 2025, in respect of **International Class 9** for computer software [recorded]; computer programs [downloadable software]; data processing apparatus; computers; computer hardware; computer servers; network servers; Internet servers; computer networking hardware and computer communications hardware; computer network hubs, routers, controllers, switches and wireless access points; computer storage hardware; computer storage servers; computer storage area network (SAN) servers; computer network-attached storage (NAS) hardware; computer and communications hardware for storage area networks; disk backup hardware; disk drives; disk drive arrays and enclosures; redundant array of independent disks (RAID) controllers; host bus adapters, namely circuit boards; data storage systems comprising computer hardware, computer peripherals and operating system software; integrated IT systems comprising converged computer, storage and networking hardware and software; modular IT systems comprising data processing apparatus, data storage modules, computer networking modules, power modules and internal computer cooling modules; computer peripherals; digital signage; magnetic tape units for computers; blank tapes for storage of computer data; memory chips; semiconductors, printed circuit boards, integrated circuits; computer operating systems; computer software [recorded] namely, firmware for operating computer hardware and peripherals; computer software [recorded] for use with computer servers, computer networks, computer storage devices, computer device virtualization and for cloud computing; database, data center and data warehouse software; computer software for configuration, provisioning, deployment, control, management and virtualization of computers, computer servers and data storage devices; software for computer network operation, management, automation and virtualization; computer software for software-defined networking; local area network (LAN) operating software; wide area network (WAN) operating software; computer software for connecting disparate computer systems, servers and storage devices; software for cloud infrastructure management and automation; computer software used for running cloud computing based applications; cloud computer software for use in enterprise applications, database management, and electronic storage of data; computer software for monitoring cloud, web and application performance; computer software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT security, IT reporting and forecasting, IT infrastructure fault and performance monitoring; computer software [recorded] for IT service desk and help desk applications; computer software for data protection and data security; computer software for providing security for computers, networks and electronic communications; application and network security software; computer software for monitoring computer network access and activity; computer software for assessing application security; data and document encryption and decryption software; cryptography software; computer user authentication software; software for information security compliance monitoring, reporting and analytics; IT security intelligence and risk management software; data backup, recovery and archiving software; computer software for data deduplication; database management software; computer software used to read and evaluate content located on global computer networks, databases and/or networks; computer software for application and database integration computer search engine software; software for searching databases; computer software for creating searchable databases of information and data; computer data warehouse

operation and automation software; data center operation and automation software; computer software for data transmission, storage, processing and reproduction; computer software for accessing, querying and analyzing information stored in databases and data warehouses; computer software, recorded, for information and knowledge management; business intelligence software; computer software that provides real-time, integrated business management intelligence by combining information from various databases; computer software, recorded, for business and big data analytics; computer software that automates the processing of un-structured, semi-structured and structured information and data stored on computer networks and the Internet; computer software, recorded, for business process insight and project management and e-commerce; customer relationship management (CRM) software; enterprise resource and risk management software; records management software; software development and deployment tools; software development tools for the creation of mobile Internet applications and client interfaces; computer software, recorded, for, application testing and delivery; and for application and device lifecycle management; computer software, recorded, namely, software-defined infrastructure (SDS) software; computer software, recorded, that provides web-based access to applications and services through a web operating system or portal interface; computer software, recorded, to automate and manage utility industry services, operations and billing; computer software, recorded, for managing software licenses; **International Class 16** for printed matter; printed instructional and teaching material (except apparatus); printed matter in the field of computers and information technology; printed brochures about technological developments; printed reference guides, technical bulletins, data sheets and printed product catalogs in the field of computers and information technology; product operating and service guides for computers and computer peripherals; **International Class 35** for advertising; business management consulting services; business consulting services in the field of information technology (IT); business consultation services in the field of business process improvement and outsourcing; business consultation services in the field of enterprise architecture; IT outsourcing services and employment staffing for information technology projects; business process outsourcing; IT strategic planning services; IT asset management services; compilation and systemization of information into computer databases; database management services; online retail store services and ordering services featuring computer hardware, software and peripherals; business services, namely, assisting others in the negotiation and development of business partnerships and business alliances; marketing and promotional program services in the field of information and computer technology; customer relationship management services; electronic commerce services, namely, providing information regarding products and services via communication networks for marketing and providing information to assist in performing electronic business transactions via communications networks; taxonomy services, namely, classification and organization of data for records management purposes; providing a website featuring an online marketplace for sellers and buyers of computer and IT goods and services; business knowledge management services; business data analysis; business management process management and consulting; business consultancy in the field of application delivery management; business marketing consultancy; **International Class 36** for purchase financing and lease financing services; administration of employee benefit plans concerning insurance and finance; administration of employee welfare benefit plans concerning insurance and finance; providing credit card transaction processing services for others; providing insurance claim processing services for others; financial analysis and consultation services for the organization and administration of banking and financial operations; financial asset management; **International Class 37** for installation, maintenance and repair of computers and computer networking and computer telecommunications hardware, of which it has been used. The mark shall remain valid for a period of ten years until the 5th day of August, 2035, upon which it can be renewed for further periods of ten years.

