THE MARK shown above, Registration No. 11258.14, has been renewed in the name of **Amazon Technologies, Inc., of 410 Terry Avenue North, Seattle, Washington, 98109, United States of America**, as of the 28th day of October, 2024, in respect of **International Class 9** for cellular phones; handheld computers; mobile computers; mobile phones; smartphones; portable and handheld electronic devices for transmitting, storing, manipulating, recording, and reviewing text, images, audio, video and data, including via global communications networks, wireless networks, and electronic communications networks; computer hardware, software, and peripherals for interactive television (TV) programming and social networking; computers; tablet computers, electronic book readers, audio and video players, electronic personal organizers, personal digital assistants, global positioning system (GPS) apparatus, and electronic and mechanical parts and fittings, namely, electronic cables and connectors and mechanical connectors; remote control apparatus; set-top boxes, namely, audio, video, and media receivers and decoders, cable television converters, and Ethernet streaming media converters; television (TV) tuners; wireless controller to monitor and control the functioning of other electronic devices [excluding gaming apparatus]; set-top-boxes; computer software for gaming machines, namely, slot machines and video lottery terminals; mobile phone, cellular phone, smartphone, TV and portable and handheld electronic device accessories, namely, monitors [computer hardware], displays, keyboards, mouse, wires, electric, cables, electric, modems, disk drives, adapters, adapter cards, cable connectors, plug-in connectors, electrical power connectors, computer docking stations, electronic docking stations, charging stations, computer stylus, computer drivers [software], batteries, electric, battery chargers, battery packs, power supplies, memory cards and memory card readers, headphones and earphones, audio speakers, microphones, headsets, cases, specially made for mobile devices, cell phone covers and computer stands specially designed for holding a computer, printer and accessories and set-top-boxes; computer, electronic, mobile phone, cellular phone, and smartphone game software; digital media, namely, downloadable audio works, visual works, audiovisual works and electronic publications featuring books, magazines, newspapers, periodicals, newsletters, journals and manuals on a variety of topics; computer software, recorded, designed to allow parental control over the viewing and accessing of inappropriate websites on the internet; computer software which facilitates online services for social networking; application development computer software programs; computer software development kit consisting of computer software development tools for the development of content and service delivery across global computer networks, wireless networks, and electronic communications networks; software for developing and publishing applications for interactive video streaming to any device having a video decoder and an upstream signal; software for use on any device having a video decoder and an upstream signal for use in interacting with an application for interactive video streaming to the device; speech recognition software; software for optical character recognition; computer software and hardware for transmitting, sharing, receiving, downloading, displaying, recording, transmitting, manipulating, transferring, and optimizing content, text, visual works, audio works, audiovisual works, literary works, data, files, documents, electronic works, and computer game programs via computers, mobile phones, cellular phones, smartphones, television (TVs), TV receivers, set-top-boxes, computer game machines, or portable electronic devices; computer software enabling content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works to

be downloaded to and accessed on a computer, mobile phone, cellular phone, smartphone television (TV), TV receiver, set-top-boxes, computer game machine, or portable electronic device; computer hardware and software for controlling the operation of audio and video devices and for viewing, searching or playing audio, video, television, movies, photographs and other digital images, and other multimedia content; graphical user interface software, computer software for formatting and converting content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works into a format compatible with computers, mobile phones, cellular phones, smartphones, televisions (TVs), TV receivers, set-top-boxes, computer game machines, or portable electronic devices; computer software enabling content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works to be downloaded to and accessed on a computer, mobile phones, cellular phones, smartphones, television (TVs), TV receiver, set-top-box, computer game machine, or portable electronic devices; computer software to receive, transport, encode, decode, decrypt, encrypt, transmit, multiplex, de-multiplex, and manipulate video, audio, and text in digital format to deliver television and other video programming to appropriate video devices for distribution of television programming for viewing on TVs, monitors, mobile phones, cellular phones, smartphones, computers, tablet computers, and portable electronic devices; desktop publishing software; tablet computer, set-top box, mobile phone, cellular phone, and smartphone operating system software; computer application software for tablet computers, mobile phones, cellular phones, and smartphones, namely, software for use in database management, use in electronic storage of data; computer software for formatting and converting content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works into a format compatible with portable electronic devices, mobile phones, cellular phones, smartphones, and computers; computer software, recorded; computer hardware; portable and handheld digital electronic device for recording, organizing, transmitting, manipulating, and reviewing text, data, image, and audio files; wearable computer peripherals; interface and peripheral devices for computers, UPI (universal peripheral interface) software, UPI (universal peripheral interface) hardware; motion sensitive and interactive computer hardware, and peripherals; virtual and holographic touchscreen; holographic projection system and apparatus; computer hardware, software, and peripherals for enabling real-time user interaction with digital content on holographic displays and screens; computer peripheral devices; computer and portable and handheld electronic device accessories, namely, cases, screen protectors, chargers; computer hardware and peripherals for remotely accessing and transmitting data; computer hardware and peripherals for displaying data and video; electronic game software; cases for play accessories, namely, protective carrying cases specially adapted for hand-held video game systems; game machines and apparatus, namely, LCD game machines; **International Class 28** for player-operated electronic controllers for electronic video game machines; hand-held units for playing electronic games for use with external display screen or monitor; hand-held games with liquid crystal displays; portable games with liquid crystal displays; hand-held game apparatus with liquid crystal displays and parts and fittings for hand-held game apparatus with liquid crystal displays, namely, power supplies, cables and battery chargers, all sold as a unit; game machines and apparatus, namely, LCD game machines; **International Class 38** for communication services, namely, transmission of voice, audio, visual images and data via e-readers, mobile phones, smartphones, portable electronic devices, portable digital devices, tablet computers, computers, computer game machines, TVs, TV receivers, and set-top-boxes; communication services, namely, transmitting streamed sound and audiovisual recordings via the internet or other computer or communications network; providing online chat rooms for the transmission of messages among computer users concerning topics of general interest; providing access to online directories, databases, current events websites and blogs, and on-line reference materials; providing access to electronic devices in the nature of providing telecommunication connectivity services for the transfer of images, messages, audio, visual, audiovisual and multimedia works among e-readers, mobile devices, mobile phones, smartphones, smart devices, portable electronic devices, portable digital devices, tablets, TVs, TV receivers, set-top-boxes and computer game machines; providing online chat rooms, internet forums for the transmission of photos, videos, text, data, images and other electronic and multimedia works; transmission of podcasts; transmission of webcasts; broadcasting services; video streaming services via the internet, featuring independent films and movies; **International Class 41** for provision of non-downloadable films and movies via a video-on demand services; providing online non-downloadable interactive resource and programming guides on the subjects of motion pictures, television programming, videos, music videos, and music tailored to viewer's programming preferences; and production and rental of audio-visual works for streaming or downloading, specifically, motion pictures, television programs, videos, and music videos in the fields of news, entertainment, sports, comedy, drama, and music; entertainment services, namely, providing temporary use of non-downloadable video games; providing a website featuring non-downloadable music, videos, photographs, comedy, spoken word recordings, in the field of entertainment for use in computers, mobile phones, smartphones, televisions (TVs), TV receivers, computer game machines, or portable electronic devices via wired and wireless networks; education and entertainment services, namely, providing on-line, non-downloadable portals and a website featuring reviews, newsletters, and blogs in the fields of educational and entertainment content, namely, movies, television shows, audiovisual works, music, comedy, spoken word recordings, audio works, books, theatrical works, literary works, sporting events, recreational activities, leisure activities in the nature of hobbies, tournaments, art, dance, musicals, culture, sporting and current event exhibitions, sports instruction, clubs, radio programs, comedy, drama, contests, visual works of art, games, gaming, festivals, museums, parks, cultural events, concerts, desktop publishing, animation, current events, fashion shows, and multimedia presentations; providing virtual environments in which users can interact for recreational, leisure, or entertainment purposes; providing information, news and commentary in the field of current events relating to topics of general interest; providing reviews, commentary and information in the field of television shows, film, music, comedy and spoken word recordings over a global computer network and other communications network; entertainment services, namely, profiling of actors, musicians, artists and bands by providing non-downloadable video clips of musical, comedic, and spoken word performances over a global computer network; entertainment services, namely, making television, music, videos, video game, comedy, and spoken word recording recommendations based on user generated data; arranging and conducting of concerts; entertainment services, namely, live music, comedy, and spoken word shows; providing an internet website portal featuring entertainment news and information specially in the field of video games, music, videos, television shows, photos, comedy, and spoken word recordings; entertainment services, namely, providing a subscription based website featuring video games, music, videos, television shows, comedy, and spoken word recordings and information about the same; publishing of books, magazines, periodicals, literary works, visual works, audio works, and audiovisual works; publishing of online works of others featuring user-generated text, audio, video, and

