THE MARK shown above, Registration No. 10357.13, has been renewed in the name of **AENA, S.M.E.,S.A., of Calle Peonías, 12, Madrid Spain**, as of the 6th day of December, 2023, in respect of **International Class 39** for air transport; freighting; packaging and storage of goods; travel arrangement; travel reservation, of which it has not been used. The market conditions until now have not justified entry into the market but may change in the future. The mark shall remain valid for a period of ten years until the 6th day of December, 2033, upon which it can be renewed for further periods of ten years.

LTH

THE MARK shown above, Registration No. 10493.14, has been renewed in the name of **CPS Technology Holdings LLC, of 250 Vesey Street, 15th Floor, New York, New York 10281, U.S.A.**, as of the 16th day of January, 2024, in respect of **International Class 9** for electric batteries for vehicles, electric batteries, electric accumulators, batteries for vehicles; electric storage batteries; of which it has been used. The mark shall remain valid for a period of ten years until the 16th day of January, 2034, upon which it can be renewed for further periods of ten years.

TOUCH ID

THE MARK shown above, Registration No. 10510.14, has been renewed in the name of **APPLE INC., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 28th day of January, 2024, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines including slot machines or video lottery terminals; hand held computers; tablet computers; personal digital assistants; electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, audio mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio electronic components, namely, surround sound systems; modems; network communication apparatus; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers [tv sets]; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, audio, video, and other multimedia content, electronic publications, and electronic games; computer software for use in recording, organizing, transmitting, manipulating, and reviewing text, data, audio files, video files and electronic games in connection with computers, televisions, television set-top boxes, audio players, video players, media players, telephones, and handheld digital electronic devices; computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals, and other publications; database management software; software for optical character recognitions; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; electronic bulletin boards; data synchronization software; application development software; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers,

docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia functions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped to contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; biometric identification apparatus; **International Class 35** for business administration management; business consulting services; providing office functions namely, photocopying services; rental of photocopying machines; secretarial services; business services, namely, computerized database and file management; data processing services; advertising agency services; advertising, marketing, and promotion services; advertising and marketing consultation; promoting the goods and services of others; conducting market research; analysis of advertising response and market research; design, creation, preparation, production, and dissemination of advertisements and advertising material for others; media planning services; administration of consumer loyalty programs; providing incentive award programs for customers through the issuance and processing of loyalty coupons for frequent use of participating businesses; providing incentive award programs through issuance and processing of loyalty points for purchase of a company's goods and services; contests and incentive award programs to promote the sale of products and services of others; providing business, consumer, and commercial information over computer networks and global communication networks; business services, namely, providing computer databases regarding the purchase and sale of a wide variety of products and services of others; retail store services; retail store services in the field of books, magazines, periodicals, newsletters, journals and other publications on a wide range of topics of general interest; retail store services in the field of entertainment featuring movies, television programs, cultural events, sporting events, electronic games, computer software applications, musical works, and audio and audiovisual works; retail store services featuring computers, consumer electronics, telecommunications apparatus, mobile phones, handheld digital electronic devices, computer software, and accessories, peripherals, and carrying cases for such products; product demonstrations; subscription services; namely, providing subscriptions to text, data, graphics, images, audio content, video content, electronic publications, computer software applications, electronic games, and other multimedia content, provided via the internet and other electronic and communications networks; arranging and conducting of commercial, trade, and business conferences, shows, and exhibitions; information, advisory and consultancy services relating to all the aforesaid, of which it has been used. The mark shall remain valid for a period of ten years until the 28th day of January, 2034, upon which it can be renewed for further periods of ten years.