HEWLETT PACKARD

THE MARK shown above, Registration No. 12036.15, has been renewed in the name of **HP Hewlett Packard Group LLC, of 10300 Energy Drive, Spring, Texas 77389, United States of America**, as of the 5th day of August, 2025, in respect of **International Class 38** for telecommunications services, namely, transmission of voice, data, graphics, images, audio and video by means of telecommunications networks, wireless communication networks, and the Internet; providing data transmission services via electronic communications networks; providing secure real time electronic communication over a computer network; providing virtual private network services, namely, private and secure electronic communications over a private or public computer network; consulting in the field of communications and telecommunications; providing online chat rooms, bulletin boards and forums for transmission of messages among users in the fields of computers, software, information technology and general interest; streaming of audio and video material on the Internet; voice over Internet protocol (VOIP) services; file sharing services, namely, electronic transmission of data via global computer networks; providing unified communication services; **International Class 41** for providing educational and training services, namely, conducting classes, workshops, seminars and conferences in the field of computers, software, electronic commerce and information technology; online journals, namely, blogs featuring information in the fields of computers, software, electronic commerce and information technology; **International Class 42** for software as a service [SaaS]; cloud computing services; information technology consultancy services; computer software support and maintenance services; computer systems design and analysis; computer systems integration services; integration of computer systems and software; integration of computer systems and networks; computer system administration for others; rental and leasing of computer hardware and computer peripherals; computer consulting services; computer software consultancy; providing consulting services for others in the design, selection, implementation and use of computer software; consulting services in the field of software as a service; Internet consulting services; consulting in the field of IT and applications transformation, integration, modernization, migration, design, development, implementation, testing, optimization, operation and management; consulting in the field of cloud computing networks and applications; consulting and information services relating to information technology architecture and infrastructure, namely in the field of cloud computing; consultancy and information services relating to technology architecture and infrastructure, namely in the field of data center networks, cloud computing and internet technological research; computer security consultancy; consultancy in the field of computer security and information technology [IT] consulting services; consultancy relating to software and hardware for communication systems; information technology [IT] consultancy, namely, for customer relationship management, finance and administration, human resources, payroll and document processing; technical

consulting in the field of environmental engineering and energy efficiency; scientific and technological services, namely, research and design in the field of computer networking hardware and computer datacenter architecture; technical consulting services in the field of datacenter architecture; providing temporary use of on-line non-downloadable middleware for providing an interface between software applications and operating systems; providing temporary use of on-line non-downloadable cloud computing software for use in database management and electronic storage of data; computer hardware and software design and development; computer programming services; developing driver and operating system software; software application development, modernization and cloud integration; software installation, maintenance and update services; testing, analysis, and evaluation of computers, networks and software to assure compliance with computer industry standards; business technology software development and consultation services; computer programming services for others in the field of software configuration management; computer software development in the field of mobile applications; updating and maintaining cloud-based computer software through on-line updates, enhancements and patches; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer technology support services, namely, help desk services; technical support services, namely, troubleshooting of computer software problems; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; technical support services, namely, migration of datacenter, server and database applications; technical support services, namely, monitoring of computers, network systems, servers and web and database applications, and notification of related events and alerts; technical support services, namely remote real-time computer and network monitoring services; technical support services, namely, remote and on-site infrastructure management services for monitoring, administration, and management of public and private cloud computing IT and application systems; providing website hosting services, website development and customized online web pages for others; consulting services in the field of cloud computing; cloud hosting provider services; hosting software applications for others; cloud hosting of electronic databases; computer services, namely, providing virtual and non-virtual application servers, web servers, file servers, co-location servers, load balancing servers, redundancy servers, media servers and database servers of variable capacity to third party computing and data storage facilities; rental of computer software, hardware and peripherals; leasing of computer hardware, computer software and computer peripherals to others on a subscription or pay-per-use basis; consulting in the field of virtualization technologies for enterprises and businesses; IT programming services, namely, management of hardware, software systems, peripherals and applications for others; cloud computing featuring software for use in database management; computer services, namely, hosting computer databases and computer sites [websites], provisioning computer programs on data networks and information related thereto, administration of user rights in computer networks, maintaining and updating computer software; monitoring of computer systems by remote access; securing electronic data, encrypting electronic data, decrypting electronic data; back-up and replicate services of computer databases for others; computer project management in the field of electronic data processing; cloud computing; configuration and integration of computer networks; design of unified communication services; database development services; data center and data warehouse services, namely, rental of space in a computer colocation facility for containerized data centers of others; database development services; data mining services; electronic data backup services; digital image correction, restoration and enhancement of videos, photographs and documents; data migration services; data encryption and decryption services; cloud computing featuring software for use in database management and data warehousing; electronic data storage; electronic storage of electronic media, namely, images, text, video and audio data; software as a service (SAAS) and platform as a service (PAAS) featuring software for use in database management, for service desk management and for accounting; Internet-based application service provider, namely, hosting, managing, developing, analyzing, and maintaining the code, applications, and software for web sites of others; temporary use of non-downloadable software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT reporting and forecasting, IT infrastructure fault and performance monitoring and Computer technical support services, namely, 24/7 service desk or help desk services for IT infrastructure, operating systems, database systems, and web applications; providing temporary use of non-downloadable software for data protection, data security, and computer application and network security; temporary use of non-downloadable software for information security regulatory compliance; providing temporary use of non-downloadable software for monitoring computer network access and activity; providing temporary use of non-downloadable software for data encryption and decryption, cryptography, computer user authentication, and information security compliance monitoring, reporting and analytics; providing temporary use of non-downloadable software for data backup, recovery, archiving and deduplication; providing temporary use of non-downloadable software for cloud infrastructure management and automation; providing temporary use of non-downloadable software for cloud, web and application performance monitoring; providing temporary use of non-downloadable software for database and database management, data warehouse operation and automation, data center operation and automation, application and database integration, data transmission, storage, processing and reproduction, and for accessing, querying and analyzing information stored in databases and data warehouses; providing temporary use of non-downloadable software for business intelligence, business process insight, data analytics, information management, knowledge management, customer relationship management, and enterprise resource and risk management; providing temporary use of non-downloadable software for storing, managing, tracking, and analyzing business data; providing temporary use of non-downloadable search engine software and software for project and records management; providing temporary use of non-downloadable software for software development, deployment, testing, delivery and application lifecycle management; providing temporary use of non-downloadable software for converged IT systems; providing temporary use of non-downloadable software-defined infrastructure (SDS) software; providing temporary use of non-downloadable software in fields of converged and hyper-converged IT infrastructure; Software as a Service services, namely, hosting cloud and datacenter infrastructure software for use by others for use in database management and application development; providing temporary use of non-downloadable software for automating and managing utility industry services, operations and billing; temporary use of non-downloadable software for managing software licenses, of which it has been used. The mark shall remain valid for a period of ten years until the 5th day of August, 2035, upon which it can be renewed for further periods of ten years.