graphics; entertainment services, namely, providing on-line computer and educational games and on-line interactive children's stories; providing virtual environments in which users can interact for recreational, leisure, or entertainment purposes; publication of electronic books featuring video, games, text, photos and illustrations via computers, mobile phones, smartphones, televisions (TVs), TV receivers, set-top-boxes, computer game machines, or portable electronic devices, and global computer and communications networks; providing information, news and commentary in the field of current events relating to topics of general interest; providing a website featuring non-downloadable publications in the nature of, books, magazines, brochures, journals and articles in the field of news articles for children; educational services in the nature of classroom instruction and on-line distance learning instruction in the fields of current events, education, history, language, liberal arts, math, business, science, hobbies, technology, culture, sports, arts, psychology, and philosophy; interactive educational services in the nature of computer-based and computer-assisted instruction in the fields of current events, education, history, language, liberal arts, literature, math, business, science, hobbies, technology, culture, sports, arts, psychology, and philosophy, educational and entertainment services, namely, the provision of podcasts, webcasts, and continuing programs accessible via the internet or other computer or communications networks featuring news and commentary in the fields of movies, television programs, audiovisual works, music, audio works, books, theatrical works, literary works, sporting events, recreational activities, leisure activities, tournaments, art, dance, musicals, exhibitions, sports instruction, clubs, radio programs, comedy, drama, contests, visual works, games, gaming, festivals, museums, parks, cultural events, concerts, desktop publishing, animation, current events, fashion, and multimedia presentations, of which it has been used. The mark shall remain valid for a period of ten years until the 28th day of October, 2034, upon which it can be renewed for further periods of ten years.

AMAZON

THE MARK shown above, Registration No. 11259.14, has been renewed in the name of **Amazon Technologies, Inc., of 410 Terry Avenue North, Seattle, Washington, 98109, United States of America**, as of the 28th day of October, 2024, in respect of **International Class 9** for portable and handheld electronic devices for transmitting, storing, manipulating, recording, and reviewing text, images, audio, video and data, namely, via global computer networks, wireless networks, and electronic communications networks and electronic and mechanical parts and fittings therefore; computers, audio and video players, electronic personal organizers, personal digital assistants, and global positioning system (GPS) devices; power supply connectors and adaptors; electrical power extension cords; chargers for electric batteries; electronic charging devices for portable and handheld electronic devices, namely, tablet, mobile phone, smart phone, camera, GPS, e-readers, mp3 players, personal digital assistants, portable computers; blank flash memory cards and electronic memory card readers; electric audio playback units with lights and speakers; wires, electric; computer printers; electric connectors; cases, covers, stands, skins, speakers, accessories, monitors, printers, displays, and keyboards for portable electronic devices, namely, tablet, mobile phone, smart phone, camera, GPS, e-readers, mp3 players, personal digital assistants, portable computers [excluding gaming apparatus]; computer hardware and software namely, used for the control of voice controlled information and communication devices, system for tracking people, objects and pets using GPS data on a device on the tracked people, objects and pets, for setting up and configuring wide area networks, for use with medical patient monitoring equipment, for receiving, processing, transmitting and displaying data, for retail inventory management, sold as a unit; computer peripheral devices; electronic docking stations; battery chargers; electrical connectors, wires, cables, and adaptors; wireless remote controls for portable electronic devices and computers; headphones and earphones; blank computer discs; blank digital storage media; blank electronic storage media; blank smart cards; computer cables; calculators; camera cases; camera tripods; computer mice; computer network routers and hubs; computer accessories, namely, computer leads for external computer cabling in the nature of firewire leads, USB leads; USB-HUBS; flash card readers; projectors, namely, sound projectors and amplifiers; DVD burners; DVD drives; computer peripherals in the nature of wireless cards; media players; media player components and accessories, namely, protective covers and cases for portable media players, chargers, electrical and power cables; video electronics components and accessories, namely, electrical and power cables and chargers; digital electronic components and accessories, namely, holsters, carrying cases, and fitted plastic films known as skins for covering and providing a scratch proof barrier or protection specifically designed for computers, digital audio and media players, MP3 players, mobile phones, personal digital assistants; video electronics and components and accessories therefore in the nature of cords, adapters, battery chargers, peripherals, and styluses; USB cables; video cables; extension cables; electrical and power cables; converters; USB hardware; computer keyboards; computer and memory storage devices, namely, blank flash drives, USB flash drives, digital USB storage cards and card readers; printer components and accessories, namely, cables; computer hardware; downloadable electronic publications in the nature of fiction, non-fiction, comics and screenplays via computer and communications networks; downloadable films and movies featuring fiction and non-fiction stories provided via computer and communications networks; electronic book reader; downloadable templates for designing books, short stories, storyboards, screenplays, comics, audio and video files; computer software for the collection, editing, organizing, modifying, book marking, transmission, storage and sharing of data and information; downloadable audiobooks and digital audio files featuring fiction and non-fiction books; computer software, recorded in the field of text, image and sound transmission and display; computer software for accessing movies, TV shows, videos and music; downloadable audio, video and audiovisual content provided via computer and communications networks featuring movies, TV shows, videos and music; computer software for the collection, editing, organizing, modifying, book marking, transmission, storage and sharing of data and information; downloadable digital audio files featuring music, news, voice and spoken word; software for text, image and sound transmission and display hardware and software for making, processing and authenticating payment transactions with credit cards, debit cards, gift cards, pre-paid cards, and other payment forms; electronic devices, namely card readers, computer chip readers, point of sale terminals, and related hardware and software, all for accepting, effecting, enabling, facilitating, processing, operating, authenticating and managing payment transactions via mobile devices and local and global communications networks; computer e-commerce software to allow users to perform electronic business transactions via mobile devices, and local and global computer networks; computer software, namely software application

for use by consumers in the field of mobile payments; computer hardware and software for collecting, analyzing, and providing data and information regarding electronic payment transactions; computer software for facilitating mobile payments, and enabling consumers to use their electronic signature, pin, name or photo in completing mobile payment transactions; computer software, namely, electronic financial platform that accommodates multiple types of payment and debt transactions in an integrated mobile phone, PDA, and web based environment; computer software for use in issuing invoices and collecting amounts due in the field of business that may be downloaded from a global computer network; computer software for facilitating and managing merchant-customer communications, and providing payment transaction information; computer software for providing an on-line database in the field of transaction processing to upload transactional data, provide statistical analysis, and produce notifications and reports; computer software for collecting, analyzing and reporting business related data and information, namely software for creating and reporting of business analytics relating to payment processing, authentication, and tracking; computer software for facilitating and completing money transfers via email, mobile devices and global and local computer networks; **International Class 38** for telecommunications services, namely, electronic transmission of streamed audio and video files via computer and communications networks; electronic transmissions of downloadable audio and video files via computer and communications networks; telecommunications services, namely, providing online electronic bulletin boards for the transmission of messages among computer users concerning entertainment; delivery of messages by electronic transmission; telecommunications services, namely, electronic transmission of streamed video and multimedia content files via computer and communications networks; providing on-line chat rooms for transmission of messages among computer users concerning a wide variety of topics; electronic transmission of entertainment reviews and information through computer and communications networks; Providing online forums for communication in the field of electronic games; Streaming of audio, video, and audiovisual content, data and information on the Internet; Streaming of electronic games via the Internet; Providing video on-demand transmission of computer games; providing users with telecommunication access time to electronic communications networks with means of identifying, locating, grouping, distributing, and managing data and links to third-party computer servers, computer processors and computer users; providing technical support services regarding the usage of communications equipment; providing electronic transmission of financial and business information between and among customers and businesses; providing electronic transmission of credit card transactions data and electronic payment data in relation to information, merchant-customer communications, and advertising and promotional materials via a global computer network; telecommunication services, namely, providing e-mail notification alerts via the internet and mobile electronic devices; providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of comic book publishing, entertainment and the entertainment industry; **International Class 41** for entertainment services; providing information relating to organizing community sporting and cultural activities, contests and games; providing recognition and incentives by the way of awards and contests to demonstrate excellence in the field of entertainment; providing online non-downloadable comic books and graphic novels; providing a website that allows users to review screenplays, movies, television shows, graphic images, storyboards and entertainment properties; providing a website featuring blogs and non-downloadable publications in the field of entertainment, comics, screenplays, books, short stories; providing a website featuring information, contests, text, video, audio, publications all related to entertainment; providing news and information in the field of entertainment relating to information, contests, text, video, audio, publications all related to entertainment; entertainment services, namely, providing on-line reviews of television, and movies; provision of non-downloadable films and movies via video on-demand services; film production, movie studio, production of radio and television program, production of shows, rental of radio and televisions sets, recording studio services, theatre productions, video editing, video film production, scriptwriting services, movie studio, theatre production, videotape editing, organization of competitions [education or entertainment], radio and television programming [scheduling], club services [entertainment or education] dubbing, film editing, music composition services, production of musical sound recordings; entertainment services, namely, providing online computer games; entertainment services, namely, providing online electronic games; entertainment services, namely, providing online video games; electronic games services provided by means of the internet; production of video and computer game software; providing a computer game for use network-wide by network users; providing information on-line relating to computer games and computer enhancements for games; providing a searchable online entertainment database featuring online non-downloadable digital games, movies, television shows, music and other digital text, audio and video files featuring books, magazines, news and information; providing a website featuring entertainment information and product reviews in the field of audio, video and audiovisual content, namely movies, TV shows, videos and music; providing news and information in the field of entertainment relating to product reviews and recommendations, all regarding audio, video and audiovisual content in the nature of movies, TV shows, videos and music; providing a website featuring non-downloadable audio, video and audiovisual content in the nature of recordings featuring movies, TV shows, videos and music; entertainment services, namely, providing a searchable database featuring audio, video and audiovisual content available through the internet, telecommunications networks and wireless telecommunications networks; providing entertainment information regarding audio, video and audiovisual content via social networks; providing a website featuring blogs and non-downloadable publications of product reviews and information in the nature of articles and brochures in the field of entertainment; providing an internet website on-line portals for featuring entertainment news and information specifically in the field of movies, television, audiovisual works, music, audio works, books, theatre, literary works, sporting events, recreational activities, leisure activities, tournaments, art, dance, musicals, exhibitions, sports instruction, clubs, radio, comedy, contests, visual works, games, gaming, festivals, museums, parks, cultural events, concerts, publishing, animation, current events, fashion shows, and multimedia presentations, of which it has been used. The mark shall remain valid for a period of ten years until the 28th day of October, 2034, upon which it can be renewed for further periods of ten years.

