such as parts of machines, appliances and washing facilities high-pressure pumps, compressors for refrigerators, parts for compressed air tools, namely, brakes, filters, hoses, pipes, links, switches, valves, compressors, clamping tools and nozzles, engines and pumps for refrigerators and freezers, refrigeration compressors, of high pressure multipurpose, washers for cleaning dryer, bodies of mesh, as parts of machines, compressors as parts of machines and motors, incorporating DC motors regulators being parts of machines, valves being parts of machines, stators being parts of machine, springs being parts of machines, filters for motors and fans for motors, machine parts, namely, units of gears, parts for compressed air tools, namely, brakes, filters, hoses, pipes, links, switches, valves, compressors, clamping tools and nozzles, electric tools, fan belts for motors, pumps and compressors as parts of machines and engines, inbound for motors, bearings, as parts of machines, pulleys being parts of machines, bushings for use as parts of machines, membrane filters as parts of machines, compressors as parts of machines and engines, distribution valves parts of the machine, machine parts, namely, cylinders, machine parts, namely, hoods, machine parts, namely, roller bearings, machine parts, namely nozzles which are parts of sprayers of electric drive, fan belts for engines, spark plugs, ignition wires spark plugs, electric welding equipment, soil washing hand tools, namely, electric irons, pliers, files, thermostats, tape aluminium ventur tape, portable media players, the television monitors, units of measurement and control technology of air conditioning, heater controls of water, motherboards used in air conditioners, refrigerators, washing machines, tv sets, switches of electric current, electric resistances, guards against overvoltage, infrared thermometers, not for medical purposes, electrical terminals, electrical switch boxes blocks, plates of electric switches, electric relays, electrical components in the nature of relays protection, electrical relays and transformers, capacitors, power switches, switch boxes, valves solenoid [electromagnetic switches] temperature switches, electrical coils, coils for use in electrical appliances, covers, and parts of the housing of the electrical equipment, namely, housing appliances from switching, boxes of electrical connectors, bodies for the plates of printed circuit board, covers, and parts of the housing of the electrical equipment, namely, housing appliances, expansion valves for the control of fluids, breakers and automatic door closers, electrical sensors, transformers, control of remote circuit breaker switch operators, evaporators for air conditioning, drying apparatus for use in heating, ventilation systems, systems of air conditioning and refrigeration systems, radiators [for industrial air conditioning purposes], gas fired heaters, water hybrid water heater, water heaters, electric cooktops, fans extractors, refrigerant gas used in refrigeration systems, air conditioning systems, freezers, refrigerators, cleaning systems refrigeration and air conditioners, laundry centers, vents, a clothes dryer combined with a washing machine, electric indoor grills, water filters spark igniters for gas appliances, devices of refrigeration and facilities, refrigerators and commercial freezers and parts and pipe fittings, electric refrigerators [for household use, gas cooler, refrigerator condensers, coolers, hoses parts of bathroom plumbing, hoses parts of sink plumbing, thermostatic valves [parts of heating installations], combination microwave and oven convection, coils and parts of distillation, heating or refrigeration facilities, microwave ovens, filtration of water and purification units and spare cartridges and filters for refrigerators, electric rice cooker, electric hairdryer, cooling systems of fans for wall ovens, electric fans with fan accessories evaporative cooling devices, namely, grills, gas stoves, glass plates sold as parts of stoves , portable heaters, refrigerated chambers, ventilation hoods for ranges, tops stove burners, components for air conditioning and refrigeration, namely, coolers of air, evaporative air coolers, air filters for industrial installations, water chillers, air conditioning for use in walk-in coolers, components for air conditioning and refrigeration, fans for air conditioning, air filters for equipment of air conditioning unit, air conditioning, cooling air and apparatus and instruments for ventilation, electric coffee makers, insulation pipes, pipe seals, pipe sealant tape for joints, pipe joint tape for use in pipes and air conditioning, refrigeration, heating, ventilation and equipment, insulating blankets for water heaters hot, insulation sleeves for water heaters, hoses the air conditioner of plastic, rubber air conditioner hoses, hoses for air, tape, non-metallic ventilation covers for HVAC ducts, couplings and joints of non-metallic pipes, conduits, not of metal, for ventilation and air conditioning installations, rigid polypropylene tubes for the supply of drinking water and heating and air conditioning in houses, office buildings and warehouses, non-metallic drain pipes, plastic bottles, kit of o-ring which consists of plastic rings of