Kaeser

THE MARK shown above, Registration No. 10631.14, has been renewed in the name of **KAESER KOMPRESSOREN SE., of Carl-Kaeser-Str. 26, 96450 Coburg, Germany**, as of the 20th day of March, 2024, in respect of **International Class 4** for oils for technical purposes, namely compressor oil, engine oil, heavy oil, penetrating oil, motor oil, industrial oil, lubricating oil, moistening oil, combustible oil, crank case oil, oils for blowers and vacuum pumps; **International Class 6** for pipes of metal; high-pressure pipelines of metal compressed air ducts of metal for ventilating and air conditioning installations; collars of metal for fastening pipes; junctions of metal for pipes; elbows of metal for pipes; branching pipes of metal; fittings of metal for compressed air ducts; containers of metal for air, compressed gas or liquid air; all aforesaid goods exclusively for and/or in connection with compressed air generation, compressed air distribution and compressed air treatment; parts of all the aforesaid goods, included in class 06; **International Class 7** for compressors for machines namely, reciprocating compressors and screw compressors; blowing machines; air suction machines; vacuum pumps being machines; compressed air machines; filters being parts of machines, motors or engines; air filters for motors and/or compressors; condensate separators being parts of machines; air condensers; oil separators being parts of machines, including de-oilers for separating oil from air; pressure regulators being parts of machines; valves being parts of machines, including pressure valves; pressure reduction valves being parts of machines; pneumatic controls for machines and motors; generators of electricity; superchargers; turbo compressors; machine parts for compressors, namely, safety valves and regulating valves; machine parts for compressors, machines and motors consisting of compressed air reservoirs; control and regulating devices for compressors, namely pneumatic, hydraulic and mechanical regulators, all being parts of machines for compressors, blowers or vacuum pumps, pneumatic controls for machines, motors and engines; **International Class 9** for programmable electronic controllers for compressors, blowers, vacuum pumps and air treatment devices; electric installations for the remote control of industrial operations; electric regulating apparatus; pressure measuring apparatus, data processing equipment; recorded computer programs; recorded computer operating programs; transmitters of electronic signals; electric sensors; pressure sensors; apparatus for recording or transmission of sound or images; **International Class 11** for air dryers; air dryers, compressed air dryers; desiccant apparatus; refrigeration dryers; membrane dryers; condensate drains; air filters for air conditioning; air filters for industrial installations and domestic use; air filters for air conditioning; air filtering installations; regulating and safety accessories for gas devices; regulating and safety accessories for gas devices, of which it has been used. The mark shall remain valid for a period of ten years until the 20th day of March, 2034, upon which it can be renewed for further periods of ten years.

IPOD TOUCH

THE MARK shown above, Registration No. 10719.14, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 8th day of April, 2024, in respect of **International Class 9** for computers, computer

peripheral devices, computer terminals; computer hardware; computer game software for gaming machines including slot machines or video lottery terminals, microprocessors, memory boards, computer monitors; electronic display interfaces; cables, electric; computer printers; disk drives for computers; adapters [electricity]; computers card adapters; connectors [electricity]; computer networking hardware; apparatus for data storage; hard drives; miniature hard disk drive storage units; audio video discs, CD-ROMs, and digital versatile discs; blank computer storage media; magnetic data carriers; chips, discs and tapes bearing or for recording computer programs and software; random access memory, read only memory; solid state memory apparatus; mouse pads; facsimile machines, answering machines; cameras, video cameras; batteries; battery chargers; MP3 and other digital format audio players; handheld computers, tablet computers, personal digital assistants, electronic organizers, electronic notepads; handheld electronic game units adapted for use with an external display screen or monitor; handheld digital electronic devices and software related thereto; handheld and mobile digital electronic devices for the sending and receiving of telephone calls, faxes, electronic mail, and other digital data; handheld mobile digital electronic devices for recording, organizing, transmitting, manipulating, and reviewing text, data, image, audio, and audiovisual files, for the sending and receiving of telephone calls, electronic mail, and other digital data, for use as a digital format audio player, handheld computer, personal digital assistant, electronic organizer, electronic notepad, camera, and global positioning system (GPS) electronic navigation device; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; telephone-based information retrieval software and hardware; satellite navigational systems, namely global positioning systems (GPS); electronic navigational devices, namely, global positioning satellite (GPS) based navigation receivers; telephones, mobile telephones, video phones; parts and accessories for mobile telephones; digital voice recorders; wireless communication devices for voice, data or image transmission; earphones, headphones; audio speakers; sound recording and reproducing apparatus, amplifiers, electric phonographs, record players, personal stereo, tape recorders and sound reproducing apparatus, microphones; digital audio and video recorders and players; audio cassette recorders and players, video cassette recorders and players, compact disc recorders and players, digital versatile disc recorders and players, digital audio tape recorders and players; radio; radio transmitters and receivers; audio mixers; radios; televisions; television monitors; video monitors; video viewers, namely, video monitors for mobile phones, handheld computers, and portable and handheld digital electronic devices; television set top boxes; power adapters; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; devices for hands-free use of mobile phones; power adaptors for the aforementioned goods; remote control apparatus; computer software, recorded; downloadable electronic data files and databases, namely, business and tax forms, for use with computer software; children's educational software; home and office automation systems comprising wireless and wired controllers, controlled devices, security, safety and other home and office monitoring and control applications; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, graphics, images, audio, video, and multimedia content, and electronic publications; computer software for personal information management; computer software and firmware for operating system programs; data synchronization cables; software for optical character recognition; speech recognition software; telephony management software; software for ensuring the security electronic mail; computer game software for use on mobile and cellular phones; computer software for accessing, browsing and searching online databases; computer software for the redirection of messages, internet e-mail, and/or other data to one or more electronic handheld devices from a data store on or associated with a personal computer or a server; computer software for the synchronization of data between a remote station or device and a fixed or remote station or device; computer and electronic game software; downloadable audio and video files, movies, ring tones, video games, television programs, pod casts and audio books via the internet and wireless devices featuring music, movies, videos, television, celebrities, sports, news, history, science, politics, comedy, children's entertainment, animation, culture, current events and topics of general interest; downloadable electronic publications; fonts, typefaces, type designs and symbols in the form of recorded data; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electronic apparatus with multimedia functions for use with all of the aforementioned goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; a full line of accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; stands, covers, cases, bags and holsters adapted or shaped to contain all of the aforesaid goods, of which it has been used. The mark shall remain valid for a period of ten years until the 8th day of April, 2034, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.1;26.11.3,12