AMAZON

THE MARK shown above, Registration No. 11260.14, has been renewed in the name of **Amazon Technologies, Inc., of 410 Terry Avenue North, Seattle, Washington, 98109, United States of America**, as of the 28th day of October, 2024, in respect of **International Class 35** for

advertising services, namely, dissemination of advertising for others via an on-line electronic communications network; marketing services; providing a searchable online database for the purpose of retail store services, online retail store services, online ordering services, online retail department store services featuring portable and handheld electronic devices for transmitting, storing, manipulating, recording, and reviewing text, images, audio, video and data, including via global computer networks, wireless networks, and electronic communications networks, computers, tablet computers, electronic book readers, audio and video players, electronic personal organizers, personal digital assistants and global positioning system devices and electronic and mechanical parts and fittings therefore, computer hardware and software, monitors, displays, wires, cables, modems, printers, disk drives, adapters, adapter cards, cable connectors, plug-in connectors, electrical power connectors, docking stations, and drivers, battery chargers, battery packs, memory cards and memory card readers, headphones and earphones, speakers, microphones, and headsets, cases, covers, and stands for portable and handheld electronic devices and computers, remote controls for portable and handheld electronic devices and computers, printed publications, periodicals, books, magazines, newsletters, brochures, booklets, pamphlets, manuals, journals, catalogues, and stickers, handheld unit for playing electronic games, hand-held electronic games and apparatus, games, electronic games, and video games; providing consumer product information via the internet or other communications networks; computerized processing of on-line purchase orders; compilation of business information into searchable databases available via a global computer network; compilation of advertising information featuring the goods and services of other on-line vendors, into an on-line advertising guide; providing an on-line commercial information directory on the internet; providing a searchable on-line advertising guide featuring the goods and services of other online vendors on the internet; administration of a customer loyalty program which provides rewards in the form of discounted shipping services; administration of a discount program for enabling participants to obtain discounts on goods and services through use of a discount membership card; administration of a discount program for enabling participants to obtain discounts on shipping services through use of a discount membership program and variable rate shipping program; business management consultancy; business administration consultancy; office functions in the nature of maintaining records of ownership of stocks, shares and securities, maintaining records of settlements for transfers of stocks, shares and securities and tracking and tracing of documents, letters, packages and parcels in transit; mediation of contracts for the sale and purchase of products; auction services; classified advertising services; mail order services featuring electronic games, computer games, video games, electronic game software, computer game software, and video game software; online retail store services provided by means of a global computer network featuring downloadable electronic games, computer games, video games, electronic game software, computer game software, and video game software; sales promotion for others; business information services; retail department stores; retail convenience stores; computerized on-line ordering featuring general merchandise, consumables and household goods, and general consumer goods; retail and on-line grocery store services featuring home delivery service; providing a searchable database in the field of business information available via a global computer network; providing a searchable on-line advertising guide featuring the goods and services of other on-line vendors; database management services; computer services, namely, providing directories for contact information for people, places, and organizations; computer hardware for upload, storage, retrieval, download, transmission and delivery of digital content; on-line retail and wholesale distributorship services featuring general merchandise, consumables and household goods, and general consumer goods; on-line trading services in which seller posts products to be auctioned and bidding is done via the internet; information services, namely, providing information about retail products to customers; online business and commercial information services; online business information services, namely analyzing an individual's preferences and providing product reviews and recommendations; auctioneering; providing consumer product information via the internet or other communications networks; computerized processing of on-line purchase orders; computer e-commerce software to allow users to perform electronic business transactions via a global computer network; auction services relating to a wide range of consumer goods; processing warranty registration documents for others; subscriptions to books, reviews, or comic books; advertising services, namely, promoting the goods and services of others; market research and information services; compiling of information into computer databases; market research and business marketing information services, namely, facilitating sharing of relevant information about entertainment and the entertainment industry; retail store services featuring electronic games, computer games, video games, electronic game software, computer game software, and video game software; online retail store services featuring streamed and downloadable pre-recorded electronic games; dissemination of advertising for others via an on-line electronic communications network and providing an on-line commercial information directory for electronic game enthusiasts; advertising and promotional services for others; managing and tracking credit card, debit card, gift card, pre-paid card, deferred payment card, and other forms of payment transactions for business purposes; providing a web-based system and online portals in the field of consumer-to-business commerce for consumers to enter, manage and modify their consumer preference information for use by merchants to create and manage offers for delivery to consumers; business information management, namely, electronic reporting of business information; business analytics, namely, information and analytics regarding the sale of products and services of others, and regarding the authenticating, processing and management of mobile payments; preparation of business reports; preparing business reports for others regarding the sale of products and services of others; business information management, namely, electronic reporting of business analytics relating to payment processing, authentication and tracking; electronic processing of orders for others; order fulfillment services; **International Class 42** for providing a website that gives users the ability to review various print, photographic, graphic image, and audio and video content and utilize a custom template to provide input, likes, dislikes, edits, changes, modifications, opinions, suggestions, and comments and engage in social, business and community networking; computer services, namely, creating an on-line community for registered users to participate in discussions, get feedback from their peers, form virtual communities, and engage in social networking all in the field of entertainment and the entertainment industry; providing temporary use of on-line non-downloadable software and applications for accessing streaming audio and video files, games, social networks, text files and multimedia files; design and development of computer hardware and software; design and development of computer game software; designing and developing computer game software and video game software for use with computers, video game program systems and computer networks; providing temporary use of on-line non-downloadable software development tools for the design and development of electronic games; providing temporary use of on-line non-downloadable software and applications for accessing streaming audio and video files, games, social networks, text files and multimedia files; video game development services; technical support services, namely, troubleshooting of