**CFE(6):26.3.20**

THE MARK shown above, Registration No. 12067.15, has been renewed in the name of **HUAWEI TECHNOLOGIES CO., LTD., of Administration Building Huawei Technologies Co., Ltd. Bantian, Longgang District, Shenzhen, P.R. Chine**, as of the 17th day of August, 2025, in respect of **International Class 9** for chips [integrated circuits] used for communication products; chips [integrated circuits]; integrated circuits; printed circuit boards; printed circuits, of which it has been used. The mark shall remain valid for a period of ten years until the 17th day of August, 2035, upon which it can be renewed for further periods of ten years.

Huawei Kirin

THE MARK shown above, Registration No. 12069.15, has been renewed in the name of **Huawei Technologies Co., Ltd., of Administration Building Huawei Technologies Co., Ltd. Bantian, Longgang District, Shenzhen, P.R. Chine**, as of the 17th day of August, 2025, in respect of **International Class 9** for chips [integrated circuits] used for communication products; chips [integrated circuits]; integrated circuits; printed circuit boards; printed circuits, of which it has been used. The mark shall remain valid for a period of ten years until the 17th day of August, 2035, upon which it can be renewed for further periods of ten years.

**CFE(6):26.4.2**

THE MARK shown above, Registration No. 12211.15, has been renewed in the name of **HP Hewlett Packard Group LLC, of 10300 Energy Drive, Spring, Texas 77389, United States of America**, as of the 14th day of October, 2025, in respect of **International Class 42** for software as a service [SaaS]; cloud computing services; information technology consultancy services; computer software support and maintenance services; computer systems design and analysis; computer systems integration services; integration of computer systems and software; integration of computer systems and networks; computer system administration for others; rental and leasing of computer hardware and computer peripherals; computer consulting services; computer software consultancy; providing consulting services for others in the design, selection, implementation and use of computer software; consulting services in the field of software as a service; Internet consulting services; consulting in the field of IT and applications transformation, integration, modernization, migration, design, development, implementation, testing, optimization, operation and management; consulting in the field of cloud computing networks and applications; consulting and information services relating to information technology architecture and infrastructure, namely in the field of cloud computing; consultancy and information services relating to technology architecture and infrastructure, namely in the field of data center networks, cloud computing and Internet technological research; computer security consultancy; consultancy in the field of computer security and information technology [IT] consulting services; consultancy relating to software and hardware for communication systems; information technology [IT] consultancy, namely, for customer relationship management, finance and administration, human resources, payroll and document processing; technical consulting in the field of environmental engineering and energy efficiency; scientific and technological services, namely, research and design in the field of computer networking hardware and computer datacenter architecture; technical consulting services in the field of datacenter architecture; providing temporary use of online non-downloadable middleware for providing an interface between software applications and operating systems; providing temporary use of on-line non-downloadable cloud computing software for use in database management and electronic storage of data; computer hardware and software design and development; computer programming services; developing driver and operating system software; software application development, modernization and cloud integration; software installation, maintenance and update services; testing, analysis, and evaluation of computers, networks and software to assure compliance with computer industry standards; business technology software development and consultation services; computer programming services for others in the field of software configuration management; computer software development in the field of mobile applications; updating and maintaining cloud-based computer software through on-line updates, enhancements and patches; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer technology support services, namely, help desk services; technical support services, namely, troubleshooting of computer software problems; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; technical support services, namely, migration of datacenter, server and database applications; technical support services, namely, monitoring of computers, network systems, servers and web and database applications, and notification of related events and alerts; technical support services, namely remote real-time computer and network monitoring services; technical support services, namely, remote and on-site infrastructure management services for monitoring, administration, and management of public and private cloud computing IT and application systems; providing website hosting services, website development and customized online web pages for others; consulting services in the field of cloud computing; cloud hosting provider services; hosting software applications for others; cloud hosting of electronic databases; computer services, namely, providing virtual and non virtual application servers, web servers, file servers, co-location servers, load balancing servers, redundancy servers, media servers and database servers of variable capacity to third party computing and data storage facilities; rental of computer software, hardware and peripherals; leasing of computer hardware, computer software and computer peripherals to others on a subscription or pay-per-use basis; consulting in the field of virtualization technologies for enterprises and businesses; IT programming services, namely, management of hardware, software systems, peripherals and applications for others; cloud computing featuring software for use in database management; computer services, namely, hosting computer databases and computer sites [websites], provisioning computer programs on data networks and information related thereto, administration of user rights in