THE MARK shown above, Registration No. 10720.14, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 8th day of April, 2024, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals; hand held computers; tablet computers; personal digital assistants; electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units

for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; sound recording and reproducing apparatus; business services, namely, providing computer databases regarding the purchase and sale of a wide variety of products and services of others; retail department store and online retail department store; retail store services in the field of books, magazines, periodicals, newsletters, journals and other publications on a wide range of topics of general interest; retail store services in the field of entertainment featuring movies, television programs, cultural events, sporting events, electronic games, computer software applications, musical works, and audio and audiovisual works; retail store services featuring computers, consumer electronics, telecommunications apparatus, mobile phones, handheld digital electronic devices, computer software, and accessories, peripherals, and carrying cases for such products; product demonstrations; subscription services, namely, providing subscriptions to text, data, graphics, images, audio content, video content, electronic publications, computer software applications, electronic games, and other multimedia content, provided via the internet and other electronic and communications networks; arranging and conducting of commercial, trade, and business conferences, shows, and exhibitions; information, advisory and consultancy services relating to all the aforesaid, of which it has been used. The mark shall remain valid for a period of ten years until the 8th day of April, 2034, upon which it can be renewed for further periods of ten years.

MAGIC MOUSE

THE MARK shown above, Registration No. 10721.14, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 8th day of April, 2024, in respect of **International Class 9** for computer mice, of which it has been used. The mark shall remain valid for a period of ten years until the 8th day of April, 2034, upon which it can be renewed for further periods of ten years.

DESIGNED BY APPLE IN CALIFORNIA

THE MARK shown above, Registration No. 10726.14, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 10th day of April, 2024, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals; hand held computers; tablet computers; personal digital assistants; electronic personal organizers; electronic notepads; electronic book readers; handheld digital electronic devices and software related thereto; handheld mobile digital electronic devices capable of providing access to the Internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, video, and digital mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio electronic components, namely, surround sound system; modems; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of computer data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, audio, video, and other multimedia content, electronic publications, and electronic games; computer software for use in recording, organizing, transmitting, manipulating, and reviewing text, data, audio files, video files and electronic games in connection with computers, televisions, television set-top boxes, audio players, video players, media players, telephones, and handheld digital electronic devices; computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals, and other publications; computer application software for mobile phones, handheld computers, portable media players, namely, software for use in database management; software for optical character recognition; voice recognition software; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; data synchronization cables; computer software, namely, software development tools for the creation of mobile internet applications and client interfaces; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia junctions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped to contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life-saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; nautical, surveying, optical, weighing, measuring apparatus and instrument, drying apparatus for photographic prints for transmitting and receiving and recording sound and images; downloadable audio and video recording; apparatus for editing cinematographic films, technical measuring, testing and checking apparatus and instruments for