computer game software problems; application service provider (ASP) featuring software for use in relation to visual images, namely, software for digital animation and special effects of images, video games, and motion pictures; application service provider (ASP) featuring application programming interface (API) software including such software for the streaming, storage, and sharing of video games, content, data and information; providing temporary use of online non-downloadable software and applications for use in database management, for use as a spreadsheet and for word processing; providing temporary use of on-line non-downloadable cloud computing software for use in electronic storage of data; computer software development in the field of mobile applications; application service provider, namely, hosting, managing, developing, and maintaining applications, software, and web sites, in the fields of personal productivity, wireless communication, mobile information access, and remote data management for wireless delivery of content to handheld computers, laptops and mobile electronic devices; scientific and technological services, namely, research and design in the field of computer networking hardware and computer datacenter architecture; industrial research in the field of computer software services; providing temporary use of online non-downloadable software for use in collecting, analyzing, and providing data and information regarding electronic payment transactions; providing an interactive web site featuring technology that enables users to enter, access, track, manage, monitor, and generate information and reports regarding sales of products and services; providing a web site featuring technology that allows users to input their selections of characteristics for music, or that identifies characteristics of music based on user selections, so that profiling can be completed and recommendations provided based on those characteristics; providing temporary use of non-downloadable software provided over global computer networks for creating entertainment and information profiles based on user selections of entertainment and information options or based on user specification of characteristics of entertainment and information, and recommending other entertainment and information based on such selections and specifications; providing temporary use of non-downloadable computer software for authoring, downloading, streaming, broadcasting, transmitting, editing, extracting, encoding, decoding, playing, storing, organizing and reproducing audio and video; providing a website featuring technology that enables users to create personalized music channels for independent, simultaneous listening, and share channels with other users; providing an interactive website featuring technology that allows users to consolidate and manage voice, data, video, and media content in the fields of music and radio; application service provider (ASP), namely, hosting computer software applications of others; design, creation, hosting and maintenance of internet sites of third parties content, photos, videos, text, data, images, web sites and other electronic works; hosting of digital content on global computer networks, wireless networks, and electronic communications networks; software as a service (SaaS) featuring software for use in connection with audio, video and digital content subscription service and one-time purchases of audio, video and digital content, namely, allowing users to pay for and create seller content; computer services, namely, creating an on-line community featuring technology that enable users to communicate and interact with others, participate in discussions, and share content, photos, videos, text, data, images and other electronic works, and to engage in social networking; creating an online community for users to participate in discussions, obtain feedback, and form virtual communities, providing a website that gives computer users the ability to transmit, cache, receive, download, stream, broadcast, display, format, transfer and share content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; providing search engines; providing search platforms to allow users to request and receive, content, text, visual works, audio works, audiovisual works, literary works, data, files, documents and electronic works; document data transfer from one computer format to another; providing temporary use of non-downloadable computer software that enables users to track packages over computer networks, intranets and the internet; providing temporary use of on-line non-downloadable software, namely, software for parental control of access to obscene and inappropriate websites and digital content; providing temporary use of online non-downloadable software, namely, software for filtering internet searches that separates desired results from unwanted and inappropriate websites, and software that allows parental control of obscene and inappropriate websites, emails, and other digital content; providing temporary use of online non-downloadable computer software that generates customized recommendations based on user preferences; maintenance of computer software relating to computer, security and prevention of computer risk; computer software installation and maintenance; computer software, application, and network consulting services; technical support in the nature of troubleshooting, namely, diagnosing computer hardware and software problems; providing a website featuring technical information relating to computer software and hardware; computer hardware, software, application, and network consulting services; computer consulting in the field of configuration management for portable and handheld electronic devices; technical support in the nature of troubleshooting, namely, diagnosing computers set-top box, TV, and mobile phone hardware and software problems; computer programming; computer software consultancy; International Class 45 for internet based social networking, introduction, and dating services; online social networking services; online social networking services in the field of entertainment; providing a social networking website for entertainment purposes featuring information on movies and television show; social networking services in the field of entertainment provided via a website and communications networks; providing on-line computer databases and on-line searchable databases in the field of social networking; providing information in the field of social networking; monitoring of data and computer systems and networks for security purposes; computer security services in the nature of providing authentication, issuance, validation and revocation of digital certificates; providing fraud detection services for electronic funds transfer, credit and debit card and electronic check transactions via a global computer network; providing user authentication services in e-commerce transactions; providing user authentication of electronic funds transfer, credit and debit card and electronic check transactions via a global computer network, of which it has been used. The mark shall remain valid for a period of ten years until the 28th day of October, 2034, upon which it can be renewed for further periods of ten years.

OAKLEY

THE MARK shown above, Registration No. 11395.15, has been renewed in the name of **Oakley, Inc., of One Icon, Foothill Ranch, California 92610, U.S.A.**, as of the 7th day of January, 2025, in respect of **International Class 9** for eyewear, namely, protective eyewear, spectacles [optics], prescription eyewear, anti-glare glasses and sunglasses and their parts and accessories, namely, replacement eyeglass lenses, eyeglass frames, eyeglass nose pads; cases specially adapted for spectacles and sunglasses and their parts and accessories; **International Class**

25 for clothing, namely, shirts, pants, jackets, shorts, swimsuits, sweatshirts; headwear, namely, hats; footwear, namely sneakers and sandals, of which it has been used. The mark shall remain valid for a period of ten years until the 7th day of January, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.4.1,4,18

THE MARK shown above, Registration No. 11361.14, has been renewed in the name of **WESTERN DIGITAL TECHNOLOGIES, INC., of 5601 Great Oaks Parkway, San Jose, California 95119, United States of America**, as of the 17th day of December, 2024, in respect of **International Class 9** for data storage devices, namely, hard disk drives, digital disk drives, media players, solid state drives, blank digital storage media, hybrid drives and computer peripherals; computer storage devices, namely, computer memory hardware and hard drives for computers; digital electronic devices for organizing, receiving, playing, transmitting, managing, storing, securing, encrypting, centralizing,

backing-up, transferring, customizing, navigating, playing, viewing, accessing, sharing, streaming, synchronizing, modifying, reviewing, uploading, and downloading text, data, image, audio and video files, information, or media stored on, streamed through, hosted on or run on data storage devices, hard drives, disk drives, solid state drives, media players, internet servers and cloud storage services; removable hard drive based computer backup system; computer storage docking stations, namely, an adapter that allows data contained on portable drives or USB storage devices connected to the adapter to be shared or accessed; computer hardware for upload, storage, retrieval, download, transmission and delivery of digital content; computer software for use in the synchronization, back-up, playing and encryption and decryption of digital files, including audio, video, text, binary, still images, graphics and multimedia files; computer network storage devices, namely, storage and backup of electronic data either locally or via a telecommunications network; networking software, namely, software for setting up and configuring managed storage and online backup services over wide area networks; computer storage appliances, namely, network attached storage devices for file sharing and cloud backup; computer software and hardware for synchronizing and connecting local network storage and global computer networks, for upload, storage, retrieval, download, transmission and delivery of digital content, for storing and managing data on local and internet-based file servers, for processing storage of data utilizing solid state storage, namely, hard disk drives combined with solid state memory; computer firmware for data storage, data retrieval, data access, data backup, data replication, data availability, data recovery, data translation and data conversion; data storage management software; protective cases for external hard drives, of which it has been used. The mark shall remain valid for a period of ten years until the 17th day of December, 2034, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.1,4;29.1.4

THE MARK shown above, Registration No. 11409.15, has been renewed in the name of **Wm. Wrigley Jr. Company, of 1132 West Blackhawk Street, Chicago, Illinois 60642, U.S.A.**, as of the 9th day of January, 2025, in respect of **International Class 30** for confectionery, chewing gums, not for medical purposes; candy mints; pastilles [confectionery]; sweetmeats [candy]; caramels [candy]; peppermint sweets; chocolate candies; fruit candies; gummy candies; candy drops; non-medicated lozenges, of which it has not been used. The market conditions until now have not justified entry into the market but may change in the future. The mark shall remain valid for a period of ten years until the 9th day of January, 2035, upon which it can be renewed for further periods of ten years.

VIKRANT

THE MARK shown above, Registration No. 11413.14, has been renewed in the name of **M/s. JK Tyre & Industries Limited, of M/s. JK Tyre & Industries Limited, Jaykaygram, PO – Tyre Factory, Kankroli – 313342, Rajasthan, India**, as of the 14th day of January, 2025, in respect of **International Class 12** for automobile tyres, pneumatic tyres, inner tubes for pneumatic tyres, of which it has been used. The mark shall remain valid for a period of ten years until the 14th day of January, 2035, upon which it can be renewed for further periods of ten years.

ROTHMANS

THE MARK shown above, Registration No. 11516.15, has been renewed in the name of **ROTHMANS OF PALL MALL LIMITED, of Route de France 17, 2926 Boncourt, Switzerland**, as of the 13th day of February, 2025, in respect of **International Class 34** for cigarettes, cigars, cigarillos, tobacco, lighters for smokers, matches, of which it has not been used. Prevailing market conditions have not justified entry into the market but may change in the future. The mark shall remain valid for a period of ten years until the 13th day of February, 2035, upon which it can be renewed for further periods of ten years.