computer networks, maintaining and updating computer software; monitoring of computer systems by remote access; securing electronic data, encrypting electronic data, decrypting electronic data; back-up and replicate services of computer databases for others; computer project management in the field of electronic data processing; cloud computing; configuration and integration of computer networks; design of unified communication services; database development services; data center and data warehouse services, namely, rental of space in a computer colocation facility for containerized data centers of others; database development services; data mining services; electronic data backup services; digital image correction, restoration and enhancement of videos, photographs and documents; data migration services; data encryption and decryption services; cloud computing featuring software for use in database management and data warehousing; electronic data storage; electronic storage of electronic media, namely, images, text, video and audio data; software as a service (SAAS) and platform as a service (PAAS) featuring software or use in database management, for service desk management and for accounting; Internet-based application service provider, namely, hosting, managing, developing, analyzing, and maintaining the code, applications, and software for web sites of others; temporary use of non-downloadable software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT reporting and forecasting, IT infrastructure fault and performance monitoring and computer technical support services, namely, 24/7 service desk or help desk services for IT infrastructure; providing temporary use of non-downloadable software for data protection, data security, and computer application and network security; temporary use of non-downloadable software for information security regulatory compliance; providing temporary use of non-downloadable software for monitoring computer network access and activity; providing temporary use of non-downloadable software for data encryption and decryption, cryptography, computer user authentication, and information security compliance monitoring, reporting and analytics; providing temporary use of non-downloadable software for data backup, recovery, archiving and deduplication; providing temporary use of non-downloadable software for cloud infrastructure management and automation; providing temporary use of non-downloadable software for cloud, web and application performance monitoring; providing temporary use of non-downloadable software for database and database management, data warehouse operation and automation, data center operation and automation, application and database integration, data transmission, storage, processing and reproduction, for accessing, querying and analyzing information stored in databases and data warehouses; providing temporary use of non-downloadable software for business intelligence, business process insight, data analytics, information management, knowledge management, customer relationship management, and enterprise resource and risk management; providing temporary use of non-downloadable software for storing, managing, tracking, and analyzing business data; providing temporary use of non-downloadable search engine software and software for project and records management; providing temporary use of non-downloadable software for software development, deployment, testing, delivery and application lifecycle management; providing temporary use of non-downloadable software for converged IT systems; providing temporary use of non-downloadable software-defined infrastructure (SDS) software; providing temporary use of non-downloadable software in fields of converged and hyper-converged IT infrastructure; software as a service, namely, hosting cloud and datacenter infrastructure software for use by others for use in database management and application development; providing temporary use of non-downloadable software for automating and managing utility industry services, operations and billing; temporary use of non-downloadable software for managing software licenses, of which it has been used. The mark shall remain valid for a period of ten years until the 14th day of October, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.4.2

THE MARK shown above, Registration No. 12212.15, has been renewed in the name of **HP Hewlett Packard Group LLC, of 10300 Energy Drive, Spring, Texas 77389, United States of America**, as of the 14th day of October, 2025, in respect of **International Class 9** for computer software [recorded]; computer programs [downloadable software]; data processing apparatus; computers; computer hardware; computer servers; network servers; Internet servers; computer networking hardware and computer communications hardware; computer network hubs, routers, controllers, switches and wireless access points; computer storage hardware; computer storage servers; computer storage area network (SAN) servers; computer network-attached storage (NAS) hardware; computer and communications hardware for storage area networks; disk backup hardware; disk drives; disk drive arrays and enclosures; redundant array of independent disks (RAID) controllers; host bus adapters, namely circuit boards; data storage systems comprising computer hardware, computer peripherals and operating system software; integrated IT systems comprising converged computer, storage and networking hardware and software; modular IT systems comprising data processing apparatus, data storage modules, computer networking modules, power modules and internal computer cooling modules; computer peripherals; digital signage; magnetic tape units for computers; blank tapes for storage of computer data; memory chips; semiconductors, printed circuit boards, integrated circuits; computer operating systems; computer software [recorded] namely, firmware for operating computer hardware and peripherals; computer software [recorded] for use with computer servers, computer networks, computer storage devices, computer device virtualization and for cloud computing; database, data center and data warehouse software; computer software for configuration, provisioning, deployment, control, management and virtualization of computers, computer servers and data storage devices; software for computer network operation, management, automation and virtualization; computer software for software-defined networking; local area network (LAN) operating software; wide area network (WAN) operating software; computer software for connecting disparate computer systems, servers and storage devices; software for cloud infrastructure management and automation; computer software used for running cloud computing based applications; cloud computer software for use in enterprise applications, database management, and electronic storage of data; computer software for monitoring cloud, web and application performance; computer software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT security, IT reporting and forecasting, IT infrastructure fault and performance monitoring; computer software