measuring, testing and checking the temperature, pressure, quantity and concentration of gas and liquids; apparatus and instrument conveying, distributing, transforming, storing, regulating or controlling electric current; apparatus for the recording, transmission and reproduction of sound and images; magnetic data carriers; compact disc [audio-video]; calculating machines, data processing equipment; fire-extinguishing apparatus; apparatus, instruments and materials featuring music, comedy, drama, action, adventure and/or animation; computer terminals, communications software for connecting computer network users; answering machines, computer telephony software [enables telephone activities to be performed through a computer]; power adapters, adapters[electricity]; blank computer storage media; fonts, typefaces, type designs and symbols in the form of recorded data; Dynamic Random Access Memory (Dram); computer memory devices; apparatus; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; computer software and computer hardware apparatus with multimedia and interactive functions; microprocessors, memory boards, modems, videophones, memory boards, computer monitors, display screens, keyboards, document printers, drives for computers; central processing units (CPU) [computer hardware]; circuit boards; blank magnetic and optical disks; blank tapes for storage of computer data; computer memory devices; blank computer storage media; solid state drives; hard disk drives; miniature hard disk drive storage units; digital media, namely, pre-recorded video cassettes, digital video discs, digital versatile discs, downloadable audio and video recordings, DVDs and high definition digital discs featuring multimedia content; audio tapes for sale with booklets; apparatus for recording and reproducing sound, images, data; CD Ram drives; digital versatile discs; mouse pads; batteries; rechargeable batteries; chargers; chargers for electric batteries; stereo headphones; in-ear headphones; stereo speakers; audio speakers for home; audio speakers; personal stereo speaker apparatus; radio receivers, amplifiers, electric phonographs, record players, high fidelity stereo apparatus, tape recorders and sound reproducing apparatus, loudspeakers, multiple speaker units, microphones; digital audio and video players with multimedia and interactive functions; accessories, parts, fittings, and testing apparatus for all the aforementioned goods; digital audio tape player or digital audio tape recorders; global positing systems; navigation apparatus for vehicles (on board computers); video cameras; bags and cases adapted or shaped to contain cameras and/or video cameras; telephones; cordless telephones; mobile telephones; parts and accessories for mobile telephones; mobile telephone covers; mobile telephone cases; mobile telephone cases made of leather or imitations of leather; mobile telephone covers made of cloth or textile materials; portable digital electronic devices for data processing, information processing, storing and displaying data, transmitting and receiving data, transmission of data between computers, and software related thereto; handheld digital electronic devices for data processing, information processing, storing and displaying data, transmitting and receiving data, transmission of data between computers, and software related thereto; digital music and/or video players; handheld and mobile digital electronic devices for the sending and receiving of telephone calls, faxes, electronic mail, video, instant messaging, music, audiovisual and other multimedia works, and other digital data; handheld and mobile digital electronic devices for the sending and receiving telephone calls, faxes, electronic mail, and other digital media; bags and cases adapted or shaped to contain digital music and/or video players, hand held computers, personal digital assistants, electronic organizers and electronic notepads; holders, straps, armbands, lanyards and clips for portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating, and reviewing text, data, audio, image and video files; computer operating programs; pre-recorded computer programs for personal information management, database management software, character recognition software, telephony management software, paging software, mobile telephone software; database synchronization software, computer programs for accessing, browsing and searching online databases, computer software for use in connection with online music subscription service, software that enables users to play and program music and entertainment-related audio, video, text and multi-media content, software featuring musical sound recordings, entertainment-related audio, video, text and multi-media content, computer software and firmware for operating system programs, data synchronization programs, and application development tool programs for personal and handheld computers; computer software for authoring, downloading, transmitting, receiving, editing, extracting, encoding, decoding, displaying, storing and organizing text, graphics, images, and electronic publications; downloadable electronic publications in the nature of books, plays, pamphlets, brochures, newsletters, journals, magazines, and periodicals on a wide range of topics of general interest; computer hardware and software for providing integrated telephone communication with computerised global information networks; software for the redirection of messages, Internet e-mail, and/or other data to one or more electronic handheld devices from a data store on or associated with a personal computer or a server; computer software for the synchronization of data between a remote station or device and a fixed or remote station or device; apparatus for recording, transmission or reproduction of sound or images; electronic magnetostrictive equipment, namely a wave generator, wave sensor and wave analyser; desktop publishing software; desktop publishing software computer screen saver software; software for detecting, eradicating and preventing computer viruses; software for data encryption; software for analysing and recovering data; software for computer system backup, data processing, data storage, file management and database management; software for telecommunication and communication via local or global communications networks, including the Internet, intranets, extranets, television, mobile communication, cellular and satellite networks; software for creating and delivering electronic greeting cards, messages and electronic mail; software for web design, creation, publishing and hosting; software for access to communications networks including the Internet; instructional material relating to the foregoing; computer disk holders; computer equipment for use with all of the aforesaid goods, of which it has been used. The mark shall remain valid for a period of ten years until the 10th day of April, 2034, upon which it can be renewed for further periods of ten years.

CFE(6)26.3.23;24.15.21