CONSENTO

THE MARK shown above, Registration No. 11557.15, has been renewed in the name of **Gowan Crop Protection Limited, of Rothamsted Research West Common, Harpenden, Hertfordshire, AL5 12JQ, England**, as of the 19th day of February, 2025, in respect of **International Class 5** for preparations for destroying vermin; fungicides, herbicides, of which it has not been used, due to lack of a suitable distributor in Belize. The mark shall remain valid for a period of ten years until the 19th day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):24.15.13;26.1.1,18

THE MARK shown above, Registration No. 11568.15, has been renewed in the name of **VOLVO TRADEMARK HOLDING AKTIEBOLAG, of AB Volvo, 405 08 Göteborg, Sweden**, as of the 23rd day of February, 2025, in respect of **International Class 35** for retail and wholesale stores in the field of vehicles, engines/motors and machines, drive units and construction machines, as well as of parts,

fittings and accessories for the aforesaid goods, and of tools and workshop equipment, and of merchandise products; advertising; organization of exhibitions and trade fairs for commercial or advertising purposes; office functions, namely, secretarial services, typing, photocopying, transcription of communications; book-keeping; business management assistance, business management consultancy and advisory services, in particular relating to the design, development, manufacture, sale, distribution, repair or maintenance of vehicles, engines/motors and machines, drive units and construction machines, as well as of parts, fittings and accessories for the aforesaid; professional business consultancy in the field of vehicle fleet management; **International Class 36** for real estate agencies, real estate brokerage, real estate appraisal, real estate management; banking; financial affairs, namely, financial management, financial consultancy, financial analysis, financial evaluation [insurance, banking, real estate]; credit card services; insurance brokerage, insurance underwriting, insurance consultancy, insurance information; guarantees; financing services, lease purchase financing; **International Class 37** for building construction; machinery installation, maintenance and repair, and motor vehicle maintenance and repair, namely, installation services related to vehicles, motors and machines, drive units and construction machines; services for the installation, servicing, repair, inspection, restoration, maintenance, reconditioning, diagnostic tuning, cleaning, painting, polishing, greasing and preservation of vehicles, of engines/motors and machines, of drive units, of construction, agricultural and forestry machines, of power hand tools, workshop appliances and devices, and of parts, fittings, accessories, and telecommunication equipment for the aforesaid; emergency road side assistance; rental of tools and workshop equipment; vehicle service stations for refueling, maintenance and overhauling of motor vehicles in motor-sport events; garage services for motor vehicle repair; technical assistance related to the installation, maintenance and repair of motor vehicles during motorsports events, of which it has been used. The mark shall remain valid for a period of ten years until the 23rd day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):24.15.13;26.1.1,18

THE MARK shown above, Registration No. 11569.15, has been renewed in the name of **VOLVO TRADEMARK HOLDING AKTIEBOLAG, of c/o AB Volvo, 405 08 Göteborg, Sweden**, as of the 23rd day of February, 2025, in respect of **International Class 7** for motors and engines [except for land vehicles], namely marine engines, aircraft engines, engines for industrial, agricultural and forestry machines, stationary combustion engines, turbines, electric motors; electric generators and alternators; high-frequency generators; air cleaners [air filters] for engines and anti-pollution devices for motors and engines; carburetors, converters for liquid fuels, injectors, injection pumps, fuel pumps, speed governors, injection nozzles and nozzle holders, machine valves, vaporizers, starters, ignition systems, ignition coils, glow plugs, spark plugs, spark plug connectors, lambda probes, magnetos, silencers, mufflers and spark arresters for combustion engines; fuel filters, oil filters, air filters for engines, air filters for motors; engine bearings, rolling bearings for machines and for motor vehicles, axle bearings for motors, engines, machines and' vehicles, wheel bearings for land vehicles; transmission shafts, crank shafts, loom shafts; shaft seals for cam shafts, crank shafts and transmission shafts for land vehicles, shaft couplings [machines]; wheels for chain drivers, machine wheels; drive pulleys, belt pulleys for land vehicles, machine pulleys; driving chains other than for land vehicles; springs [parts of machines]; filters [parts of machines or engines], pumps [machines], pumps [parts of machines, engines or motors]; regulators for engines, pressure relief valves, controls, fans for motors and engines, fan belts for motors and engines, fans and fan belts for engine cooling radiators; cooling fans, cooling radiators, starters, fuel feed apparatus, oil cooling apparatus, brakes, caps for cooling radiators, accelerators, hydraulic pumps, hydraulic cylinders, hydraulic reservoirs, hydraulic filters, hydraulic motors, hydraulic pipes, hydraulic valves, boost units for hydraulic transmission, all for machines, engines and motors; machine coupling and transmission components [except for land vehicles], namely power transmissions, gearboxes, reverse gears, reduction gears, gearbox controllers, traction control systems, vehicle dynamics control systems, shaft connections, couplings and clutches, exhausts, couplings and transmission belts; power transmission take-off units for motor vehicle engines, for use as prime movers; inboard/outboard drive units and sailing boat drive units for inboard engines; hydraulic pumps and motors and components thereof; bushings and bearings [machine parts]; control valves [machine parts], braking valves [machine parts]; exhaust-gas turbo-chargers; compressors [machines]; compressed air engines, compressed air guns for the extrusion of mastics, compressed air machines, parts for compressed air machines namely, brakes, filters, hoses, pipes, coupling valves, switches; bilge pumps; metal and plastics working machines; machines for the chemical industry and for use in agriculture, namely wood working machines, agricultural and forestry machines, earth moving machines, namely wheeled excavators, compact wheel loaders, crawler excavators, compact excavators, wheel loaders, earth moving machines, namely motor graders, backhoe loaders, not for land vehicles; machines for use in the mining industry, namely, construction machines in the nature of excavators, loaders and dumper bodies; textile machines; beverage preparation machines, electromechanical; pumps [machines] for the beverage industry; incubators for eggs; agricultural implements [not hand operated]; construction machines, namely, compactors, asphalt pavers, excavators, pipe layers, wheel loaders, motor grader, articulated haulers; control mechanisms for machines, motors and engines, hydraulic and pneumatic controls for machines, motors and engines; machines for the automobile industry; machine tools; electric power tools and their plug-in tools, namely screwdrivers, drills and electric saws; electric can openers; jacks [machines]; vehicle body and frame alignment machines and structural replacement parts thereof; packing and labelling machines; conveyors [machines]; conveyor belts; handling apparatus for loading and unloading, loading ramps, air cushion devices for moving loads; waste disposers [machines], waste compacting machines, excavators lifting apparatus; cranes [lifting and hoisting apparatus]; winches; tractor-towed agricultural instrument grab attachments, namely, buckets, grapples and forks; wood working machines, namely de-limbing, slashing and debarking equipment, saw-tooth setting machines [for lumbering or woodworking saws]; car vacuum cleaners; washing installation for vehicles; **International Class 9** for nautical, surveying, optical, weighing, measuring, life-saving and teaching apparatus and instruments included in this class, namely, electric and electronic apparatus and instruments, namely, electric batteries, chargers for electric batteries, battery testers; accumulators, electric; directional compasses; electric circuit breakers; commutators; condensers [capacitors]; electric wiring harnesses; relays, electric; switches,