[recorded] for IT service desk and help desk applications; computer software for data protection and data security; computer software for providing security for computers, networks and electronic communications; application and network security software; computer software for monitoring computer network access and activity; computer software for assessing application security; data and document encryption and decryption software; cryptography software; computer user authentication software; software for information security compliance monitoring, reporting and analytics; IT security intelligence and risk management software; data backup, recovery and archiving software; computer software for data deduplication; database management software; computer software used to read and evaluate content located on global computer networks, databases and/or networks; computer software for application and database integration computer search engine software; software for searching databases; computer software for creating searchable databases of information and data; computer data warehouse operation and automation software; data center operation and automation software; computer software for data transmission, storage, processing and reproduction; computer software for accessing, querying and analyzing information stored in databases and data warehouses; computer software, recorded, for information and knowledge management; business intelligence software; computer software that provides real-time, integrated business management intelligence by combining information from various databases; computer software, recorded, for business and big data analytics; computer software that automates the processing of un-structured, semi-structured and structured information and data stored on computer networks and the Internet; computer software, recorded, for business process insight and project management and e-commerce; customer relationship management (CRM) software; enterprise resource and risk management software; records management software; software development and deployment tools; software development tools for the creation of mobile Internet applications and client interfaces; computer software, recorded, for, application testing and delivery; and for application and device lifecycle management; computer software, recorded, namely, software-defined infrastructure (SDS) software; computer software, recorded, that provides web-based access to applications and services through a web operating system or portal interface; computer software, recorded, to automate and manage utility industry services, operations and billing; computer software, recorded, for managing software licenses; **International Class 35** for advertising; business management consulting services; business consulting services in the field of information technology (IT); business consultation services in the field of business process improvement and outsourcing; business consultation services in the field of enterprise architecture; IT outsourcing services and employment staffing for information technology projects; business process outsourcing; IT strategic planning services; IT asset management services; compilation and systemization of information into computer databases; database management services; online retail store services and ordering services featuring computer hardware, software and peripherals; business services, namely, assisting others in the negotiation and development of business partnerships and business alliances; marketing and promotional program services in the field of information and computer technology; customer relationship management services; electronic commerce services, namely, providing information regarding products and services via communication networks for marketing and providing information to assist in performing electronic business transactions via communications networks; taxonomy services, namely, classification and organization of data for records management purposes; providing a website featuring an online marketplace for sellers and buyers of computer and IT goods and services; business knowledge management services; business data analysis; business process management and consulting; Business consultancy in the field of application delivery management; business marketing optimization consultancy; **International Class 36** for purchase financing and lease financing services; administration of employee benefit plans concerning insurance and finance; administration of employee welfare benefit plans concerning insurance and finance; providing credit card transaction processing services for others; providing insurance claim processing services for others; financial analysis and consultation services for the organization and administration of banking and financial operations; financial asset management; **International Class 37** for installation, maintenance and repair of computers and computer networking and computer telecommunications hardware **International Class 38** for telecommunications services, namely, transmission of voice, data, graphics, images, audio and video by means of telecommunications networks, wireless communication networks, and the Internet; providing data transmission services via electronic communications networks; providing secure real time electronic communication over a computer network; providing virtual private network services, namely, private and secure electronic communications over a private or public computer network; consulting in the field of communications and telecommunications; providing online chat rooms, bulletin boards and forums for transmission of messages among users in the fields of computers, software, information technology and general interest; streaming of audio and video material on the Internet; voice over Internet protocol (VOIP) services; file sharing services, namely, electronic transmission of data via global computer networks, of which it has been used. The mark shall remain valid for a period of ten years until the 14th day of October, 2035, upon which it can be renewed for further periods of ten years.

The logo for 'TUTAL' is displayed in a bold, italicized, sans-serif font. The letters are black with a white outline, giving it a three-dimensional appearance. The 'T' and 'A' are particularly prominent.

THE MARK shown above, Registration No. 12238.15, has been renewed in the name of **Suzhou Dake Machinery Co., Ltd., of Room 618, Building Number 1, Lucky City Commercial Center, Suzhou Industrial Park, Suzhou City, Jiangsu Province, China**, as of the 28th day of October, 2025, in respect of **International Class 7** for power operated tools and machine tools, namely, drills, screwdrivers, hammers, cutters, saws, sanders, polishers, grinders, wrenches, planers, routers, engraving machines, jointers, hot-air guns, hot glue guns, spray guns for paint, nailing guns, staple guns, drill press, wood lathe, electric hoist, nailing apparatus, stapler machines, chasers [machine tools]; electric kitchen machines, namely, mixers; concrete vibrators; concrete mixer; demolition breaker; plate compactor; power machine for cutting and splitting logs for firewood; woodworking machines; air powered tools, namely, drills, screwdrivers, rivet hammers, saws; air-operated power tools, namely, grease lubricator; air compressors; power lawn and garden tools, namely, blowers, grass trimmers, hedge trimmers, lawn mowers, lawn edgers, shredders, pumps, high pressure washers, vacuum cleaners; agricultural machines; generators of electricity; cutting blow pipes, gas-operated; motors, other than for land vehicles; exhausts for motors and engines; chain block hoists; power-operated lifting and moving equipment, namely, fork lifts; welding machines, electric; power-operated nibblers; power tool accessories, namely, tool bits, drill bits,

drill chucks, router bits, screwdriver bits, saw blades, grinding wheels, polishing pads, abrasive wheels, sanding sheets, cutting discs; power-operated nailing guns; pads for floor polishing machines; **International Class 8** for hand tools and hand instruments, namely, awls, ice picks; hand tools, namely, hand-operated pumps; hand drills [hand tools]; screwdrivers; saws [hand tools]; wrenches [hand tools]; pliers; clamps for carpenters or coopers; hammers [hand tools]; axes; chisels; planers [hand tools]; cutters, namely, cake cutters, callus cutters, glass cutters, pizza cutters; hand-powered tackers; hand-operated staple guns; files [tools]; nippers; punches [hand tools]; riveters [hand tools]; trowels; shovels [hand tools]; hex keys; spanners [hand tools]; crimping irons; lifting jacks, hand-operated; hand tools, namely, jaws puller; tool belts [holders]; agricultural implements, hand-operated; garden tools, namely, cultivators; shears; rakes [hand tools]; lawn clippers [hand instruments]; hand-operated lawn edgers; pruning knives; abrading instruments [hand instruments]; knives, namely, chef knives, fruit knives, bread knives, working knives; sharpening instruments; bits [parts of hand tools]; emery grinding wheels; cutting tool [hand tools]; sanding discs [parts of hand tools]; saw blade [parts of hand tools]; **International Class 9** for weighing apparatus and instruments; scales; measuring apparatus and instruments; measuring tapes; spirit level; laser, not for medical purposes; calipers; digital multimeter; clamp meters for measuring electricity; probes for testing integrated circuits; probes for testing semiconductors; insulated clothing for protection against accident or injury; reflective and illuminated clothing for safety purposes; protective helmets; gloves for protection against accidents; gloves for protection against X-rays for industrial purposes; protective face masks not for medical purposes; respiratory masks, other than for artificial respiration; protective industrial boots; goggles for sports; knee-pads for workers; ear plug for divers; battery packs; battery chargers; cables, electric; wires, electric; switches, electric; transformers [electricity]; electrical plugs and sockets; commutators; relays, electric; electric switch plates; current rectifiers; covers for electric outlet; voltage regulators for vehicles; voltage regulators for electrical equipment; locks, electric, of which it has been used. The mark shall remain valid for a period of ten years until the 28th day of October, 2035, upon which it can be renewed for further periods of ten years.