electric; fuses, electric [not for explosives], electrical contacts, electric cables, fuses [for electric current]; electric fuse boxes, electrical sensors, electrical sockets, printed circuit boards, integrated circuits; cables for electrical and optical signal transmission systems; connections for electric lines; electric cables, fiber optic cables, coaxial cables; transformers [electricity]; apparatus for adjusting headlights; electric sensors and detectors, namely, alarm detectors, collision detectors, auto breaking detectors, driver drowsiness detectors, blind spot detectors; switches, electric; solenoid valves [electromagnetic switches], electronic motor switches for switching off motors; solar panels for the production of electricity; residual gas analyzers; brake fluid testers; diagnostic apparatus, not for medical purposes; simulators for the steering and control of vehicles; engine testers, namely, testers for engine performance, for engine's emissions and fuel consumption; testing apparatus, not for medical purposes; high- frequency apparatus; electronic power supplies for driving electric motors; power supplies [electrical]; semi-conductors; materials for electricity mains [wires, cables]; apparatus for recording, transmission or reproduction of data, sound or images and data processing equipment and computers, namely, radio apparatus, video screens, tape players, loudspeakers, amplifiers, transmitting sets [telecommunications]; telephone receivers, telephone transmitters, mobile telephones; compact disc players; global positioning system [GPS] apparatus; radar apparatus; traffic management equipment, namely, display monitors, computers, and auto compasses; vehicle locating, tracking and security system comprised of an antenna and \ radio transmitter to be placed in a vehicle; supervision, measuring and data processing equipment in the nature of toll collect terminals for the electronic detection of traffic tolls; event recorders; electronic data recorders; auto-computers and on-board computers, calculators and pocket calculators; magnetic data carriers; computer software, recorded; computer hardware; video game cartridges; recorded and non-recorded magnetic data carriers featuring audiovisual content, audio content, music, visual content, images; digital media, namely, pre-recorded video cassettes, digital video discs, digital versatile discs, downloadable audio and video recordings, DVDs, and high definition digital discs; compact discs [audio-video] and magnetic tapes; data processing equipment; vehicle breakdown warning triangles, traffic light apparatus [signaling devices], traffic cones; anti-interference devices [electricity], antennas; gauges and measuring instruments and apparatus for measuring of fuel, oil pressure, tyre pressure, compressed air, temperatures, amperage, speed and engine revolutions; mileage recorders for vehicles; odometers, tachometers; voltage regulators for vehicles; voltmeters; time recording apparatus; steering apparatus, automatic, for vehicles; control panels [electricity]; electric installations for the remote control of industrial operations; signaling panels [luminous or mechanical]; panel meters, namely, an electronic instrument that displays an input signal in either a digital or analog form; vehicle dipsticks; thermostats; signaling lamps; dynamometers; testing apparatus for brakes; automatic alarm units, anti-theft warning apparatus, theft prevention installations [electric]; navigation apparatus for vehicles [on-board computers]; reflectors for traffic signal; fire extinguishing apparatus; electric regulating apparatus; magnets; tape measures; thermometers not for medical purposes; compasses [measuring instruments]; optical apparatus and instruments, namely binoculars, magnifying glasses, spectacles, sun glasses and goggles, lenses for lamps; sun-proof optical lenses; sun glasses and goggles, ophthalmic frames; warning triangles; clothing for protection against accidents, namely footwear, special clothing as lifesaving equipment, workmen's protective face-shields, protective eye pieces and masks, spark-guards; automatic vending machines and mechanisms for coin operated apparatus; cash registers; **International Class 12** for vehicles, namely, cars, vans, sport-utility vehicles, golf carts, buses, trucks, tractor units; on and off road vehicles, dump trucks, and parts, components and accessories to these items which do not pertain to other classes, namely, vehicle chassis, vehicle bodies, braking installations, brake calipers, draw bars, bumper bars, clutches, engines, electric engines, motors, electric motors, turbines, starter motors, combustion engines, starting devices for internal combustion engines; transmissions for land vehicles; transmission shafts for land vehicles, differential gears, drive gears, drive shafts, gear shifts, exhausts, axles; couplings, machine coupling and transmission components, air pumps, anti-dazzle devices for vehicles [tinted film], anti-theft devices and alarms for vehicles, vehicle immobilizing units, trailer hitches, power take-offs, vehicle suspension springs, shock absorbers, vehicle wheels, rims for vehicle wheels, vehicle wheel spokes; balance weights for wheels, engine mountings; flexible fuel tanks for trucks; protective covers; radiator grilles for vehicles, namely, radiator grilles of metal for vehicles and radiator grilles of non-metallic materials for vehicles; vehicle's aftermarket parts and accessories, namely, cigar and cigarette lighters for automobiles, direction signals for vehicles, upholstery, handles for doors, hoods, horns, all for vehicles; hubs for vehicle wheels, hub caps; hydraulic circuits; tyres for vehicle wheels, non-skid devices for tyres; mud flaps, brakes, servo brakes and compressed-air brakes, antilock brake systems, brake pads and brake linings, bumpers, mudguards and fenders, all of them for land vehicles; vehicle cabs; tipping apparatus [parts of trucks and wagons]; reversing alarms for vehicles; head rests for seats, arm rests, doors, seats, safety-seats, personal safety restraints seats, safety seats for children and tray tables, all for vehicles; seat covers for vehicles, headrest covers and safety belts for vehicles; sliding roofs for vehicles, sunshine roofs for vehicles; reinforced steering columns for vehicles and steering apparatus, automatic, for vehicles; steering wheels for vehicles, steering linkages for vehicles, vehicle suspension springs; torsion bars, tow bars, windows, window winding mechanisms, power windows, windshields [also of safety glass], windshield and headlight wipers and wiper blades, all of these for land vehicles; sun-blinds adapted for automobiles; mirrors for vehicles, namely, rear view mirrors, side view mirrors, vanity mirrors for vehicles; caps for vehicle petrol [gas] tanks; cover caps for vehicle headlights; luggage nets for vehicles, luggage carriers, wheel carriers for vehicles, bicycle carriers for vehicles, surfboard racks for vehicle roofs; vehicle trailers for boats; mud-guards, snow chains; nets for protection against accidents, safety nets and life tires; adhesive rubber patches for repairing inner tubes; baby carriages; wheelchairs for invalids; bicycles; rudders; screw-propellers for boats; steering wheels for vehicles; steering wheels for boats; vehicles for locomotion by land, air or water, of which it has been used. The mark shall remain valid for a period of ten years until the 23rd day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):2.1.16,25;27.5.4

THE MARK shown above, Registration No. 11828.15, has been renewed in the name of **Universal Protein Supplements Corporation dba Universal Nutrition, of 3 Terminal Road, New Brunswick, New Jersey 08901, U.S.A.**, as of the 12th day of May, 2025, in respect of

International Class 25 for clothing, namely, hats, caps, bottoms, tops, shorts, pants, shirts, sweat shirts, sweat pants, sweat shorts, sweat jackets, of which it has been used. The mark shall remain valid for a period of ten years until the 12th day of May, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.18;27.5.4,21

THE MARK shown above, Registration No. 11829.15, has been renewed in the name of **Universal Protein Supplements Corporation dba Universal Nutrition, of 3 Terminal Road, New Brunswick, New Jersey 08901, U.S.A.**, as of the 12th day of May, 2025, in respect of **International Class 25** for clothing, namely, hats, caps, bottoms, tops, shorts, pants, shirts, sweat shirts, sweat pants, sweat shorts, sweat jackets, of which it has been used. The mark shall remain valid for a period of ten years until the 12th day of May, 2035, upon which it can be renewed for further periods of ten years.

APOTHIC INFERNO

THE MARK shown above, Registration No. 11958.15, has been renewed in the name of **E. & J. Gallo Winery, of 600 Yosemite Boulevard, Modesto, California 95354, U.S.A.**, as of the 10th day of July, 2025, in respect of **International Class 33** for alcoholic beverages, except beers, of which it has not been used, due to lack of demand for the product. The mark shall remain valid for a period of ten years until the 10th day of July, 2035, upon which it can be renewed for further periods of ten years.

ANIMAL PAK

THE MARK shown above, Registration No. 12163.15, has been renewed in the name of **Universal Protein Supplements Corporation dba Universal Nutrition, of 3 Terminal Road, New Brunswick, New Jersey 08901, United States of America**, as of the 22nd day of September, 2025, in respect of **International Class 5** for nutritional supplements, of which it has been used. The mark shall remain valid for a period of ten years until the 22nd day of September, 2035, upon which it can be renewed for further periods of ten years.

ROTHMANS OF LONDON

THE MARK shown above, Registration No. 12182.15, has been renewed in the name of **ROTHMANS OF PALL MALL LIMITED, of Route de France 17, 2926 Boncourt, Switzerland**, as of the 24th day of September, 2025, in respect of **International Class 34** for cigarettes, cigars, cigarillos, tobacco, lighters for smokers, matches, of which it has not been used. Prevailing market conditions have not justified entry into the market but may change in the future. The mark shall remain valid for a period of ten years until the 24th day of September, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.13.25;27.5.4

THE MARK shown above, Registration No. 12260.15, has been renewed in the name of **Universal Protein Supplements Corporation dba Universal Nutrition, of 3 Terminal Road, New Brunswick, New Jersey 08901, U.S.A.**, as of the 10th day of November, 2025, in respect of **International Class 5** for nutritional supplements, of which it has been used. The mark shall remain valid for a period of ten years until the 10th day of November, 2035, upon which it can be renewed for further periods of ten years.

(1st ISSUES)

The below marks shall remain valid for a period of ten years, upon which they can be renewed for further periods of ten years. (1st publication – 23rd May 2025)

CFE(6):26.4.24;26.11.8;27.5.17

THE MARK shown above, Registration No. 2597.04, has been renewed in the name of **Federal-Mogul Corporation, of 26555 Northwestern Highway, Southfield, Michigan 48034, U.S.A.**, as of the 24th day of August, 2024, in respect of **International Class 17** for rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; plastics in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, not of metal, including gaskets and gasket materials, of which it has been used. The mark shall remain valid for a period of ten years until the 24th day of August, 2034, upon which it can be renewed for further periods of ten years.

PERMATORQUE

THE MARK shown above, Registration No. 2598.04, has been renewed in the name of **Federal-Mogul Corporation, of 26555 Northwestern Highway, Southfield, Michigan 48034, U.S.A.**, as of the 24th day of August, 2024, in respect of **International Class 17** for rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; plastics in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, not of metal, including gaskets and gasket materials, of which it has been used. The mark shall remain valid for a period of ten years until the 24th day of August, 2034, upon which it can be renewed for further periods of ten years.

CFE(6):26.4.2,24

THE MARK shown above, Registration No. 2599.04, has been renewed in the name of **Federal-Mogul Corporation, of 26555 Northwestern Highway, Southfield, Michigan 48034, U.S.A.**, as of the 24th day of August, 2024, in respect of **International Class 17** for rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; plastics in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, not of metal, including gaskets, of which it has been used. The mark shall remain valid for a period of ten years until the 24th day of August, 2034, upon which it can be renewed for further periods of ten years.

FEL-PRO

THE MARK shown above, Registration No. 2602.04, has been renewed in the name of **Federal-Mogul Corporation, of 26555 Northwestern Highway, Southfield, Michigan 48034, U.S.A.**, as of the 24th day of August, 2024, in respect of **International Class 17** for rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; plastics in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, not of metal, including gaskets and gasket materials, of which it has been used. The mark shall remain valid for a period of ten years until the 24th day of August, 2034, upon which it can be renewed for further periods of ten years.