MONSTER JUICE

THE MARK shown above, Registration No. 12312.15, has been renewed in the name of **Monster Energy Company, of 1 Monster Way, Corona, California 92879, U.S.A.**, as of the 25th day of November, 2025, in respect of **International Class 32** for non-alcoholic beverages; beer, of which it has not been used. Prevailing market conditions have not justified entry into the market but may change in the future. The mark shall remain valid for a period of ten years until the 25th day of November, 2035, upon which it can be renewed for further periods of ten years.

**Hewlett Packard
Enterprise**

CFE(6):26.4.2

THE MARK shown above, Registration No. 12317.15, has been renewed in the name of **HP Hewlett Packard Group LLC, of 10300 Energy Drive, Spring, Texas 77389, United States of America**, as of the 30th day of November, 2025, in respect of **International Class 9** for computer software [recorded]; computer programs [downloadable software]; data processing apparatus; computers; computer hardware; computer servers; network servers; Internet servers; computer networking hardware and computer communications hardware; computer network hubs, routers, controllers, switches and wireless access points; computer storage hardware; computer storage servers; computer storage area network (SAN) servers; computer network-attached storage (NAS) hardware; computer and communications hardware for storage area networks; disk backup hardware; disk drives; disk drive arrays and enclosures; redundant array of independent disks (RAID) controllers; host bus adapters, namely circuit boards; data storage systems comprising computer hardware, computer peripherals and operating system software; integrated IT systems comprising converged computer, storage and networking hardware and software; modular IT systems comprising data processing apparatus, data storage modules, computer networking modules, power modules and internal computer cooling modules; computer peripherals; digital signage; magnetic tape units for computers; blank tapes for storage of computer data; memory chips; semiconductors, printed circuit boards, integrated circuits; computer operating systems; computer software [recorded] namely, firmware for operating computer hardware and peripherals; computer software [recorded] for use with computer servers, computer networks, computer storage devices, computer device virtualization and for cloud computing: database, data center and data warehouse software; computer software for configuration, provisioning, deployment, control, management and virtualization of computers, computer servers and data storage devices; software for computer network operation, management, automation and virtualization; computer software for software-defined networking; local area network (LAN) operating software; wide area network (WAN) operating software; computer software for connecting disparate computer systems, servers and storage devices; software for cloud infrastructure management and automation; computer software used for running cloud computing based applications; cloud computer software for use in enterprise applications, database management, and electronic storage of data; computer software for monitoring cloud, web and application performance; computer software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT security, IT reporting and forecasting, IT infrastructure fault and performance monitoring; computer software [recorded] for IT service desk and help desk applications; computer software for data protection and data security; computer software for providing security for computers, networks and electronic communications; application and network security software; computer software for monitoring computer network access and activity; computer software for assessing application security; data and document encryption and decryption software; cryptography software; computer user authentication software; software for information security compliance monitoring, reporting and analytics; IT security intelligence and risk management software; data backup, recovery and archiving software; computer software for data deduplication; database management software; computer software used to read and evaluate content located on global

computer networks, databases and/or networks; computer software for application and database integration; computer search engine software; software for searching databases; computer software for creating searchable databases of information and data; computer data warehouse operation and automation software; data center operation and automation software; computer software for data transmission, storage, processing and reproduction; computer software for accessing, querying and analyzing information stored in databases and data warehouses; Computer software, recorded, for information and knowledge management; business intelligence software; computer software that provides real-time, integrated business management intelligence by combining information from various databases; computer software, recorded, for business and big data analytics; computer software that automates the processing of un-structured, semi-structured and structured information and data stored on computer networks and the Internet; computer software, recorded, for business process insight and project management and e-commerce: customer relationship management (CRM) software; enterprise resource and risk management software; records management software; software development and deployment tools; software development tools for the creation of mobile Internet applications and client interfaces; computer software, recorded, for, application testing and delivery; and for application and device lifecycle management; Computer software, recorded, namely, software-defined infrastructure (SDS) software; computer software, recorded, that provides web-based access to applications and services through a web operating system or portal interface; computer software, recorded, to automate and manage utility industry services, operations and billing; computer software, recorded, for managing software licenses; **International Class 16** for printed matter; printed instructional, educational, and teaching materials in the field of computer software and hardware, information technology and technological developments; printed matter in the field of computers and information technology; printed brochures about technological developments; printed reference guides, technical bulletins, data sheets and printed product catalogs in the field of computers and information technology; product operating and service guides for computers and computer peripherals; **International Class 35** for advertising; business management consulting services; business consulting services in the field of information technology IT); business consultation services in the field of business process improvement and outsourcing; business consultation services in the field of enterprise architecture; IT outsourcing services and employment staffing for information technology projects; business process outsourcing; IT strategic planning services; IT asset management services; compilation and systemization of information into computer databases; database management services; online retail store services and ordering services featuring computer hardware, software and peripherals; business services, namely, assisting others in the negotiation and development of business partnerships and business alliances; marketing and promotional program services in the field of information and computer technology; customer relationship management services; electronic commerce services, namely, providing information regarding products and services via communication networks for marketing and providing information to assist in performing electronic business transactions via communications networks; taxonomy services, namely, classification and organization of data for records management purposes; providing a website featuring an online marketplace for sellers and buyers of computer and IT goods and services; business knowledge management services; business data analysis; business process management and consulting; business consultancy in the field of application delivery management; business marketing optimization consultancy; **International Class 36** for purchase financing and lease financing services; administration of employee benefit plans concerning insurance and finance; administration of employee welfare benefit plans concerning insurance and finance; providing credit card transaction processing services for others; providing insurance claim processing services for others; financial analysis and consultation services for the organization and administration of banking and financial operations; financial asset management; **International Class 37** for installation, maintenance and repair of computers and computer networking and computer telecommunications hardware, of which it has been used. The mark shall remain valid for a period of ten years until the 30th day of November, 2035, upon which it can be renewed for further periods of ten years.

**Hewlett Packard
Enterprise**

CFE(6):26.4.2

THE MARK shown above, Registration No. 12318.15, has been renewed in the name of **HP Hewlett Packard Group LLC, of 10300 Energy Drive, Spring, Texas 77389, United States of America**, as of the 30th day of November, 2025, in respect of **International Class 38** for telecommunications services, namely, transmission of voice, data, graphics, images, audio and video by means of telecommunications networks, wireless communication networks, and the Internet; providing data transmission services via electronic communications networks; providing secure real time electronic communication over a computer network; providing virtual private network services, namely, private and secure electronic communications over a private or public computer network; consulting in the field of communications and telecommunications; providing online chat rooms, bulletin boards and forums for transmission of messages among users in the fields of computers, software, information technology and general interest; streaming of audio and video material on the Internet; voice over Internet protocol (VOIP) services; file sharing services, namely, electronic transmission of data via global computer networks; providing unified communication services; **International Class 41** for providing educational and training services, namely, conducting classes, workshops, seminars and conferences in the field of computers, software, electronic commerce and information technology; online journals, namely, blogs featuring information in the fields of computers, software, electronic commerce and information technology; **International Class 42** for software as a service [SaaS]; cloud computing services; information technology consultancy services; computer software support and maintenance services; computer systems design and analysis; computer systems integration services; integration of computer systems and software; integration of computer systems and networks; computer system administration for others; rental and leasing of computer hardware and computer peripherals; computer consulting services; computer software consultancy; providing consulting services for others in the design, selection, implementation and use of computer software; consulting services in the field of software as a service; Internet consulting services; consulting in the field of IT and applications transformation, integration, modernization, migration, design, development, implementation, testing, optimization, operation and management; consulting in the field of cloud computing networks and applications; consulting and

information services relating to information technology architecture and infrastructure, namely in the field of cloud computing; consultancy and information services relating to technology architecture and infrastructure, namely in the field of data center networks, cloud computing and Internet technological research; computer security consultancy; consultancy in the field of computer security and information technology [IT] consulting services; Consulting in the field of IT mobility and workplace services, namely, business efficiency services and risk management services; consultancy relating to software and hardware for communication systems; information technology [IT] consultancy, namely, for customer relationship management, finance and administration, human resources, payroll and document processing; technical consulting in the field of environmental engineering and energy efficiency; scientific and technological services, namely, research and design in the field of computer networking hardware and computer datacenter architecture; technical consulting services in the field of datacenter architecture; providing temporary use of online non-downloadable middleware for providing an interface between software applications and operating systems; providing temporary use of on-line non-downloadable cloud computing software for use in database management and electronic storage of data; computer hardware and software design and development; computer programming services; developing driver and operating system software; software application development, modernization and cloud integration; software installation, maintenance and update services; testing, analysis, and evaluation of computers, networks and software to assure compliance with computer industry standards; business technology software development and consultation services; computer programming services for others in the field of software configuration management; computer software development in the field of mobile applications; updating and maintaining cloud-based computer software through on-line updates, enhancements and patches; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer technology support services, namely, help desk services; technical support services, namely, troubleshooting of computer software problems; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; technical support services, namely, migration of datacenter, server and database applications; technical support services, namely, monitoring of computers, network systems, servers and web and database applications, and notification of related events and alerts; technical support services, namely remote real-time computer and network monitoring services; technical support services, namely, remote and on-site infrastructure management services for monitoring, administration, and management of public and private cloud computing IT and application systems; providing website hosting services, website development and customized online web pages for others; consulting services in the field of cloud computing; cloud hosting provider services; hosting software applications for others; cloud hosting of electronic databases; computer services, namely, providing virtual and non virtual application servers, web servers, file servers, co-location servers, load balancing servers, redundancy servers, media servers and database servers of variable capacity to third party computing and data storage facilities; rental of computer software, hardware and peripherals leasing of computer hardware, computer software and computer peripherals to others on a subscription or pay-per-use basis; consulting in the field of virtualization technologies for enterprises and businesses; IT programming services, namely, management of hardware, software systems, peripherals and applications for others; Cloud computing featuring software for use in database management; computer services, namely, hosting computer databases and computer sites [websites], provisioning computer programs on data networks and information related thereto, administration of user rights in computer networks, maintaining and updating computer software; securing electronic data, encrypting electronic data, decrypting electronic data; back-up and replicate services of computer databases for others; computer project management in the field of electronic data processing; cloud computing; configuration and integration of computer networks; design of unified communication services; data center and data warehouse services, namely, rental of space in a computer colocation facility for containerized data centers of others; database development services; data mining services; electronic data backup services; digital image correction, restoration and enhancement of videos, photographs and documents; data migration services; data encryption and decryption services; cloud computing featuring software for use in database management and data warehousing; electronic data storage; electronic storage of electronic media, namely, images, text, video and audio data; software as a service (SAAS) and platform as a service (PAAS) featuring software for use in database management, for service desk management and for accounting; Internet-based application service provider, namely, hosting, managing, developing, analyzing, and maintaining the code, applications, and software for web sites of others; providing temporary use of non-downloadable software for virtualizing and managing computers, computer hardware and software, servers and computer networks; providing temporary use of non-downloadable software for computer and network operation, management, automation, virtualization, configuration, provisioning, deployment, and control; temporary use of non-downloadable software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT security, IT reporting and forecasting, IT infrastructure fault and performance monitoring, and Computer technical support services, namely, 24/7 service desk or help desk services for IT infrastructure, operating systems, database systems, and web applications; providing temporary use of non-downloadable software for data protection, data security, and computer application and network security; temporary use of non-downloadable software for information security regulatory compliance; providing temporary use of non-downloadable software for monitoring computer network access and activity; providing temporary use of non-downloadable software for data encryption and decryption, cryptography, computer user authentication, and information security compliance monitoring, reporting and analytics; providing temporary use of non-downloadable software for data backup, recovery, archiving and deduplication; providing temporary use of non-downloadable software for cloud infrastructure management and automation; providing temporary use of non-downloadable software for cloud, web and application performance monitoring; providing temporary use of non-downloadable software for database and database management, data warehouse operation and automation, data center operation and automation, application and database integration, data transmission, storage, processing and reproduction, and for accessing, querying and analyzing information stored in databases and data warehouses; providing temporary use of non-downloadable software for business intelligence, business process insight, data analytics, information management, knowledge management, customer relationship management, and enterprise resource and risk management; providing temporary use of non-downloadable software for storing, managing, tracking, and analyzing business data; providing temporary use of non-downloadable search engine software and software for project and records management; providing temporary use of non-downloadable software for software development, deployment, testing, delivery and application lifecycle management; providing temporary use of non-downloadable software for converged IT