SCHICK

THE MARK shown above, Registration No. 2913.05, has been renewed in the name of **Edgewell Personal Care Brands, LLC, of 6 Research Drive, Shelton, Connecticut 06484, U.S.A.**, as of the 16th day of February, 2025, in respect of **International Class 8** for hand tools and implements (hand-operated); cutlery; side arms and razors, of which it has been used. The mark shall remain valid for a period of ten years until the 16th day of February, 2035, upon which it can be renewed for further periods of ten years.

XTREME 3

THE MARK shown above, Registration No. 2915.05, has been renewed in the name of **Edgewell Personal Care Brands, LLC, of 6 Research Drive, Shelton, Connecticut 06484, U.S.A.**, as of the 16th day of February, 2025, in respect of **International Class 8** for hand tools and implements (hand-operated); cutlery; side arms and razors, of which it has been used. The mark shall remain valid for a period of ten years until the 16th day of February, 2035, upon which it can be renewed for further periods of ten years.

**CFE(6):23.1.1,18**

THE MARK shown above, Registration No. 2956.05, has been renewed in the name of **Diageo Scotland Limited, of Edinburgh Park, 5 Lochside Way, Edinburgh EH12 9DT**, as of the 11th day of March, 2025, in respect of **International Class 33** for alcoholic beverages, of which it has been used. The mark shall remain valid for a period of ten years until the 11th day of March, 2035, upon which it can be renewed for further periods of ten years.

**CFE(6):3.1.4**

THE MARK shown above, Registration No. 2966.05, has been renewed in the name of **KELLANOVA, of One Kellogg Square, Battle Creek, Michigan 49016, United States of America**, as of the 11th day of March, 2025, in respect of **International Class 30** for coffee, tea, cocoa, sugar, rice, tapioca, sago, coffee substitutes; flour; breakfast cereals; preparations made from cereals; cereal-based snack food bars; bread, biscuits, cakes, pastry and confectionery, ices; honey, treacle; yeast, baking powder; salt, mustard, pepper, vinegar, sauces, spices; ice, of which it has been used. The mark shall remain valid for a period of ten years until the 11th day of March, 2035, upon which it can be renewed for further periods of ten years.

**CFE(6):18.3.2**

THE MARK shown above, Registration No. 2967.05, has been renewed in the name of **Diageo Scotland Limited, of Edinburgh Park, 5 Lochside Way, Edinburgh EH12 9DT, Scotland**, as of the 11th day of March, 2025, in respect of **International Class 33** for alcoholic beverages, of which it has been used. The mark shall remain valid for a period of ten years until the 11th day of March, 2035, upon which it can be renewed for further periods of ten years.

**CFE(6):26.1.18;27.5.4**

THE MARK shown above, Registration No. 3485.05, has been renewed in the name of **Midea Group Co., Ltd., of B26-28F, Midea Headquarter Building, No. 6 Midea Avenue, Beijiao, Shunde, Foshan, Guandong, P.R. China**, as of the 2nd day of November, 2025, in respect of **International Class 11** for refrigerators; air conditioners; electromagnetic ovens; gas ovens; microwave ovens, **of which it has been used**, for air de-humidifier for household use, ventilators, electric hair driers, refrigerating containers, bread toasters, sterilizing cabinet for dishes, electric heat radiators, electric heating carpets, electric heat radiators for beds, electric rice cookers, gas water heaters, electric water heaters, electric fans, extractor hoods for kitchens, electric water dispensers, household air de-humidifiers, air humidifiers, air purifiers, electric kettles, electric pressure cookers, electric deep fryers and electric skillets, **of which it has not been used, due to lack of a suitable distributor in Belize**. The mark shall remain valid for a period of ten years until the 2nd day of November, 2035, upon which it can be renewed for further periods of ten years.

**CFE(6):5.3.20;29.1.3**

THE MARK shown above, Registration No. 3486.05, has been renewed in the name of **FERTILIZER COMPANY OF AMERICA, LLC, of One SE Third Ave., Suite 2250, Miami, F1 33131, United States of America**, as of the 2nd day of November, 2025, in respect of **International Class 1** for chemicals used in industry as well as in agriculture, horticulture and forestry; manures; fertilizers, of which it has been used. The mark shall remain valid for a period of ten years until the 2nd day of November, 2035, upon which it can be renewed for further periods of ten years.

LEVI'S ENGINEERED JEANS

THE MARK shown above, Registration No. 3502.05, has been renewed in the name of **Levi Strauss & Co., of 1155 Battery Street, San Francisco, California 94111, U.S.A.**, as of the 10th day of November, 2025, in respect of **International Class 25** for pants; jeans; shorts; overalls; t-shirts, blouses; vests; skirts; jackets; coats, sportscoats, sweaters, sweatshirts; sweatpants; hats; ties; belts; socks; underwear and shoes, of which it has been used. The mark shall remain valid for a period of ten years until the 10th day of November, 2035, upon which it can be renewed for further periods of ten years.

FISHER-PRICE

THE MARK shown above, Registration No. 4473, has been renewed in the name of **Mattel, Inc., of 333 Continental Blvd., El Segundo, CA 90245, U.S.A.**, as of the 17th day of May, 2025, in respect of **International Class 28** for toys and playthings, of which it has been used. The mark shall remain valid for a period of ten years until the 17th day of May, 2035, upon which it can be renewed for further periods of ten years.

JUKI

THE MARK shown above, Registration No. 7529, has been renewed in the name of **JUKI KABUSHIKI KAISHA (JUKI CORPORATION), of 2-11-1, Tsurumaki, Tama-shi, Tokyo, 206-8551, Japan**, as of the 18th day of July, 2025, in respect of **International Class 7** for sewing machines and knitting machines and parts and fittings for all the aforesaid goods, of which it has been used. The mark shall remain valid for a period of ten years until the 18th day of July, 2035, upon which it can be renewed for further periods of ten years.

GRAND SIECLE

computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, software for optical character recognition; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; electronic bulletin boards; database synchronization software; application development software; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia functions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped to contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; alarm sensors, alarm sensors, and alarm monitoring systems; camera hardware systems for IP (Internet protocol) video surveillance; smoke and carbon monoxide detectors; thermostats, monitors, sensors, and controls for air conditioning, heating, and ventilation devices and systems; locks, electric; and lighting controls; central processing units [processors], microprocessors, semiconductors, computer chips, chipsets and integrated circuits, of which it has been used. The mark shall remain valid for a period of ten years until the 12th day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.1,16;26.3.5.23

THE MARK shown above, Registration No. 11500.15, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 12th day of February, 2025, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals ; hand held computers; tablet computers; personal digital assistants; electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the Internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user

to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, video, and digital mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio components and accessories; modems; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers [tv sets]; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, audio, video, and other multimedia content, electronic publications, and electronic games; computer software for use in recording, organizing, transmitting, manipulating, and reviewing text, data, audio files, video files and electronic games in connection with computers, televisions, television set-top boxes, audio players, video players, media players, telephones, and handheld digital electronic devices; computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals, and other publications; database management software; software for optical character recognition; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; electronic bulletin boards; database synchronization software; application development software; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia functions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped to contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; alarm sensors, alarm sensors, and alarm monitoring systems; camera hardware systems for IP (internet protocol) video surveillance; smoke and carbon monoxide detectors; thermostats, monitors, sensors, and controls for air conditioning, heating, and ventilation devices and systems; locks, electric; lighting controls; central processing units [processors], microprocessors, semiconductors, computer chips and chips [integrated circuits], of which it has been used. The mark shall remain valid for a period of ten years until the 12th day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.1,10;29.1.4,8

THE MARK shown above, Registration No. 11501.15, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 12th day of February, 2025, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals; hand held computers; tablet computers; personal digital assistants; electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the Internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user

to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, video, and digital mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio components and accessories; modems; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers [tv sets]; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; alarm sensors, and alarm monitoring systems; camera hardware systems for IP (Internet protocol) video surveillance; smoke and carbon monoxide detectors; thermostats, monitors, sensors, and controls for air conditioning, heating, and ventilation devices and systems; locks, electric; and lighting controls; central processing units [processors], microprocessors, semiconductors, computer chips, chipsets and integrated circuits, of which it has been used. The mark shall remain valid for a period of ten years until the 12th day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.2,;29.1.15