systems; providing temporary use of non-downloadable software-defined infrastructure (SDS) software; providing temporary use of non-downloadable software in fields of converged and hyper-converged IT infrastructure; Software as a Service services, namely, hosting cloud and datacenter infrastructure software for use by others for use in database management and application development; providing temporary use of non-downloadable software for automating and managing utility industry services, operations and billing; temporary use of non-downloadable software for managing software licenses, of which it has been used. The mark shall remain valid for a period of ten years until the 30th day of November, 2035, upon which it can be renewed for further periods of ten years.

(2nd ISSUES)

The below marks shall remain valid for a period of ten years, upon which they can be renewed for further periods of ten years. (1st publication – 31st July 2025)

CFE(6):2.1.5

THE MARK shown above, Registration No. 2971.05, has been renewed in the name of **Diageo Brands B.V., of Molenwerf 10-12, 1014 BG Amsterdam, The Netherlands**, as of the 14th day of March, 2025, in respect of **International Class 18** for articles included in Class 18 made of leather or imitation leather; travelling bags; backpacks (for climbers), umbrellas, duffel bags, bootbags, holdalls; wallets; bags; belts; purses; credit card holders; parts and fittings for all the aforesaid goods; **International Class 25** for clothing, footwear and headgear, of which it has been used. The mark shall remain valid for a period of ten years until the 14th day of March, 2035, upon which it can be renewed for further periods of ten years.

GO AGAINST THE GRAIN

THE MARK shown above, Registration No. 3025.05, has been renewed in the name of **DIAGEO BRANDS B.V., of Molenwerf 10-12, 1014 BG Amsterdam, The Netherlands**, as of the 4th day of April, 2025, in respect of **International Class 33** for alcoholic beverages, of which it has been used. The mark shall remain valid for a period of ten years until the 4th day of April, 2035, upon which it can be renewed for further periods of ten years.

JOHNNIE WALKER

THE MARK shown above, Registration No. 3030.05, has been renewed in the name of **DIAGEO BRANDS B.V., of Molenwerf 10-12, 1014 BG Amsterdam, The Netherlands**, as of the 11th day of April, 2025, in respect of **International Class 18** for articles included in Class 18 made of leather or imitation leather; travelling bags; backpacks (for climbers), umbrellas, duffel bags, bootbags, holdalls; wallets; bags; belts; purses; credit card holders; parts and fittings for all the aforesaid goods; **International Class 25** for clothing; footwear and headgear, of which it has been used. The mark shall remain valid for a period of ten years until the 11th day of April, 2035, upon which it can be renewed for further periods of ten years.

KEEP WALKING

THE MARK shown above, Registration No. 3031.05, has been renewed in the name of **Diageo Brands B.V., of Molenwerf 10-12, 1014 BG Amsterdam, The Netherlands**, as of the 11th day of April, 2025, in respect of **International Class 33** for alcoholic beverages, of which it has been used. The mark shall remain valid for a period of ten years until the 11th day of April, 2035, upon which it can be renewed for further periods of ten years.

SWISS ARMY

THE MARK shown above, Registration No. 3047.05, has been renewed in the name of **Swiss Army Brand Ltd., of 7 Victoria Drive, Monroe, CT 06468-1212, U.S.A.**, as of the 15th day of April, 2025, in respect of **International Class 14** for precious metals and their alloys and goods in precious metals or coated therewith, not included in other classes; jewellery, precious stones; horological and chronometric instruments, of which it has been used. The mark shall remain valid for a period of ten years until the 15th day of April, 2035, upon which it can be renewed for further periods of ten years.

ENERGIZER

THE MARK shown above, Registration No. 3053.05, has been renewed in the name of **Energizer Brands, LLC, of 8235 Forsyth Blvd., Clayton, MO 63105, United States of America**, as of the 20th day of April, 2025, in respect of **International Class 9** for rechargeable batteries, battery charges and uninterruptible power supplies (UPS), of which it has been used. The mark shall remain valid for a period of ten years until the 20th day of April, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):23.3.2;27.5.17