THE MARK shown above, Registration No. 11503.15, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 12th day of February, 2025, in respect of **International Class 9** for computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals; hand held computers; tablet computers; personal digital assistants; electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the Internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, video, and digital mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders, audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio components and accessories; modems; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers [tv sets]; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, audio, video, and other multimedia content, electronic publications, and electronic games; computer software for use in recording, organizing, transmitting, manipulating, and reviewing text, data, audio files, video

files and electronic games in connection with computers, televisions, television set-top boxes, audio players, video players, media players, telephones, and handheld digital electronic devices; computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals, and other publications; database management software; software for optical character recognition; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; electronic bulletin boards; database synchronization software; application development software; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia functions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped to contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; alarm sensors, and alarm monitoring systems; camera hardware systems for IP (Internet protocol) video surveillance; smoke and carbon monoxide detectors; thermostats, monitors, sensors, and controls for air conditioning, heating, and ventilation devices and systems; locks, electric, and lighting controls; central processing units [processors], microprocessors, semiconductors, computer chips, chipsets and integrated circuits, of which it has been used. The mark shall remain valid for a period of ten years until the 12th day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):26.1.1,5

THE MARK shown above, Registration No. 11513.15, has been renewed in the name of **APPLE INC., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 13th day of February, 2025, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals; hand held computers; tablet computers; personal digital assistants; electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the Internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, video, and digital mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio components and accessories; modems; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers [tv sets]; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, audio, video, and other multimedia content, electronic publications, and electronic games; computer software for use in recording, organizing, transmitting, manipulating, and reviewing text, data, audio files, video files and electronic games in connection with computers, televisions, television set-top boxes, audio players, video

players, media players, telephones, and handheld digital electronic devices; computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals, and other publications; database management software; software for optical character recognition; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; electronic bulletin boards; database synchronization software; application development software; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia functions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped to contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; alarm sensors, alarm sensors, and alarm monitoring systems; camera hardware systems for IP (Internet protocol) video surveillance; smoke and carbon monoxide detectors; thermostats, monitors, sensors, and controls for air conditioning, heating, and ventilation devices and systems; locks, electric; and lighting controls; central processing units [processors], microprocessors, semiconductors, computer chips, chipsets, and integrated circuits, of which it has been used. The mark shall remain valid for a period of ten years until the 13th day of February, 2035, upon which it can be renewed for further periods of ten years.

CFE(6):24.17.10,12;26.1.1,16

THE MARK shown above, Registration No. 11514.15, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 13th day of February, 2025, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals; hand held computers; tablet computers; personal digital assistants; electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the Internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, video, and digital mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio components and accessories; modems electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers [tv sets]; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, audio, video, and other multimedia content, electronic publications, and electronic games; computer software for use in recording, organizing, transmitting, manipulating, and reviewing text, data, audio files, video files and electronic games in connection with computers, televisions, television set-top boxes, audio players, video players, media players, telephones, and handheld digital electronic devices; computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and

communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals and other publications; database management software; software for optical character recognition; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; electronic bulletin boards; database synchronization software; application development software; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia functions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped of contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life-saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; alarm sensors, and alarm monitoring systems; camera hardware systems for IP Internet protocol video surveillance; smoke and carbon monoxide detectors; thermostats, monitors, sensors and controls for air conditioning, heating, and ventilation devices and systems; locks, electric; lighting controls; central processing units [processors], microprocessors, semiconductors, computer chips and chipsets, and integrated circuits, of which it has been used. The mark shall remain valid for a period of ten years until the 13th day of February, 2035, upon which it can be renewed for further periods of ten years.

QUICKBOARD

THE MARK shown above, Registration No. 11538.15, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 25th day of February, 2025, in respect of **International Class 9** for computers; computer peripheral devices; computer hardware; computer game software for gaming machines, namely, slot machines and video lottery terminals; hand held computers; tablet computers; personal digital assistants electronic personal organizer; electronic notepads; electronic book readers; portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing text, data, image and audio files; electronic game software for handheld electronic devices; handheld mobile digital electronic devices capable of providing access to the internet and for the sending, receiving, and storing of telephone calls, faxes, electronic mail, and other digital data; electronic handheld units for the wireless receipt, storage and/or transmission of data and messages, and electronic devices that enable the user to keep track of or manage personal information; sound recording and reproducing apparatus; MP3 and other digital format audio players; digital audio recorders; digital video recorders and players; audio cassette recorders and players; video cassette recorders and players; compact disc recorders and players; digital versatile disc recorders and players; digital audio tape recorders and players; radios, radio transmitters, and receivers; audio, video, and digital mixers; audio amplifiers; audio video receivers; consumer electronic products, namely, audio decoders; audio equipment for vehicles, namely stereos, speakers, amplifier, equalizer and speaker housing; earphones, headphones; audio speakers; microphones; audio components and accessories; modems; electronic apparatus and devices for controlling access to pay-television services; electronic apparatus, namely, electronic display boards, plasma display boards, electronic display screens; interactive photo kiosks for capturing, printing and uploading digital images for future use; audiovisual teaching apparatus; optical apparatus and instruments; wireless digital electronic apparatus to secure and protect data and images on all forms of wireless equipment including mobile telecommunications equipment using an automatic synchronization process and alarm notification of the loss or theft of the wireless equipment including mobile telecommunications equipment; global positioning system (GPS) devices; telephones; wireless communication devices for voice, data or image transmission; cables, electric; blank tapes for storage of data; magnetic data media; chips, discs and tapes bearing or for recording computer programs and software; facsimile machines; cameras [photography]; batteries, electric; televisions; television receivers [tv sets]; television monitors; set top boxes; computer software, recorded; computer and electronic game software; global positioning system (GPS) computer software; computer software for travel and tourism, travel planning, navigation, travel route planning, geographic, destination, transportation and traffic information, driving and walking directions, customized mapping of locations, street atlas information, electronic map display, and destination information; computer software for creating, authoring, distributing, downloading, transmitting, receiving, playing, editing, extracting, encoding, decoding, displaying, storing and organizing text, data, graphics, images, audio, video, and other multimedia content, electronic publications, and electronic games; computer software for use in recording, organizing, transmitting, manipulating, and reviewing text, data, audio files, video files and electronic games in connection with computer, televisions, television set-top boxes, audio players, video players, media players, telephones, and handheld digital electronic devices; computer software to enable users to program and distribute text, data, graphics, images, audio, video, and other multimedia content via global communication networks and other computer, electronic and communications networks; computer software for identifying, locating, grouping, distributing, and managing data and links between computer servers and users connected to global communication networks and other computer, electronic and communications networks; computer software for use on handheld mobile digital electronic devices and other consumer electronics; electronic publishing software; electronic publication reader software; computer software for personal information management; downloadable pre-recorded audio and audiovisual content, information, and

commentary; downloadable electronic books, magazines, periodicals, newsletters, newspapers, journals, and other publications; database management software; software for optical character recognition; software for ensuring the security electronic mail; computer software for accessing, browsing and searching online databases; electronic bulletin boards; database synchronization software; application development software; user manuals in electronically readable, machine readable or computer readable form for use with, and sold as a unit with, all the aforementioned goods; electrical and electronic connectors, couplers, wires, cables, chargers, docks, docking stations, interfaces, and adapters for use with all of the aforesaid goods; computer equipment for use with all of the aforesaid goods; electronic apparatus with multimedia functions for use with all of the aforesaid goods; electronic apparatus with interactive functions for use with all of the aforesaid goods; accessories, parts, fittings, and testing apparatus for all of the aforesaid goods; covers, bags and cases adapted or shaped to contain all of the aforesaid goods; navigational instruments; apparatus to check stamping mail; cash registers; mechanisms for coin-operated apparatus; dictating machines; hemline markers; voting machines; electronic tags for goods; weighing apparatus and instruments; measures; electronic notice boards; measuring apparatus; optical apparatus and instruments; wafers [silicon slices]; integrated circuits; fluorescent screens; remote control apparatus; lights conducting filaments [optical fibers]; electric installations for the remote control of industrial operations; lightning arresters; electrolyzers; fire extinguishers; radiological apparatus for industrial purposes; life saving apparatus and equipment; whistle alarms; sunglasses; animated cartoons; egg-candlers; dog whistles; decorative magnets; electrified fences; electrically heated socks; alarm sensors, and alarm monitoring systems; camera hardware systems for IP (internet protocol) video surveillance; smoke and carbon monoxide detectors; thermostats, monitors, sensors, and controls for air conditioning, heating, and ventilation devices and systems; locks, electric; and lighting controls; central processing units [processors], microprocessors, semiconductors, computer chips, chipsets; lighting controls; **International Class 14** for horological and chronometric instruments; watches; clocks; timepieces; chronographs for use as timepieces; chronometers; watchstraps; watch bands; cases for watches, clocks, and horological and chronometric instruments; parts for watches, clocks, and horological and chronometric instruments; jewelry, of which it has been used. The mark shall remain valid for a period of ten years until the 25th day of February, 2035, upon which it can be renewed for further periods of ten years.

TAPTIC ENGINE

THE MARK shown above, Registration No. 11532.15, has been renewed in the name of **Apple Inc., of One Apple Park Way, Cupertino, California, 95014, United States of America**, as of the 25th day of February, 2025, in respect of **International Class 9** for computers;
